

A Whig Ex-MC Converted to Democracy.
The Baltimore Argus, of Thursday last, publishes a long letter, written by Hon. Edward Long, late Whig member of Congress, of Somerset county, Maryland, to James M. Buchanan Esq., of Baltimore, in which he renounces Whiggery, denounces Scott, and declares himself for Pierce and Fremont. Mr. Long thus closes his letter:
"I have already, *curriculum* exceeded what I intended to reply to you, and have only to assure you that I shall support Pierce and King with perfect cordiality, having entire confidence in their patriotism and ability, concurring, as I do, in the doctrines of the Democratic platform."
Mr. Cottman, the present whig member from Mr. Long's district, also supports Pierce and King. Glorious Democracy!

A Correction.
If the Irish have a true friend, it is General Scott. — *Whig Life of Gen. Scott.*
Yes; and he proved his friendship by hanging twenty of them at the city of Mexico, and regretted he could not string up a few more. — And he afterwards stated that no Irishman had ever turned against his adopted country. Why then were they hung?
Senator Seward, Scott's right hand man, proves his love for the "Foreign Irish" by gravely proposing to exchange them with Virginia (cargo for cargo) for nigger slaves, saying "New York would gain by the exchange, as the Irish had become a nuisance."
What Irishman speaks first to go and vote for Scott, the hangman of his countrymen? — *Pitts Union.*

The Liquor Law in Massachusetts.
Boston, Sept. 13.
Yesterday, at Watertown, Z. Porter, of the Cambridge Cattle Fair Hotel, and Samuel Knights, of the Watson House, were brought before Justice White, on complaint for selling liquor. Quite a row ensued, in which the Justice was insulted, and some of the government witnesses compelled to flee for safety. A man named Richardson, said to be employed as an informer by the temperance men, drew a knife and pistol, when he was knocked down and disarmed. A complaint was then made against him for carrying concealed weapons, and he was required to give bail for trial. Knights was acquitted for selling liquor, and the trial of Porter was postponed. The Court adjourned amidst great excitement and confusion.

Cuba.
The New York Times says that on Tuesday, Commodore Perry received a telegraphic dispatch requesting him to come immediately to Washington. Those who profess to know, say that the Government has information that an attempt will again be made to invade Cuba from ports in the United States, and that Commodore Perry has been ordered to Washington that the Government may have the benefit of his advice. It is further said that the Commodore will in a few days sail for Havana in the steamer Mississippi, for the purpose of preventing any invasion of our treaty stipulations with Spain.

"Buckshot and Ball"
Col. William Hopkins, of Washington county, will be our next Canal Commissioner. He is a first rate man, comes fresh from the ranks of the people, and is as popular as General Jackson. He was speaker of the House of Representatives during the "Buckshot War," and was in the chair at the time that Stevens, Penrose, and their gang who wanted to "treat the election as if it never had been held," jumped out of the windows of the Capitol. He is an old fashioned Jackson Democrat, and will be elected by a majority that will startle the Democrats themselves. — *Doylestown Democrat.*

Chinamen in California.
A San Francisco letter, of July 31, says:
"I am happy to inform our readers that the strong opposition to the Chinese, emigration, which existed here some months passed, has ceased, (for the present at least.) Our people are beginning to find out their value as men and good citizens, and I hope we shall see no further opposition manifested against the race of Celestials, who appear more and more anxious to learn of the Americans all that is good and worthy of their imitation."
A Whig Gun Spiked.
R. S. McCormick, Esq., of this county, has openly repudiated whiggery and is in the column that goes for Pierce and King.
Mr. McCormick was lately whig Deputy Attorney General for Venango county, and in 1850 was appointed Deputy U. S. Marshal by the whig Marshal of the Western District of Pennsylvania. He has been one of the most bitter opponents of the Democratic Party we have ever known. As a stump speaker he was without an equal in the federal ranks. — *Venango Spectator.*

Southern Rights Convention.
MONTGOMERY, Ala., Sept. 13.
The Southern Rights Convention organized here to-day. Eight counties were represented, numbering 62 delegates. A letter was read from Gen. Quitman, in favor of nominating another candidate for the Presidency, but adding that he did not wish the nomination himself. — The letter was referred to a special committee. The Convention will probably nominate this to night.

Consistency.
The Whigs are abusing General Pierce because the *London Times* happened to speak favorably of his abilities. At the same time they parade with great glee a letter from the Duke of Wellington, praising Gen. Scott! So, according to the mode of reasoning adopted by the Whigs, there must be two "British candidates" in the field!

Hon. Daniel Webster.
Boston, Sept. 10.
The Boston Courier of this morning says Mr. Webster's health is somewhat improved, and he expects that it will be perfectly restored in a few days. The Courier also denies the rumour that Mr. Webster is about publishing an address or letter to his friends urging them to refrain from using his name as an independent candidate for the Presidency.

POISONING.
Thousands of parents who use Vermifuge composed of Castor oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundations for a series of diseases, such as salivation, loss of sight, weakness of limbs, &c.
In another column will be found the advertisement of Hobensack's Medicines, to which we ask the attention of all directly interested in their own as well as their Children's health. In Liver Complaints and all disorders arising from those of a bilious type, should make use of the only genuine medicine, Hobensack's Liver Pills.
"Benedicite!" but ask for Hobensack's Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. Hobensack, as none else are genuine.
