**WHO WANTS BARGAINS?**  
**EVANS & HUGHES,**

Have just received from Philadelphia at their clothing store in Ebsensburg, a large assortment of

**FALL AND WINTER CLOTHING,**  
among which may be enumerated a fine lot of cloth, dress, sack and business coats of the best quality and most approved style; beaver, felt, and blanket overcoats of all sizes; a large lot of satin and cassimere pantaloons of various colors and qualities; and a splendid assortment of silk, satin, cassimere, plain and fancy vests, together with every variety of boys' clothing.

fine and coarse shirtings, handkerchiefs, silk shirts, stocks, umbrellas, and a large assortment of superior hats, caps, &c., all of which they will dispose of on the most reasonable terms. They have also on hand a large stock of cloths, cassimeres and vestings, which they are prepared to make up in the most workmanlike manner, and on the most accommodating terms for cash or approved country produce. The entire stock of clothing is made up according to the latest fashions.

Having selected their goods with great care and purchased on the lowest cash terms, they are prepared to accommodate their friends and customers with clothing of a superior quality and at lower prices than goods of a similar quality were ever sold in this county.

The public are respectfully invited to call and examine their goods.  
November 1, 1851.

## SOMETHING NEW.

We call the attention of our friends and the public generally to our  
**FALL AND WINTER DRY GOODS,**  
Hardware, Queensware, Boots, Shoes, Groceries, &c.

Our dry goods consist of the usual assortment of cloths, cassimeres, satinetts, alpaccas, merinos, &c., and we call the attention of the ladies in particular to our stock of fancy alpaccas, moiré lustrés, scarlet cassimere, plaid poplin, figured do., sea-green, scarlet, cherry cloth, French, all wool, merino. Also, Corino, cloth, and English merinos, of same colors.

**SILKS: SILKS.**  
We have also a good assortment of plain and figured silks, which will be sold as low as they can be bought at retail in any of the Eastern cities, consisting of glacé satin chien, poult de roi, gro de Rhine, ottoman de velour, plain lustré, black Italian boiled silks, together with shawls, Bay State, printed, long, English, French, &c., &c.

**HATS & CAPS.**  
A full assortment of men's and boys' silk, plush, cloth and fur caps and hats, of the latest styles in the greatest variety, and bound to please all purchasers.

**BOOTS & SHOES.**  
We have a very large assortment of all kinds of ladies' boots and slippers; gent's fine calf and kip boots, and lace and calf boots, and railroad brogans, which last article we will insure to wear nine months. We will sell a very good article of heavy boots for \$1.75 a pair; heavy shoes at 75 cents to \$1.50.

**GROCERIES:**  
Lower than they were sold here before. We have a lot of good common molasses, in 5 and 10 gallon kegs, which will be sold very cheap; N. O. sugar; Cuba and syrup molasses. Nos. 1, 2, and 3 mackerel, in half barrels, very low. Coffee we will sell at an advance of three-quarters of a cent per pound on cost, in selling by the bag. As we are doing business on nearly cash principles, we hope to sell as cheap as any person, if not cheaper. We therefore hope that all our friends, and every body else, who wish to get the worth of their money, will call on us.

The ladies will find an assortment of Dress Goods of the Best Quality, Fashion and Style.  
The trimmings we had selected by a lady in the city, and know them to be the very latest fashion. We have a few made-up silk-bonnets, "bonnets who are bonnets," for beauty and durability. But it is impossible to mention all the articles that are new and cheap; all we ask is—come and see.

## NEW ARRANGEMENT.

We have come to the determination to sell goods at cash prices, without putting on any extra profit as an offset for bad debts. Any person dealing with us on credit, will receive a pass-book, except when we have a different understanding, and will expect all accounts to be settled by payment or note at the end of six months, and these terms will be rigidly adhered to. By doing business in this manner, we hope to sell more goods, and at cheaper rates. To those who purchase for cash we will always make a difference of six per cent. except flour and bacon, which must always be net cash, without credit to any one.

JOHN IVORY & SON,  
Summit, November 20, 1851.

## WONDER OF WONDERS!

## PETROLEUM, OR ROCK OIL.

"There are more things in heaven and earth, Than are dreamt of in philosophy."  
The virtues of this remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles, with labels and directions, for the benefit of the public.

The Petroleum or Rock Oil is procured from a well in Allegheny county, at a depth of four hundred feet, is a pure undiluted article, without any chemical change, but just as it flows from Nature's Great Laboratory! That it contains properties capable of reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arena of nature, which, if known, might be of vast usefulness in alleviating suffering and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constantly and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the mucous tissues, such as Chronic Bronchitis, Consumption (in its early stage,) Asthma, and all diseases of the air passages, Liver Complaint, Dyspepsia, Diarrhoea, Diseases of the Bladder and Kidneys, Pain in the Back or Side, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworms, Burns, Scalds, Bruises, Old Sores, &c., &c. In cases of debility resulting from exposure, or long and protracted cases of disease, this medicine will bring relief. It will act as a general Tonic and Alterative in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of Life! The proprietor knows of several cures of Piles that resisted every other treatment, get well under the use of the Petroleum or Rock Oil, for a short time. The proof can be given to any person who desires it.

None genuine without the signature of the proprietor, S. M. KIER, Canal Basin, near 7th st., Pittsburg.  
F. Kittell, agent, Ebsensburg, Pennsylvania.
