Cholera Morbus.

I hereby certify that about two weeks ago I was seized with a violent attack of Vomiting and Purging, (Cholera Morbus), with very distressing pains in the stomach and bowels, which was completely removed by two tea-spoonful doses of the Petroleum, taken in a little water.

On board Steamboat Aviator, Pittsburgh, December 12, 1849.

Symptoms of Disease.

Should never be disregarded. They are menacing indication that the vital functions of nature have been interrupted in their healthful action.

Bear in mind, that nature is ever endeavoring to expel disease when it invades the animal economy, and only needs the assistance of some genial restorative—thorough, yet mild in its action—that will give tone to the system, and set upon the blood—which is the principal of life.

GUYSOTT'S YELLOW DOCK AND SARSAPARILLA.

As a purifier of the blood, a renovator of the system, and a supporter and preserver of the powers of life, it has no equal. Take it, on the first indication that disease is upon you, and you will avert perhaps weeks and months of sickness and suffering.

DIED.

In Cambria township, on Sunday, Aug. 17th, ANNIE, on Friday, Aug. 22nd, Wm. MONTGOMERY, on Sunday, Aug. 24, JOHN TAYLOR, and on Sunday, Aug. 31, THOMAS SCOTT, only children of Robert and Ellen Hughes, aged respectively 7 years, 7 months, 3 and 5 years.

What a melancholy picture the above conveys to our minds. What sad reflections upon reading it. Truly death's shafts fly thick! Within a few days the parents have been bereft of their all. But yesterday they were rich in the possession of four obedient, guileless children; to-day how altered their condition, how sorrowful their hearts.

They rest amid their own native hills, with no dirge but the rude music of the winds, and the Jews of heaven will moisten their graves. A charitable community deeply sympathize with the parents in the loss they have sustained.

For them no more the blazing hearth shall burn, nor father, nor mother more shall they behold, nor sacred home. They rest amid their own native hills, with no dirge but the rude music of the winds, and the Jews of heaven will moisten their graves.

For such is the kingdom of heaven." It is well to "Weep not for those Who sink within the arms of death, Ere yet the chilling wintry breath Of sorrow o'er them blows."

DR. GUYSOTT'S IMPROVED EXTRACT OF YELLOW DOCK AND SARSAPARILLA.

IS now put up in the largest sized bottles, and is acknowledged to be the best sarsaparilla has performed, the original copies of which are in the possession of the proprietor. Remember, this is the only true and original article. This medicine, when used according to directions, WILL CURE WITHOUT FAIL.

Sore Throat, Ringworm or Tetter, Scald Head, Rheumatism, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Glands, Syphilis, Itchiness, Salt Rheum, Disease of the Kidneys, Loss of Appetite, Diseases arising from the use of Mercury, Pains in the sides and shoulders, General Debility, Dropsy, Lumbago, Jaundice, and Costiveness.

THE BEST FEMALE MEDICINE KNOWN!

Insipid consumption, barrenness, leucorrhoea, or Whites, irregular menstruation, incontinence of urine, and general gloomy state of mind are cured by Dr. Guyssott's Extract of Yellow Dock and Sarsaparilla, which gives immediate relief by renewing the foundation of health and strength, the blood, it neutralizes bad humors, stops unnatural secretions, and gives healthy action to all the vital powers.

Let all who wish to purge the blood from the impurities contracted from the free indulgence of the appetite during the winter, and to prepare the system to resist summer epidemics, resort now to "Dr. Guyssott's Extract of Yellow Dock and Sarsaparilla," which is proving itself an antidote for many of the most malignant diseases that flesh is heir to, and they will never be disappointed, for in this remedy it has effected what has never wavered—never can waver; for it is founded on experience, just as their want of faith in other spurious compounds is also founded on experience. They fly from mineral nostrums to seek hope, life and vigor from this purely vegetable remedy; therefore, however, broken down in health and spirits, however, loathsome to himself and others, let no one despair of recovery; let the patient only understand that his hope of physical restoration lies only in Guyssott's Extract of Yellow Dock and Sarsaparilla, and persuade him, for his life's sake, to try it, and we have no hesitation in predicting his speedy restoration to health.
