**NEW ARRANGEMENT.**

We have come to the determination to sell goods at cash prices, without putting on any extra profit as an offset for bad debts. Any person dealing with us on credit, will receive a pass-book, except when we have a different understanding, and will expect all accounts to be settled by payment or note at the end of six months, and these terms will be rigidly adhered to. By doing business in this manner, we hope to sell more goods, and at cheaper rates. To those who purchase for cash we will always make a difference of six per cent., except flour and bacon, which must always be net cash, without credit to any one.

JOHN IVORY & SON.  
Summit, November 20, 1851.

**This is not Insan!**

We want money, particularly that which has been due for some time. Will those indebted to us please call and settle their accounts during this month and pay us all they can. Our books must be settled, and until they are, we must positively refuse to add any thing more to long standing accounts. Experience proves that in doing a credit business, if you leave accounts run over six months or a year, that there is difficulty in settling.

The books of the former firms of J. Ivory and J. Ivory & Co. will be left in the hands of an officer for collection by the 1st April, if those indebted do not call and pay their accounts by that time.

**WONDER OF WONDERS!**

**PETROLEUM, OR ROCK OIL.**

"There are more things in heaven and earth, Than are dreamt of in philosophy."

The virtues of this remarkable remedy, and the constant application for it, the proprietor has induced him to have it put up in bottles, with labels and directions, for the benefit of the public.

The Petroleum or Rock Oil is procured from a well in Allegheny county, at a depth of four hundred feet, is a pure unadulterated article, without any chemical change, but just as it flows from Nature's Great Laboratory! That it contains properties capable of reaching a number of diseases, is no longer a matter of uncertainty.

There are many things in the arena of nature, which, if known, might be of vast usefulness in alleviating suffering and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constantly and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of chronic diseases it is unrivaled. Among these may be enumerated—all diseases of the mucous tissues, such as Chronic Bronchitis, Consumption (in its early stage), Asthma, and all diseases of the air passages, Liver Complaint, Dyspepsia, Diarrhoea, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworms, Burns, Scalds, Bruises, Old Sores, &c., &c. In cases of indolence resulting from exposure, or long and protracted cases of disease, this medicine will bring relief. It will act as a general Tonic and Alterative in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, and giving increased and renewed energy to all the organs of Life! The proprietor knows of several cures of Piles that resisted every other treatment, get well under the use of the Petroleum or Rock Oil, for a short time. The proof can be given to any person who desires it.—None genuine without the signature of the proprietor, S. KIER, and Paris, near 1st St., Pittsburgh.
