

FROM OUR EXCHANGES.

Kate Hays, has been quite successful in her concert at Chicago and Milwaukee.

Only two editors of the London daily papers are Englishmen, namely—Delaine, editor of the Times, and Hunt, the editor of the Daily News.

The Milwaukie News says that a Whig mass meeting held in that city on the 23d inst., refused to adopt the resolutions of the Whig National Convention, but laid them on the table by a large majority, and adjourned without passing any resolutions.

Hon. Daniel Webster is recommended in the Boston Mail as the Whig candidate for Gov. of Massachusetts.

A citizen in Montgomery county, now in his one hundred and ninth year, and who has for the past two years (says the Dayton Item), been deprived of the power of speech, was lately by some accident thrown upon his head, receiving a severe injury, but strange to say, he has since been able to converse as fluently as at any period of his life.

A Mr. Warren Stagg, of Cincinnati, is about to present a cask of sugar cured hams to Queen Victoria. Are there no poor people about Cincinnati, to whom Mr. Stagg could present a cask of hams?

The editor of the Cincinnati Sun says, he saw a woman in the streets of that city, recently, whose cheeks were adorned with a luxurious pair of whiskers. They were none of your artificial, but nature's own work.

There was a full moon on the 1st of July, and there will be another on the 31st—a circumstance that has not occurred since 1776 when there was a full moon on the 1st and on the 30th.

NOT THAT GENTLEMAN.—Some of our West-erners are announcing the name of the Whig nominee for Vice President as John C. Graham. They have the wrong man. It should be Wm. A. Graham. Western people do not pay much attention to leaders.

Hon. Frank Pierce delivered an eloquent eulogium on the character and public services of Mr. Clay, at Concord, N. H., on Friday last.

Charles P. Wilkins, Esq., formerly from Pittsburg, was chosen City Attorney of Sonoma, California, on the 3d ult.

Another Yankee Yacht has been victorious in a British Yacht race at Birkenhead lately. It was the sloop Truant of 34 tons, taken over for the purpose by Mr. Grinnell, of New York. She beat three model yachts with the greatest ease.

Count d'Orsay is dying. He has been ordered by his physicians to Dieppe, for the benefit of sea bathing; but little hopes are entertained of his recovery.

The proprietor of the Galt House, at Louisville, a few days ago, received an invoice of 700,000 tooth-picks from Rio.

Augustus Drum, Esq., will now without doubt, receive the nomination for Congress, for the district composed of the counties of Westmoreland, Indiana & Armstrong—all the counties in the district having instructed their conferees to support him.

Madame Goldschmidt has transmitted £10,000 to the Swedish government, for the erection of schools in destitute districts.

OF COURSE.—Scott and Graham is the name of a firm at Hollidaysburg, and what is most singular they are both for Pierce and King.

The produce of gold for 1852 is estimated at 242 tons, which, although twelve times the quantity produced at the commencement of the century, as respects bulk, sinks into perfect insignificance; for, if cast in bars, a closet nine feet high, eight feet wide, and eight feet deep, would hold it all, 21,713 times the space would be required to hold all the iron melted in Great Britain annually.

One hundred barrels of eggs were shipped from New Orleans, by the Empire City, on her last trip to New York. Cincinnati eggs traveling to New Orleans, fifteen hundred miles, over the Gulf of Mexico and up the Atlantic, fifteen hundred more, to New York, thence to be shipped three thousand miles farther to Europe, one of the wonders of modern commerce.

The Catholic College of the Holy Cross, near Worcester Massachusetts was destroyed on Tuesday last, by fire. A portion of the books of the library only were saved, and the loss, in building and furniture, is estimated at from \$40,000 to \$50,000.

The number of persons in the funeral procession of Mr. Clay, in Lexington, on Saturday last, was estimated at 40,000 and the carriages, if placed in a line, would have extended twenty-five miles. All honor to the departed sage.

"Leon," the Washington correspondent of the Baltimore Patriot, says it is currently rumored that Mr. Webster and Mr. Corwin will resign together. All this trouble is doubtless stirred up by the perturbed spirit of old Mr. Galpin!

The West Chester Village Record states that the Hon. Thomas S. Bell will be a candidate for Judge of the Supreme Court, before the Democratic Convention, which is shortly to assemble, to place in nomination a successor to Judge Coulter, deceased. Judge Woodward was appointed by Gov. Bigler, and will hold until his successor is elected.

Muggins says he never tried bark but once, and then it was so mixed with biter that it was questionable whether it did him much good. It was recommended by a gardner as a cure for a depraved appetite for other people's cherries.

MONUMENT TO HENRY CLAY.—The citizens of Lexington, Ky., have appointed a large committee to take the necessary steps to have erected in the cemetery, at that place, a national monument, of colossal proportions, to the memory of Henry Clay. A history of all the great events of his life is to be inscribed on the monument.

STATE MASS MEETING AT READING.—The Democratic State Central Committee have fixed upon Reading, as the place for holding a State Mass Meeting of the Democracy, and appointed a committee to make the proper arrangements. The time has not been agreed on, but will be duly announced. There will, doubtless, be a great gathering, on the occasion, of the good men and true from all parts of the State, and more especially from the Eastern counties.

We would suggest to the Committee, the policy and propriety of designating points of the Western and Northern parts of the State, for similar meetings.

A western editor, who heard Ole Bull at his last concert in the Melodeon, says that "his execution was the most sublime concussion of horsehair against catgut that he ever listened to, and that it would make even a grizzly bear hug his worst enemy to his excited bosom."

The papers in various parts of the country continue to chronicle deaths from the effects of the heat.

THE COLLINS STEAMERS.—The compensation granted by Congress to this line of Steamers for twenty-six trips (to Liverpool and back) per annum, is \$33,000 per trip, making \$858,000 per annum, instead of \$385,000 as hitherto received. Congress has reserved the power at any time after the 31st of December, 1854, to terminate the arrangement for the additional allowance, upon giving six months notice.

SUCCESSOR TO HENRY CLAY.—The Frankfort Yeoman of the 8th contained the following announcement:

David Meriwether, to be Senator in Congress, until the first Monday of September next, in place of Henry Clay, deceased.

Mr. Webster contemplates proceeding, in August to St. John, New Brunswick, and will continue his tour through that province by the line of the proposed rail road from Portland to the Gulf of St. Lawrence. Measures are in progress for placing at his disposal the Queen's steam frigate Devastation, which has been ordered to Prince Edward Island, for the protection of the fisheries in that quarter. In this vessel he will have an opportunity of cruising for a short time for the benefit of his health and the vessel will carry him to Quebec, should he wish it.

DEATH OF COL. JOHN W. TIBBATS.—Died, at Newport, Kentucky, on Monday last, Colonel John W. Tibbats, in the 51st year of his age.—Colonel Tibbats was a native of Lexington, there read law under Judge Barry, and was admitted to the bar. He has represented his district in Congress, and served creditably as a field officer in the Mexican war. He married a daughter of the late General James Taylor of Newport, who, with a family, survives her husband.—Cin. Gazette 1th inst.

An Irishman called on a lady and gentleman, in whose employ he was, for the purpose of getting some tea and tobacco.

"I had a drama last night, your honor," said he to the gentleman.

"What was it, Pat?"

"Why, I dramed that yer honor made me a present of a plug of tobacco, and yer ladyship there—heaven bless her!—gave me some tay for the good wife."

"Ah, Pat, dreams go by contraries, you know."

"Faith, and they may do that," said Pat without the least hesitation, "so her ladyship is to give the tobacco and his honor the tay!"

The Montreal Fire.

It is understood that the total number of buildings destroyed by the late conflagration in Montreal is from 1,200 to 1,500, including chiefly those occupied by the poorer classes, in the suburbs of the city. Quebec suburb is almost entirely destroyed.

It is estimated that nearly 5,000 persons have been rendered homeless by the calamity. The loss is variously estimated at from \$3,000,000 to \$4,000,000. The fire originated in a cake shop.

POISONING.—Thousands of parents who use Vermifuge composed of Castor oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundations for a series of diseases, such as salivation, loss of sight, weakness of limbs, &c.

In another column will be found the advertisement of Hobensack's Medicines, to which we ask the attention of all directly interested in their own as well as their Children's health. In Liver Complaints and all disorders arising from those of a bilious type, should make use of the only genuine medicine, Hobensack's Liver Pills.

"Benot deceived," but ask for Hobensack's Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. Hobensack, as none else are genuine.

DIED.] At his residence in Huntingdon, Pa., on Monday evening, July 12th, WILLIAM H. PEIGHTEL, Esq., late the editor of the Huntingdon Journal.
