THE "SENTINEL," has much the largest circulation of any paper published in this county— and as an advertising sheet offers superior inducsments to merchants and business men generally. Those desirous of making use of this medium for extending their business, can do so by either sending their notices direct, or through the following agents.

Hon. Linn Boyd, M. C. from Kentucky was in town last week several days. He was in the enjoyment of excellent health and left for Washington on Saturday. Congress meets on Monday and it is not unlikely that he will be clected Speaker. His competitors are Hon. T H. Bayley, of Virginia; Hon. Geo. W. Jones, of Tennessee; Gen. Richardson, of Illinois, and Hon. D. T. Disney, of Ohio.

Samuel Fegely, Esq.

The death of Samuel Fegely, Esq., is announced under the obituary notice, in the last Reading Gazette, which speaks of him as fol lows: "He died at his residence in Greenwich township, on the 4th inst., from the effects of a disease with which he had long been afflicted. Mr. Fegely was a member of the State Legislature from this county, for one term as Senator, and for several years as Representative; and throughout his public career was a uniform and conscientious supporter of Democratic principles and measures, and a faithful adherent to the will of his constituents in all things."

Fatal Accident.

On Saturday night last, about eleven o'clock Mr. Francis Keech, who boarded at Col. Lawson's Hotel at the foot of Plane No. 2, left the bar room with the intention of going to bed and from what we can learn, he must have gone into his room, which is on the third story, and taken off his boots, and in the act of returning down stairs he fell over the balusters and was precipitated to the ground floor, a distance of about twenty-five feet, falling on his head. The noise of the fall alarmed the house and those who were not abed rushed to the spot and conveyed him to a settee in the parlour. He had a large gash in his forehead and on the back part of his head. He lingered until five o'clock on Sunday morning, and during that time never spoke. He was aged about thirty years; a fine looking, amiable and good hearted young man, whose loss is sudden and sad to his mother and a number of brothers

The Harrisburg Keystone of the 4th instant contains an editorial in which it boldly alleges that, "in 1848, Gov. Shunk was opposed to Mr. Buchanan for the Presidency"-and that, "were the lamented Shunk and Miller now living they would be found among the most active friends of Gen. Cass, and uncompromising opponents of Mr. Buchanan."

In answer to which the Bedford Gazette publishes the following letter, written by the lamented Shunk to the editor of that paper:-
