STILL LATER.

Tremendous Riot in New Orleans. New Orleans, August 21.—The editors of the Picayune have received by the Empire City, letters from their regular correspondents at Havana, and other parts of the island.

One letter states, abandoning the field to the Patriots, who are daily increasing.

The Patriots have now entire possession of the country surrounding Puerto Principe.

Gen. Lopez was making efforts to capture the frigate Pizarro on shore off Bahia Honda.

Gen. Lopez advanced to San Diego to cut off the retreat of the Spaniards. The men under Lopez were in high spirits, and they were hourly receiving acquisitions to their force.

The people are rising in many places, and enrolling themselves in the cause of freedom.

Some five hundred men left Havana to join the forces of Gen. Lopez. Fifty of these were made prisoners by the Spaniards. Their fate is easily foretold.

There are now only seven hundred troops in Havana, and the most intense excitement pervades all classes.

There has been a tremendous riot in this city (New Orleans,) growing out of the Cuban Revolution. For the past two or three days business, to a great extent, has been suspended.

The cause of Cuba have been discussed more thoroughly. Our city was never before known to be so much agitated. The excitement of the people knows no bounds. Hundreds of men are pouring in, ready to take part in the Patriot cause in Cuba.

A large body of the Cuban Liberator, composed mostly of Western men, having become exasperated by the tone of the Spanish paper *La Esperanza*, this afternoon, attacked the office, broke the windows and doors, and rushed into the office.

They threw the press, cases of type and furniture into the street. The mob totally destroyed everything belonging to the office. The crowd outside was so dense, and the excitement so great, that the police could not interfere to check the riot.

After the office was demolished, the Liberator's marshaled their legions and proceeded to the sugar store, (kept by a Spaniard,) who has made himself obnoxious to the Patriots, at the corner of St. Charles and Gravier streets, broke the doors and windows, and destroyed all the stock and furniture, which were very valuable.

By this time the crowd had swelled to an immense number, and the cry was raised—"Let's pay a visit to the Spanish Consul!" This was responded to by a tremendous shout. The crowd then moved on to the office of the Spanish Consul, and a scene of the wildest disorder ensued.

The men appeared to have run mad with excitement. They fiercely attacked the house, threw the desks, papers, and furniture of all kinds into the streets. They tore down his sign and marched in triumph with it to the meeting in Lafayette square.

The meeting in the square was one of the largest ever held in this city. The proceedings throughout were characterized by the wildest enthusiasm.

August 22.—The excitement of last night has not gone of its intensity this morning. At an early hour a body of two thousand of the Liberator surrounded the city prison.

This outbreak was caused by the Spanish Consul, who fearing that he would lose his life on the night previous, asked the protection of the American flag, and was placed in the city prison as a place of safety.

The Liberator became clamorous, and demanded that the Spanish Consul should be delivered up to them, or they would demolish the prison.

A force of about fifty policemen are on the ground endeavoring to restore peace.

The sugar shops kept by the Spaniards in different parts of the city, were nearly all destroyed during last night.

The most painful part of the affair remains to be told. The Empire City brought the remains of Crittenden, (nephew of Attorney General Crittenden,) and Capt. Victor Kerr, who were so shamefully murdered by the Spanish Governor, to Havana, to the city. A deep feeling of sympathy pervaded the whole community. Thousands of people endeavored to get a sight of the coffins containing their dead bodies. This gave rise to the sudden outbreak last night.

Minute guns have been fired since sunrise in honor of the murdered Liberator.

The attack on the office of the Spanish Consul was caused by a report (which is undoubtedly true) that he received by the Empire City, letters from some of the murdered Americans, and he refused to give them up when demanded by their friends.

New Orleans, August 23.—The fifty men who were executed at Havana were engaged in a flank movement in conjunction with Gen. Lopez when they were captured by the steamer Habanero.

Gen. Lopez continued victorious at last campaign, and one entire Spanish regiment had joined him.

Cholera Morbus.

READ THE FOLLOWING EXTRAORDINARY CURE. I hereby certify that about two weeks ago I was seized with a violent attack of Vomiting and Purging, (Cholera Morbus,) with very distressing pains in the stomach and bowels, which was completely removed by two tea-spoonful doses of the Petroleum, taken in a little water. After having taken the first dose, I slept soundly and comfortably for three hours.

Symptoms of Disease

Should never be disregarded. They are warning indications that the vital functions of nature have been interrupted in their healthful action, and that serious evils must inevitably follow, unless the system be again set right by the timely use of proper remedies.

Bear in mind, that nature is ever endeavoring to expel disease when it invades the animal economy, and only needs the assistance of some genial restorative—thorough, yet mild in its action—that will give tone to the system, and act upon the blood—which is the principal

GUYSOTT'S YELLOW DOCK AND SARSAPARILLA.

As a purifier of the blood, a renovator of the system, and a supporter and preserver of the powers of life, it has no equal. Take it, on the first indication that disease is upon you, and you will avert perhaps weeks and months of sickness and suffering.

Serofula or King's Evil, Cancer, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm or Tetter, Scald Head, Rheumatism, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum, Disease of the Kidneys, Loss of Appetite, Diseases arising from the use of Mercury, Pain in the sides and shoulders, General Debility, Dropsy, Lumbago, Jaundice, and Constipation.

THE BEST FEMALE MEDICINE KNOWN!

Inspiring consumption, barrenness, leucorrhoea, or whites, irregular menstruation, infirmities of urine, and general gloomy state of mind are cured by Dr. Guyssott's Extract of Yellow Dock and Sarsaparilla, which gives immediate relief by renewing the foundation of health and strength, the blood. It neutralizes bad humors, stops unnatural secretions, and gives healthy action to all the vital powers.

Let all who wish to purge the blood from the impurities contracted from the free indulgence of the appetite during the winter, and to prepare the system to resist summer epidemics, resort to "Dr. Guyssott's Extract of Yellow Dock and Sarsaparilla," which is proving itself an antidote for many of the most malignant diseases that flesh is heir to, and they will never be disappointed; for in this remedy the public faith has never wavered—never can waver; for it is founded on experience, just as their want of faith in other spurious compounds is also founded on experience. They fly from mineral nostrums to seek hope, life and vigor from this purely vegetable remedy; therefore, however broken down in health and spirits, however loathsome to himself and others, let no one despair of recovery; let the patient only understand that his hope of physical restoration lies only in Guyssott's Extract of Yellow Dock and Sarsaparilla, and persuade him, for his life's sake, to try it, and we have no hesitation in predicting his speedy restoration to health.
