Our readers know well that Graham is never beaten in spirited designs and elegant engravings. We have no long list of plates purchased, to set down—no enormous resources—but a brave determination not to be beaten; this, combined with some knowledge of our business, and a glorious list of subscribers to sustain us, warrants us to boldly challenge our contemporaries for the year 1851. The January number will contain some of the most exquisite productions of artistic skill, and the series then begun will be continued through the year. Our artists in London, Paris, Italy and the United States, to whom we pay cash for the best and freshest, promise us that GRAHAM SHALL NOT BE BEATEN; however others may boast.

In the department of Fashion we shall excel all that has ever been attempted either in the United States or Paris. THE ARTISTS OF MONTEUR DE LA MODE engage to furnish us with the most splendid drawings—December and January numbers will contain specimens. In a word, wait for the January number—then compare and decide—it will eclipse all others, or we shall submit that we have not learned how to produce a magazine of the most brilliant description can be produced. McALISTER'S ALL-HEALING OINTMENT. Containing no Mercury or other Mineral, FOR TUMORS, ULCERS, and all kinds of SORES, it is NO EQUAL. It is impossible to give the public an adequate idea of the great success which has attended the administration of the All-Healing Ointment for the past three years. It is perfectly safe, soothing to the system, and bears the praises bestowed on this medicine. No one could conceive that a single medicine possessed so much virtue, and had power to heal so many diseases. But since it has been known that tens of thousands have been cured, our friends will begin to realize the truth of our remarks in a former advertisement, viz that there would not be a single family in America, who would live a day without possessing a box of McALISTER'S ALL-HEALING OINTMENT. if they but knew its virtues. BURNS.—It is one of the best things in the world for burns. If MOTHERS and NURSES know its value in cases of swollen or Sore Breasts and Sore Nipples, they would always apply it. In such cases, if used, according to the directions, it gives relief in a very few hours. PILES.—Thousands are yearly cured by this Ointment. It never fails in giving relief for the Piles. RHEUMATISM. It removes, almost immediately, the inflammation and swelling, and the pain ceases.—Read the directions around the box. HEADACHE. The salve has cured persons of the headache who had it regularly every week for 12 years, so severe as to cause vomiting. The following testimonial was given by the celebrated Dr. Wooster Beach, the author of the great Medical work entitled "The American Practice of Medicine and Family Physician." "Having been made acquainted with the ingredients which compose McALISTER'S ALL-HEALING OINTMENT, and having prescribed and tested it in several cases in my private practice, I have no hesitation in saying or certifying that it is a vegetable remedy, containing no mineral substance whatever, that its ingredients, combined as are, and used as directed by the Proprietor, are not only harmless but of great value, being truly a scientific remedy of great power; and cheerfully recommend it as a compound which has done much good, and which is adapted to the cure of a great variety of cases. Though I have never either recommended or engaged in the sale of secret medicines, regard for the truly honest, conscientious, and humane character of the Proprietor of the Ointment, and the value of his discovery obliges me to say thus much regarding it. W. BEACH, M.D. New York April 22d 1846.
