

POLITICAL SQUIBS.

Dr. Bell, of Somerville, Mass., a delegate to the whig national convention, declared at a Scott meeting in Faneuil Hall, that FRANKLIN PIERCE possessed "as generous, honorable, and brave a heart, as the Almighty ever implanted in the bosom of man."

William S. Parham, Esq., a Whig candidate for the District in which General Taylor resided, and recently the leading member of his party in the Legislature of Louisiana, declines to support General Scott, and has announced his determination to go for PIERCE and KING!

Hear the Boston Bee.—The editor says:—"The Bee is a whig paper—its editors are, ever were, and ever will be whigs, but not abolitionists. We don't hoist the flag of any party which 'spits upon the whig platform'—we go for no man who writes such a STUPID LETTER as that which we this morning publish from Gen. Scott. The Bee will never 'cave in' to such a nomination while it remains under the control of its present editors."

In Illinois the nomination of Scott fell as flat as a dishwater. The Jeffersonian says there were not 25 whigs in Galena to whom it was acceptable.

The Philadelphia Sun, whig honestly says, that "Gen. Scott stands as little chance for enjoying the luxury of the White House, as a bob tailed horse has for rest in fly time."

It is said that large numbers of Whigs opposed to Gen. Scott, have stopped their subscriptions to the Boston Atlas, the only Whig paper in Boston that has Scott's name at its head.

General Scott's pen, in the language of the Evening Journal, "dims the glories of his sword."

Hon. William Wright, whig candidate for Governor of New Jersey, in 1847, has come out in favor of Pierce and King against General Scott. Mr. Wright is a gentleman of much influence in that State, and will prove a serious thorn in the flesh of whiggery there.

In the counties of Augusta and Rock-bridge, in Virginia, many of the ablest and most influential whigs have not only repudiated the Scott ticket, but have come out for Pierce.

We hear the same thing from almost every portion of Virginia. John B. Hodge, Esq., who was a sub-elect in Berkeley county; and James H. Lacy, Esq., of Spottsylvania county, have also renounced Scott.

The Webster papers continue to hit at Gen. Scott. He "fights better than he writes," says one of them. "In appropriateness, simplicity and felicity of expression, the latter (Scott) is far behind that of Mr. Pierce," exclaims the Boston Traveler.

Some time since, the friends of Gen. Scott made a great blow about the purity of his patriotism, because of his having refused to become the dictator of Mexico—though the whole influence of the army and the wealth of the country were pledged to back him. Since he has been nominated for the Presidency, the presses in his influence say that "the Mexicans hate General Scott." The two statements do not tally.

It is not most astounding to find the men who opposed the war with Mexico, now the chief supporters of Gen. Scott. Corwin and Seward, Greeley and Johnston, and such men are his body guard. Thus these unprincipled opposers of the war, with a like want of principle, sustain one of the most conspicuous of the commanders in the "unholy conflict." They may well "spit upon" the platform of Whig principles.

The New York Truth Teller says:—"We congratulate our Whig friends on the nomination of General Scott for the Presidency. His native letter, which we published some weeks ago, will assuredly secure to him the entire vote of our adopted citizens. His devotion to their cause cannot be doubted, for he has declared in that letter that he is in favor of 21 years residence, before they should be naturalized, and not satisfied with that he even would prefer that they should not be naturalized on any terms at all! He is a friend to Irishmen with a vengeance."

At the ratification meeting in Viicksburg, a few days ago, Judge Davenport remarked facetiously, that the letter P was ominous of much good. Said the Judge, "the letter P stands for Polk—and this is to be another Polk race for Peace, Plenty and Prosperity, Peas and Pumpkins, Pierce and the Presidency!"

The Washington correspondent of the New York Express, says that Col. W. B. Campbell, the present Governor of Tennessee, who served in the Mexican war, has "telegraphed to the Tennessee members of Congress, that he will not support the nomination" of Scott.

In 1847, the Trenton [N. J.] Gazette a whig print, spoke of Gen. Scott as "weak, silent, passionate, illiberal, and devoid of true principles of religious freedom."

Gen. Scott's letter of acceptance is so unacceptable to many whig editors, that they make no attempt to praise it.

At a Scott party given at one of our private houses in this village, on Tuesday evening, says the Lockport Democrat, a vote was taken, which resulted as follows:—Gen. Frank Pierce, 16; Gen. Scott, 4.

The whigs call Gen. Pierce a "third-rate lawyer." The same party once styled Mr. Polk "the Duck River Pettifogger!"

Gen. Pierce, at the present time, we believe, lives in Concord.

O yes, and the entire Democratic party is also living in concord.

Gen. Scott is in favor of compelling Foreigners to serve one year in the Army before giving them the right to vote.

Gen. Scott says that had he been in Congress when the infamous Bankrupt Law was passed, he would have voted for it! Think of this!

The boys at Dartmouth College, disappointed in the non-selection of Daniel Webster as the Presidential candidate, fired a salute of 100 guns in honor of Pierce and King, as the best soter of their troubled feelings.

Five whig papers of Alabama have already refused to support General Scott. These are—the Montgomery State Register, the Chambers Tribune, the Auburn Gazette, the Talladega Reporter, and the East Alabamian.

WHIG VIBRACITY.—Every Whig who charges Gen. Pierce with cowardice, brands General Scott with deliberate falsehood—with downright lying. General Scott, in his official reports, endorsed Gen. Pierce as a "gallant soldier;" and we ask our Democratic friends to keep this in mind, and hurl it in the face of Whiggery, when they hear the vile slander from the lips of its votaries.

POISONING.—Thousands of parents who use Vermifuge composed of Castor oil, Calomel, &c. are not aware, that while they appear to benefit the patient, they are actually laying the foundations for a series of diseases, such as salivation, loss of sight, weakness of limbs, &c.

In another column will be found the advertisement of Hobensack's Medicines, to which we ask the attention of all directly interested in their own as well as their Children's health. In Liver Complaints and all disorders arising from those of a bilious type, should make use of the only genuine medicine, Hobensack's Liver Pills.

"Ben not deceived," but ask for Hobensack's Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. Hobensack, as none else are genuine.

Great British AND BLACKWOOD'S MAGAZINE Important Reduction in the rates of a LEONARD SCOTT & CO., NO. 54 GOLD STREET., NEW YORK, Continue to publish the following British Periodicals, viz: THE LONDON QUARTERLY REVIEW (Conservative), THE EDINBURGH REVIEW (Wig), THE NORTH BRITISH REVIEW (Free Church) THE WESTMINSTER REVIEW (Liberal), AND BLACKWOOD'S EDINBURGH MAGAZINE (Tory). These Reprints have now been in successful operation in this country for twenty years, and their circulation is constantly on the increase notwithstanding the competition they encounter from American periodicals of a similar class and from numerous Ecclesiastical and Magazines made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption.

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their literary character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. Blackwood, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that magazine, and first appearing in its columns both in Great Britain and in the United States. Such works as "The Caxtons" and "My New Novel," (both by Bulwer), "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by these publishers from the pages of Blackwood, after it has been issued by Mess. Scott & Co., so that subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.

TERMS. Per annum. For any one of the four Reviews \$3 00 For any two of the four Reviews 5 00 For any three of the four Reviews 7 00 For all four of the Reviews 8 00 For Blackwood's Magazine 3 00 For Blackwood & three Reviews 9 00 For Blackwood & the four Reviews 10 00 Payments to be made in all cases in advance.—Money current in the State where issued will be received at par. CLUBBING. A discount of twenty-five per cent. from the above prices will be allowed to Clubs ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood or of one Review will be sent to one address for \$9; four copies of the four Reviews and Blackwood for \$30; and so on.

REDUCED POSTAGE. The postage on these Periodicals has, by the late law, been reduced, on the average, about Forty per cent! The following are the present rates, viz: For Blackwood's Magazine.
