NEW ARRANGEMENT.
We have come to the determination to sell goods at cash prices, without putting on any extra profit as an offset for bad debts. Any person dealing with us on credit, will receive a pass-book, except when we have a different understanding, and will expect all accounts to be settled by payment or note at the end of six months, and these terms will be rigidly adhered to. By doing business in this manner, we hope to sell more goods, and at cheaper rates. To those who purchase for cash we will always make a difference of six per cent., except flour and bacon, which must always be net cash, without credit to any one.
JOHN IVORY & SON.
Summit, November 20, 1851.

This is not infam!
We want money, particularly that which has been due for some time. Will those indebted to us please call and settle their accounts during this month and pay us all they can. Our books must be settled, and until they are, we must positively refuse to add any thing more to long standing accounts. Experience proves that in doing a credit business, if you leave accounts run over six months or a year, that there is difficulty in settling.
The books of the former firms of J. Ivory and J. Ivory & Co., will be left in the hands of an officer for collection by the 1st April, if those indebted do not call and pay their accounts by that time.
