## Balsam of Will Cherry

WISTAR'S

BALSAM OF WILD CHERRY. THE BEST REMEDY EVER KNOWN

To man for Coughs, Asthma, Colds Croup, Bronchitis, Influenza, Bleeding of the Lungs, Difficulty of Breathing, Liver Affections, Pain or weakness of the Breast or Side, First stages of Consumption, &c. In short this Balsam is peculiarly adapted to every disease of the Lungs and Liver. which is produced in our ever-varying climate.

WILD CHERRY has long been known to possess important medicinal properties. This fact is familiar to every matron in our land, and physicians often prescribe it in different forms for a variety of complaints. Tar, also, has been equally noted for its virtues; and some physicians, whose names are familiar to the whole country, have gone so far as to declare that even CONSUMP-TION could be cured by that alone. In other hands, again, it was nearly valueless, owing, no doubt, to their ignorance in preparing and administering it-a difficulty now entirely obviated

by patient experiment and long experience. The extraordinary medicinal powers of these two substances are now, for the first time combined and embedied in Dr. Wister's Balsam of Wild Cherry. By a nice chemical process, everything deleterious or useless is rejected, so that what remains is the most extraordinary and truly efficacious remedy for all kinds of pulmonary and liver diseases ever known to man. To convince all unbelievers that our theory is really true, we refer to a few cases of cures performed by this

wonderful medicine: ANOTHER ASTONISHING CURE!

E. Kalb, a highly respectable merchant of Importers and dealers in Foreign and Domestic Rushville, Fairfield county, Ohio, sent us the HARDWARE and CUTLERY, No. 124 North following voluntary tribute to

"DR. WISTAE'S BALSAM OF WILD CHERRY." Rushville, Fairfield co., O. April 6, 1851. Mr. J. D. Park-Dear Sir :- I wish to state to you that my daughter, Amanda, aged sixteen years, had, about a year since, a very severe attack of measles, which reduced her very much. and left her with a racking cough. I employed all of the physicians within our reach for the purpose of removing her cough, but without success. She appeared to be sinking into a de-

cline, with every symptom of consumption.

I then tried Dr. "Rogers' Liverwort and Tar." But this aggravated her cough, and gave her symtoms of a still more malignant character. I was now most seriously alarmed, and it was with trembling fear that I from day to day, saw the progress of that insatiable disease, consumption. I really despaired of my daughter's recovery. But I providentially saw the certificate of Jonathan Coulson, whose daughter, "Sarah Jane," was cured of consumption by "Wistar's Balsam of Wild Cherry;" this created a faint hope that it might help my daughter, and I immediately commenced using it, and it almost instantly gave relief, her health was improved from the first bottle, and by the use of two bottles of "Wistar's Balsam of Wild Cherry," she was restored to perfect health, and she is not now at all predisposed to a cough.

I will say to all that are afflicted with any disease tending to consumption. do not despair, for Dr. Wistar's Balsam of Wild Cherry will cure you, if you will but try it. E KALB.
