WONDER OF WONDERS! PETROLEUM, OR ROCK OIL.

"There are more things in heaven and earth, Than are dreamt of in philosophy."

The virtues of this remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles, with labels and directions, for the benefit of the public.

The Petroleum or Rock Oil is procured from a well in Allegheny county, at a depth of four hundred feet, is a pure unadulterated article, without any chemical change, but just as it flows from Nature's Great Laboratory. That it contains properties capable of reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arena of nature, which, if known, might be of vast usefulness in alleviating suffering and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constantly and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the lungs
