NEW ARRANGEMENT. We have come to the determination to sell goods at cash prices, without putting on any extra profit as an offset for bad debts. Any person dealing with us on credit, will receive a pass-book, except when we have a different understanding, and will expect all accounts to be settled by payment or note at the end of six months, and these terms will be rigidly adhered to. Read! Read! What Kier's PETROLEUM, OR ROCK OIL, HAS BEEN DOING. A Natural remedy! procured from a well in Allegheny County, Pa. Four hundred feet below the Earth's surface! Put up and sold by Samuel M. Kier, Canal Basin, Seventh st., Pittsburgh Pa. The healthful halo from Nature's secret spring, The bloom of health, and life, to man will bring; As from her depths the magic liquid flows, To calm our sufferings, and assuage our woes.

A Most Remarkable Case of Total Blindness Cured by Petroleum. We invite the attention of the afflicted, and the public generally, to the certificate of William Hall, of this city. The case may be seen by any person who may be skeptical in relation to the facts there set forth. S. M. KIER. "I had been afflicted several years with a soreness of both eyes, which continued to increase until last September, (1850,) the inflammation at that time having involved the whole lining membrane of both eyes, and ended in a deposit of a thick film, which wholly destroyed my sight. I had an operation performed, and the thickening removed, which soon returned and left me in as bad a condition as before. At this stage of the complaint, I made application to several of the most eminent medical men, who informed me that "my eyes would never get well." At this time I could not distinguish any object. By the advice of some friends, I commenced the use of the Petroleum, both internally and locally, under which my eyes have improved daily until the present time, and I have recovered my sight entirely. My general health was very much improved by the Petroleum, and I attribute the restoration of my sight to its use. I reside at No. 102 Second Street, in this city, and will be happy to give any information in relation to my case. WILLIAM HALL." Pittsburgh, Sept. 17, 1851.

Another Letter recommending the Petroleum. NEWVILLE, Cumberland Co. Pa. MR. KIER: Dear Sir—Having been appointed by your travelling agent, when along last, agents for the sale of your Petroleum, and fearing it might not sell rapidly, inasmuch as so much worthless trash is sold by travelling agents, we only took two boxes from him, which has all been sold. Finding it to sell quite readily and actually to answer the various purposes for which it has been recommended, we thought we would order of you about four boxes more, as there is still a great demand for it. * * * In regard to the efficacy of your Petroleum, we might add, that in every instance, without exception, where it has been tried, it was found to give immediate relief, particularly for pains in the limbs, back, &c., resulting from Bilious Intermittent Fever, which prevailed in this section to a very great extent, and invariably was followed by pain and swelling in the limbs. Your Petroleum, in these cases, (without exception,) was found to give immediate relief. Yours most respectfully, GILMORE & STOUGH.

A Bad Case of Inflammatory Rheumatism. The following extracts are from a letter received from a young gentleman of Middleburg, Summit County, Ohio. They are attested by Charles Belden and Dr. Elijah Curtis, of that place. MR. KIER: Dear Sir—Gratitude compels me to express my thanks for the discovery of your invaluable medicine. I was afflicted with that awful and disheartening disease, the Inflammatory Rheumatism, on the 21st of September last, whilst I was in Cleveland; and was brought home from that place to Middleburg, where I lay on my back for over two months. For three weeks of this time, I was in the most intense suffering and agony. I lay with my limbs in one position, and could not stir a muscle, nor have my bed changed. My screams could be heard all over the neighborhood, so intense was my suffering. When every other remedy proved valueless, I had recourse to your invaluable Petroleum, of which I had made but three applications, until I commenced to get better. I used altogether but two bottles and a half, and am now well. I can get any number of persons to testify to the above facts, if necessary. FREDERICK H. BLECKER. For Sale by F. KETTLER, Ebensburg, Pa. DUFF'S MERCANTILE COLLEGE. Pittsburgh, Pa. Established in 1840. Now incorporated by the Legislature of Pennsylvania with Collegiate Powers and Privileges. President, P. This is not in fun! We want money, particularly for those which have been due for some time. Will these indebted to us please call and settle their accounts during this month and pay us all they can. Our books must be settled, and until they are, we must positively refuse to add any thing more to long standing accounts. Experience proves that in doing a credit business, if you leave accounts in your hands for six months or a year, that there is difficulty in settling. The books of the former firms of J. Ivory and J. Ivory & Co., will be left in the hands of an officer for collection by the 1st of April, if those indebted do not call and pay their accounts by that time. JOHN IVORY & SON. Summit, March 11, 1852-14.

Commission and Forwarding. After the 15th inst. we will be obliged to pay Penna. Railroad Co. freight on the delivery of merchandise; therefore, persons receiving goods by that line will pay us the freight before the goods are taken away. The same rule will be observed with canal freight when we have to pay on delivery. Bills lading should always be furnished us to avoid losses of packages. Hereafter we will charge the following commissions: 34 cents per 100 lbs., on all goods left in our care on side track; 5 cents per 100 lbs. when we handle or store goods, or check them off and receipt for them. Goods remaining in warehouse over ten days will pay extra storage. On all freight not paid when goods are taken away, we will charge three per cent. for collecting. All outstanding amounts due to us as freights we would like to have paid immediately. J. IVORY & SON. Summit, March 11, 1852.

Either Sex are invited to his Private Room, 38 North Seventh street, Philadelphia, without fear of interruption by other patients. Strangers and others who have been unfortunate in the selection of a physician are invited to call. Those who have injured themselves by solitary vice are also invited. Read and Reflect.—The afflicted would do well to reflect before trusting their health, happiness, and in many cases their lives, in the hands of physicians, ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to. Every respectable physician has his peculiar branch, in which he is more successful than his brother professors, and to that he devotes most of his time and study. Years of Practice, exclusively devoted to the study and treatment of diseases of the sexual organs, together with ulcers upon the body, throat, nose or legs, pains in the head or bones, mercurial rheumatism, strictures, gravel, irregularities, disease arising from youthful excesses or impurities of the blood, whereby the constitution has become enfeebled, enables the Doctor to offer Speedy Relief to all who may place themselves under his care. THE Great British Quarterly and BLACKWOOD'S MAGAZINE. Important Reduction in the rates of Postage LEONARD SCOTT & CO., No. 54 GOLD STREET, NEW YORK. Continue to publish the following British Periodicals, viz: THE LONDON QUARTERLY REVIEW (Conservative), THE EDINBURGH REVIEW (Whig), THE NORTH BRITISH REVIEW (Free Church), THE WESTMINSTER REVIEW (Liberal), AND BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

These Reprints have now been in successful operation in this country for twenty years, and their circulation is constantly on the increase notwithstanding the competition they encounter from American periodicals of a similar class and of similar price. The fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption. Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their literary character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. Blackwood, still under the masterly guidance of Christopher North, maintains his eminent celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that magazine, and first appearing in its columns both in Great Britain and in the United States. Such works as "The Cartoons" and "My New Novel" (both by Bulwer), "My Peninsular Medal," "The Greenland," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted after it has been issued by Mess. Scott & Co., and that subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.
