

Scrofula.
It has been remarked by eminent men, that in the varied catalogue of diseases to which man is liable, there is scarcely one of such importance as that of Scrofula, whether we look to the obscurity of its origin, its insidious progress, the number and variety of organs that it attacks, or its remarkable incurability and extensive fatality.
Scrofula has baffled the skill of the most eminent physicians in this country and in Europe. But there is an antidote for this disease in "Dr. Guyssot's Extract of Yellow Dock and Sarsaparilla," which is proving itself a Specific in the most severe cases of Scrofula.
See advertisement.

Petroleum.
I had a severe Cold, and was cured by the Petroleum, and gave it to several others with like success; and an old lady who had bruised her shoulder by a fall, and strained the muscles of her arm and shoulder, was cured by rubbing the parts affected. I also had an attack of the Blind Piles and by the application of Petroleum was cured in a short time.

DR. GUYSSOT'S IMPROVED EXTRACT OF YELLOW DOCK AND SARSAPARILLA.

put up in the largest sized bottles, contains more of the pure *Honduras Sarsaparilla* than any other preparation extant, which is chemically combined with the Extract of Yellow Dock, the Extract of Wild Cherry, and the Balsam of Fir, thus making the remedy more thoroughly efficient than any other *Sarsaparilla* before the public. At the same time it is perfectly free from all mineral poisons, which cannot be said of any other of the *Sarsaparilla* compounds. The invalid should beware of poisons! Mercury, Iron, Quinine, Potash, Iodine, Sulphur, Arsenic, and many other mineral and metallic poisons enter into and form the active basis of most of the *Sarsaparilla* and Panacea of the day. *Guyssot's Compound Extract of Yellow Dock and Sarsaparilla* does not contain a particle of these substances; as any one can ascertain by applying the necessary tests.
These poisons may occasionally remove diseases, but they so vitiate the blood and completely impregnate the whole system with their baneful effects, that the first cold, or the first attack of disease, prostrates the patient's strength, and subjects him or her to the most excruciating torture, and renders another cure almost impossible and hopeless. Let all poisonous *Sarsaparilla* preparations alone, and use *Guyssot's Improved Extract of Yellow Dock and Sarsaparilla* which is thoroughly efficacious, perfectly harmless and purely vegetable. All kinds of diseases yield to its genial influences.
Price \$1, per bottle or six bottles for \$5. To persons purchasing by the dozen, a liberal reduction will be made.
AGENTS.—John Ivory & Son, Summit; Murray & Zahm, Ebensburg; Mary Orr, Hollidaysburg; R. Shaw, Clearfield; Hildebrand & Co., Indiana; John Scott, Cold Spring; J. Patton, Curwinstown.
