**SOMETHING NEW.**  
We call the attention of our friends and the public generally to our  
**FALL AND WINTER DRY GOODS,**  
Hardware, Queensware, Boots, Shoes, Groceries, &c.  
Our dry goods consist of the usual assortment of cloths, cassimeres, satinets, alpaccas, merinos, &c., and we call the attention of the ladies in particular to our stock of fancy alpaccas, mohair lusters, scarlet cassimere, plaid poplin, figured do., sackings, flannels, silk veils, Thibet cloths and black, brown, green, scarlet, cherry colored, French, all wool, merino. Also, Coburg cloth and English merinos, of same colors.  
**SILKS: SILKS.**  
We have also a good assortment of plain and figured silks, which will be sold as low as they can be bought at retail in any of the Eastern cities, consisting of glacé satin, tulle, poult de soie, de soie, ottoman de couleur, plain lustré, black tulle, black and white madras, very low. Bay State, printed, long, English, French, &c., &c.  
**HATS & CAPS.**  
A full assortment of men's and boys' silk, plush, cloth and fur caps and hats, of the latest styles in the greatest variety, and bound to please all purchasers.  
**BOOTS & SHOES.**  
We have a very large assortment of all kinds of ladies' boots and slippers; gent's fine calf and kip boots, and heavy kip and calf boots, and railroad leggins, which last article we will insure to wear nine months. We will sell a very good article of heavy boots for \$1.75 a pair; heavy shoes at 75 cents to \$1.50.  
**GROCERIES:**  
Lower than they ever were sold here before. We have a lot of good common molasses, in 5 and 10 gallon kegs, which will be sold very cheap; N. O. sugar, Cuba and sugar molasses, Nos. 1, 2, and 3 mackerel, in half barrels, very low. Coffee we will sell at an advance of three quarters of a cent per pound on cost, in sealing by the bag. As we are doing business on nearly cash principles, we hope to sell as cheap as any person, if not cheaper. We therefore hope that all our friends, and every body else, who wish to get the worth of their money, will call on us.  
The ladies will find an assortment of Dress Goods of the Best Quality, Fashion and Style.  
The trimmings we had selected by a lady in the city, and know them to be the very latest fashions. We have a few beautiful silk-bonnets, "bonnets which are bonnets," for beauty and durability. But it is impossible to mention all the articles that are new and cheap; all we ask is—come and see.

**NEW ARRANGEMENT.**  
We have come to the determination to sell goods at cash prices, without putting on any extra profit as an offset for bad debts. Any person dealing with us on credit, will receive a pass-book, except when we have a different understanding, and will expect all accounts to be settled by payment or note at the end of six months, and these terms will be rigidly adhered to. By doing business in this manner, we hope to sell more goods, and at cheaper rates. To those who purchase for cash we will always make a difference of six per cent, except flour and bacon, which must always be paid cash, without credit to any one.

**WONDER OF WONDERS!**  
**PETROLEUM, OR ROCK OIL.**  
There are more things in heaven and earth, Than are dreamt of in philosophy.  
The virtues of this remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles, with labels and directions, for the benefit of the public.  
The Petroleum or Rock Oil is procured from a well in Allegheny county, at a depth of four hundred feet, is a pure unadulterated article, without any chemical change, but just as it flows from Nature's Great Laboratory! That it contains properties capable of reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arena of nature, which, if known, might be of vast usefulness in alleviating suffering and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constantly and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.  
We do not wish to make a long parade of certificates, as we are confident that the medicine can soon work its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the mucous tissues, such as Chronic Bronchitis, Consumption (in its early stage), Asthma, and all diseases of the air passages, Liver Complaints, Dyspepsia, Diarrhoea, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Tooth, Gout, Pysoplasia, Tetter, Ringworms, Burns, Scalds, Bruises, Old Sores, &c., &c. In cases of debility resulting from exposure, or long and protracted courses of disease, this medicine will bring relief. It will act as a general Tonic and Alterative in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of Life! The proprietor knows of several cures of Typhoid fever, which he has treated, get well under the use of the Petroleum or Rock Oil, for a short time. The proof can be given to any person who desires it. None genuine without the signature of the proprietor, S. M. KIER, Canal Basin, near 7th st., Pittsburg.  
F. Kittell, agent, Ebensburg, Pennsylvania. May 8, 1851.

Each Pupil must come provided with a sufficient supply of Summer and Winter Clothing, Shirts, six Pairs of Handkerchiefs, six pairs of Stockings, four pairs of Socks, six Towels, and three pairs of Boots or Shoes, six Towels. The healthy location of this Establishment, together with the picturesque scenery—the varied and extensive prospect all around, is beneficial to youthful minds—must render it a desirable place of Education.  
The attention of the Brothers to the Intellectual, Moral and Religious Culture of Boys entrusted to their care, will be unremitting; and to render that attention effective, the discipline will be exact, yet mild and paternal. A full yearly account of the health, conduct, and literary progress of each Pupil, will be transmitted to his parent or Guardian. **Dr. Hunter will forfeit \$50,** if failing to cure any case of secret disease that may come under his care, no matter how long standing or affliction. Either Sex are invited to his Private Room, 38 North Seventh Street, Philadelphia, without fear of interruption by other patients. Strangers and others who have been unfortunate in the selection of a physician are invited to call. Those who have injured themselves by solitary vice are also invited.  
Read and Reflect.—The afflicted would do well to reflect before trusting their health, happiness, and in many cases their lives, in the hands of physicians ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to. Every respectable physician has his peculiar branch, in which he is more successful than his brother professors, and to that he devotes most of his time and study.  
Years of Practice, exclusively devoted to the study and treatment of diseases of the sexual organs, together with ulcers upon the body, throat, nose or legs, pains in the head or bones, muscular rheumatism, strictures, gravel, irregularities, disease arising from youthful excesses or impurities of the blood, whereby the constitution has become enfeebled, enables the Doctor to offer Speedy Relief to all who may place themselves under his care.
