Read and Reflect .- The afflicted would do make the appropriation asked by the War Halloway's warehouse, in which was stopiness, and in many cases their lives, in the hands of physicians, ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to. Every respectable physician has his peculiar branch, in which he is more successful than his brother professors, and to that he de-

votes most of his time and study. Years of Practice, exclusively devoted to the study and treatment of diseases of the sexual organs, together with ulcers upon the body, throat, nose or legs, pains in the head or bones, mercurial rheumatism, strictures, gravel, irregularities, disease arising from youthful excesses or impurities of the blood, whereby the constitution has become enfeebled, enables the Doctor to offer Speedy Relief to all who may place themselves under his care.
