The Beacon.
BY T. MOORE.

The scene was more beautiful far to my eye,
Than if day in its pride had arrayed it; [sky
The land-breeze blew mild, and the azure arched
Looked pure as the Spirit that made it;
The murmur rose soft, as I silently gazed
On the shadowy wave's playful motion,
From the dim-distant hill, till the beacon-fire
blazed
Like a star in the midst of the ocean.

No longer the joy of the sailor-boy's breast
Was heard in his wildly-breathed numbers;
The sea-bird had flown to her wave-girdled nest;
The fisherman sunk to his slumbers.
One moment I looked from the hill's gentle slope,
All hushed was the billows' commotion,
And tho' that the beacon looked lovely as hope,
That star on life's tremulous ocean.

The time is long past, and the scene is afar,
Yet, when my head rests on its pillow,
Will memory, sometimes, rekindle the star,
That blazed on the breast of the billow.
In life's closing hour, when the trembling soul
flies,
And death stills the heart's last emotion,
O then may the seraph of mercy arise!
Like a star on Eternity's ocean.

Flowers.

Each leaflet is a tiny scroll,
Inscribed with holy truth,
A lesson that around the heart
Should keep the dew of youth;
Bright missels from angelic throngs
In every high-way left!
How were the earth of glory shorn,
Were it of flowers bereft!

They tremble on the Alpine heights,
The fissured rock they press,
The desert wild, with heat and sand,
Shares to their blessedness;
And whereso'er the weary heart
Turns in its dim despair,
The meek-eyed blossom upward looks,
Inviting it to prayer!

Cradle Song.

BY ALFRED TENNYSON.

Sweet and low, sweet and low,
Wind of the western sea,
Low, low, breathe and blow,
Wind of the western sea!
Over the rolling waters go,
Come from the drooping moon, and blow,
Blow him again to me;
While my little one, while my pretty one, sleeps.

Sleep and rest, sleep and rest,
Father will come to thee soon;
Rest, rest, on mother's breast,
Father will come to thee soon;
Father will come to his babe in the nest,
Silver sails all out of the west,
Under the silver moon,
Sleep, my little one, sleep, my pretty one, sleep.

Summary of Events.

From the Alta California, May 1.

The most important event which has transpired since the sailing of the steamers of the 15th, is the election of last Monday, which resulted in a triumph for the Whigs, in majorities for city officers ranging from three to seventeen hundred votes. The Democrats elected two aldermen, the Whigs six; the Democrats also elected four assistant aldermen, the Whigs four. All the rest of the Whig ticket was elected.

The city of Nevada has elected city officers, and has a newspaper called the Nevada Journal, published semi-weekly.

Considerable progress has been made by the Commissioners in forming treaties with the Indians. Yesterday there was a rumor that the volunteers had been whipped by the Indians in the Mariposa district.

Robberies had been so numerous and bold in the vicinity of Monterey, that the people have called upon the Executive for protection.

There has been much snow in the mountains, and we have heard of several persons who have lost their lives by being frozen to death.

The Indians still continue their depredations in the vicinity of Los Angeles.

Since the rains, the miners have been reported as doing much better than previously.

Some of the richest specimens of quartz have been brought to this city ever seen, producing more than thirty-three per cent. of gold.

Some rumors have been afloat that a secret expedition has started for the purpose of taking possession of Lower California. But it is probably merely a rumor.

There has been a great excitement at Mokelumne Hill, in consequence of a misunderstanding between the French and Americans. At last accounts the difficulties had been settled. At one time both parties were armed and in great force, and the prospects were that a general and bloody battle would ensue.

The Legislature has passed an act to exempt homesteads and other property from forced sale, in certain cases. It has also passed a Ury Law bill, fixing interest at ten per cent. and allowing, by special agreement, eighteen per cent. per annum.

The Legislature adjourned yesterday, after a session of four months.

The prospects of good crops are favorable, the spring rains having been of incalculable value to farmers and gardeners.

Business has revived considerably and the confidence of our citizens in the further progress of the State is unabated.

WONDER OF WONDERS!
PETROLEUM, OR ROCK OIL.
"There are more things in heaven and earth, Than are dreamt of in philosophy."
The virtues of this remarkable remedy, and the constant application for it, to the Proprietor, has induced him to have it put up in bottles, with labels and directions, for the benefit of the public.
The Petroleum or Rock Oil is procured from a well in Allegheny county, at a depth of four hundred feet, is a pure unadulterated article, without any chemical change, but just as it flows from Nature's Great Laboratory! That it contains properties capable of reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arena of nature, which, if known, might be of vast usefulness in alleviating suffering and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constantly and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.
We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the mucous tissues, such as Chronic Bronchitis, Consumption (in its early stage), Asthma, and all diseases of the air passages, Liver Complaint, Dyspepsia, Diarrhoea, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworms, Burns, Scalds, Bruises, Old Sores, &c., &c. In cases of debility resulting from exposure, or long and protracted cases of disease, this medicine will bring relief. It will act as a general Tonic and Alterative in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of Life! The proprietor knows of several cures of Piles that resisted every other treatment, get well under the use of the Petroleum or Rock Oil, for a short time. The proof can be given to any person who desires it.—None genuine without the signature of the proprietor, S. M. KIER, Canal Basin, near 7th st., Pittsburg.

McALISTER'S
ALL-HEALING OINTMENT.
Containing no Mercury or other Mineral, For Tumors, Ulcers, and all kinds of Sores. It has no equal. It is impossible to give the public an adequate idea of the great success which has attended the administration of the All-Healing Ointment for the past three years. It is perfectly astonishing to witness the effects and hear the praises bestowed on this medicine. No one could conceive that a single medicine possessed so much virtue, and had power to heal so many diseases. But since it has been known that tens of thousands have been cured, our friends will begin to realize the truth of our remarks in a former advertisement, viz: that there would not be a single family in America, who would live a day without possessing a box of McAlister's All-Healing Ointment, if they knew its virtues.
Burns.—It is one of the best things in the world for burns. If Mothers and Nurses knew its value in cases of Scalds or Sore Breasts and Sore Nipples, they would always apply it in such cases, if used, according to the directions, it gives relief in a very few hours.
Piles.—Thousands are yearly cured by this Ointment. It never fails in giving relief to the Piles. Rheumatism it removes almost immediately, the inflammation and swelling, and the pain ceases.—Read the directions around the box. Headache.—The salve has cured persons of the headache who had it regularly every week for 12 years, so severe as to cause vomiting.
The following testimonial was given by the celebrated Dr. Wooster Beach, the author of the great Medical work entitled "The American Practice of Medicine and Family Physician."
"Having been made acquainted with the ingredients which compose McAlister's All-Healing Ointment, and having prescribed and tested it in several cases in my private practice, I have no hesitation in saying or certifying that it is a valuable remedy, containing no mineral substances whatever, that its ingredients, combined as they are, and used as directed by the Proprietor, are not only harmless but of great value; and cheerfully recommend it as a compound which has done much good, and which is adapted to the cure of a great variety of cases. Though I have never either recommended or engaged in the sale of secret medicines, regard for the truly honest, conscientious, and humane character of the Proprietor of the Ointment, and the value of his discovery obliges me to say thus much regarding it."
W. BEACH, M. D.
New York April 22d 1846.
Around the box are directions for using McAlister's Ointment for Scrofula, Liver Complaint, Erysipelas, Tetter, Chilblain, Scald Head, Sore Eyes, Sore Throat, Nervous Affections, Pains, Headache, Deafness, Ear-ache, Burns, Sore Lips, Pimples, &c. Rheumatism, Piles, Swelled or Broken Breast, Tooth-ache, Ague in the Face, &c. &c.
This Ointment is good for any part of the body or limbs when inflamed. In some cases it should be applied often.
JAMES McALISTER.
Sole proprietor of the above Medicine.
