The Lancaster Intelligencer publishes a correct table of the Delegates to the 4th of March Convention, so far as they have yet been elected in the State. A full Convention consists of 133 Delegates and 67 constitutes a majority. Already there are 76 instructed for Mr. Buchanan, 13 for Cass, and 9 uninstructed. There are 35 yet to elect, of which it is supposed a large majority will be instructed for Mr. Buchanan.
