

POETRY.

THE MURMUR OF THE SHELL.

BY THE HON. MRS. NORTON.

A sailor left his native land, A simple gift he gave; A sea-shell gathered by his hand, From out the rippling wave; Oh, love, by this remember me! Far inland thou must dwell, But thou shalt hear the sounding sea, In the murmur of the shell.

Ab, woe is me! with tatter'd sail The ship is wildly tost! A drowning cry is on the gale, They sink—and all are lost! While happy yet untouched by fear, Repeating his farewell, Poor Mary smiles, and loves to hear The murmur of the shell.

The tidings wrecked her simple brain; And smiling now she goes, A mad girl—reckless of her pain— Unconscious of her woes; But when they ring the village chimes, That toll'd the lover's knell, She sighs and says she hears at times Death-music in the shell!

MONUMENT TO GOVERNOR SHUNK.—We learn from the Reading Gazette that the Monument to the memory of our late worthy Governor has been commenced at Hargrave's Marble Yard, Ridge Road, Philadelphia. It is to consist of a base five and a half feet square, on which rests the die for the inscription. A likeness of the departed will be carved on the front of a block next rising above; on the right, the coat of arms of the United States; on the left, the coat of arms of Pennsylvania; and on the reverse, the private seal of Governor Shunk. An obelisk of about twelve feet in height, surmounted by an eagle, will complete the monument—the whole being twenty-four feet in height, constructed at a cost of \$1600. It will be erected on the 4th of July.

ANOTHER CUBAN EXPEDITION.—The Atlanta (Georgia) Intelligencer, of the 10th inst., says—

"One hundred and twenty enterprising looking young men took the Macon and Western cars from this city this morning, bound professedly for California, but it is well understood here that their intended destination is the Island of Cuba. Several young men from Atlanta joined the company before it left. It is perhaps worthy of notice in this connection, that half a dozen boxes of rifles were yesterday morning shipped on the Atlanta and West Point railroad from this place.

NATIVE AMERICANISM.—A Philadelphia paper sneers at the proposition to bring the remains of Paul Jones to this country because he was a foreigner. We believe General Scott claims to have been one of the originators of Nativism, which runs so mad in this instance as to object to the interment of a distinguished warrior of the Revolution in our country. The Philadelphia Ledger retorts as follows to this scoffer at one of the most illustrious of our nation's heroes—

"PAUL JONES.—Speaking of this celebrated individual, whose remains are at last to be brought from France, where he died, to this country, in the U. S. Frigate St. Lawrence, one of our city papers says: 'Such was the life and character of the foreigner, to whom high honors are to be paid, at the expense of the nation.' Paul Jones was the soul—the chivalrous soul of the American Revolution on the ocean; and yet, he is attempted to be stigmatized as a 'foreigner!'—What makes an American citizen? We leave the Constitution to answer—all foreigners in this country at the time of the adoption of the American (United States) Constitution, were held to be Americans by birth, and eligible to the Presidential Chair! As well attempt to stigmatize Lafayette, and a thousand others, because they were not born in a country their mothers had never seen. When will Americans learn the 'A. B. C.' of their Constitution!"

USE OF GUTTA PERCHA.—The public may not be aware of the progress made in the preparation and manufacture of this singular article. By different processes it is made elastic like India Rubber, hard like marble, and fit to spread on cloth, thick or thin. A table slab has been made of it, and long used without injury, which possesses all the external qualities of polished marble. Race horses are shod with it in England. An omnibus, we are assured, has been running in Philadelphia for a year or more, with tires on its wheels made of Gutta Percha; and those best acquainted with its properties believe, that in two years it will be adopted universally in this city for our public vehicles. If so, it will at least save our ears much noise.

On the Great Western Railway, England, is an inn, called, like hundreds of others, "The Queen's Arms." From this inn a new coach has lately been started, named "The Prince Albert." The worthy landlord put up bill, informing Her Majesty's subjects that "The Prince Albert started from the Queen's Arms punctually every morning at 7 o'clock."

The original publisher of the work returns his sincere thanks for the hearty welcome with which his return to this favorite periodical has been hailed by the press and the public, and promises his readers that the past six numbers have afforded but a slight foretaste of the excellence and beauty of what is in store for the new volume. Our readers know well that Graham is never beaten in spirited designs and elegant engravings. We have no long list of plates purchased, to set down—no enormous resources—but a bare determination not to be beaten; this, combined with some knowledge of our business, and a generous list of subscribers to sustain us, warrants us in boldly challenging our contemporaries for the year 1851.

The January number will contain some of the most exquisite productions of artistic skill, and the series then begun will be continued through the year.

Our artists in London, Paris, Italy and the United States, to whom we pay cash for the best and freshest, promise us that GRAHAM SHALL NOT BE BEATEN! however others may boast.

The ARTISTS OF MONTEUR DE LA MODE engage to furnish us with the most splendid drawings—December and January numbers will contain specimens. MCALISTER'S ALL-HEALING OINTMENT.

Containing no Mercury or other Mineral, FOR TUMORS, ULCERS, and all kinds of SORES, it has NO EQUAL.

It is impossible to give the public an adequate idea of the great success which has attended the administration of the All-Healing Ointment for the past three years. It is perfectly astonishing to witness the effects and hear the praises bestowed on this medicine. No one could conceive that a single medicine possessed so much virtue, and had power to heal so many diseases. But since it has been known that tens of thousands have been cured, our friends will begin to realize the truth of our remarks in a former advertisement, viz that there would not be a single family in America, who would live a day without possessing a box of

MCALISTER'S ALL-HEALING OINTMENT. if they but knew its virtues. BURNS.—It is one of the best things in the world for burns.

IT MOTHERS and NURSES know its value in cases of swollen or Sore Breasts and Sore Nipples, they would always apply it. In such cases, if used, according to the directions, it gives relief in a very few hours. PILES.—Thousands are yearly cured by this Ointment. It never fails in giving relief for the Piles.

RHEUMATISM. It removes, almost immediately, the inflammation and swelling, and the pain ceases.—Read the directions around the box.

HEADACHE. The salve has cured persons of the headache who had it regularly every week for 12 years, so severe as to cause vomiting.

The following testimonial was given by the celebrated Dr. Wooster Beach, the author of the great Medical work entitled "The American Practice of Medicine and Family Physician."

"Having been made acquainted with the ingredients which compose MCALISTER'S ALL-HEALING OINTMENT, and having prescribed and tested it in several cases in my private practice, I have no hesitation in saying or certifying that it is a vegetable remedy, containing no mineral substance whatever, that its ingredients, combined as are, and used as directed by the Proprietor, are not only harmless but of great value, being truly a scientific remedy of great power; and cheerfully recommend it as a compound which has done much good, and which is adapted to the cure of a great variety of cases. Though I have never either recommended or engaged in the sale of secret medicines, regard for the truly honest, conscientious, and humane character of the Proprietor of the Ointment, and the value of his discovery obliges me to say thus much regarding it."

W. BEACH, M.D. New York April 23d 1845.

AROUND THE BOX ARE DIRECTIONS FOR USING MCALISTER'S OINTMENT FOR SCROFULA, ULCERS, CHILBLAIN, ERISIPELAS, TETTER, CHILBLAIN, SCALD HEAD, SORE EYES, SORE THROAT, NERVOUS AFFECTIONS, PAINS, HEADACHE, DEAFNESS, EARACHE, BURNS, SORE LIPS, IMPLES, &c., RHEUMATISM, PILES, SWELLED OR BROKEN BREAST, TOOTHACHE, AGUE IN THE FACE, &c., &c.

This Ointment is good for any part of the body or limbs when inflamed. In some cases it should be applied often.

JAMES MCALISTER, Sole Proprietor of the above Medicine, PRICE 25 CENTS PER BOX. FOR SALE by Lewis & Roberts, Ebensburg, Kern & Gorges, Johnstown, Wm. Houston, Indiana, S. Conner, Hollidaysburg, Principle Office No. 28, North Third street, Philadelphia. WM. TERRY, General Agent. July 4, 1850.—33-ly.
