Also that in the fourth section of the Act of Assembly, entitled, 'An Act relating to elections, and for other purposes,' approved April 10, 1840, it is enacted that the aforesaid 15th section 'shall not be construed as to prevent any militia officer or borough officer from serving as an inspector or clerk; any general or special election in this Commonwealth.'

Also, that the 61st section of said act is enacted that 'every general and special election shall be opened between the hours of eight and ten in the forenoon, and shall continue without interruption or adjournment until seven o'clock in the evening, when the polls shall be closed. But a citizen of the United States, who has previously been a qualified voter of this state, and removed therefrom and returned, and who shall have resided in the election district, and paid taxes as aforesaid, shall be entitled to vote after residing in this state six months. Provided, That the white freemen of the United States, between the ages of 21 and 22 years, and have resided in the election district ten days as aforesaid, shall be entitled to vote, although they shall not have paid taxes.

In all cases where the name of the person claiming to vote is found on the list furnished by the Commissioners and Assessor, his right to vote whether found thereon or not, objected to by any qualified citizen, it shall be the duty of the inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the state for one or more years, his oath shall not be sufficient proof thereof, but he shall make proof thereof, from the accounts given him that he is a qualified elector, that he has resided within the district for more than ten days next preceding said election, and shall also himself swear that his bona fide residence in pursuance of his lawful calling, is within the district, and that he did not remove into said district for the purpose of voting therein.

'Every person qualified as aforesaid, and who shall make due proof, if required, of his residence and payment of taxes as aforesaid, shall be admitted to vote in the township, ward, or district in which he shall reside.

'If any person shall prevent or attempt to prevent any officer of any election under this act from holding such election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, or shall block up the window, or prevent any window where the same may be holding, or shall riotously disturb the peace at such election, or shall use or practice any intimidating threats, force or violence, with design to influence unduly or overawe an elector or to prevent him from voting or to restrain the freedom of choice, such person on conviction shall be fined in any sum not exceeding five hundred dollars and be imprisoned for any time not less than one month nor more than twelve months and if it shall be shown to the court, upon the trial of such offences shall be had, that the person so offending was not a resident of the city, ward, or district, or township where the said offence was committed, and not entitled to vote therein, then on conviction, he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

Pursuant to the provisions contained in the 57th section of the act first aforesaid, the judges of the aforesaid districts shall respectively take charge of the certificate or return of the election of their respective districts, and produce them at a meeting of one judge from each district, at the Court House in the borough of Ebensburg, on the third day after the day of election, being for the present year on FRIDAY the 15th of OCTOBER next, then and there to do, and perform the duties required by law of said judges. Also, that where a judge by sickness or unavoidable accident, is unable to attend said meeting of judges, then a certificate or return aforesaid shall be taken charge of by the inspectors or the clerks of the election of said district, who shall do and perform the duties required of said judge unable to attend.

WAYER'S CHERRY PECTORAL For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

Many years of trial, instead of impairing the public confidence in this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unobtainable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies thrust upon the community, have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

While it is a fraud on the public to pretend that any one medicine will infallibly cure—still there is abundant proof that the Cherry Pectoral does not only as a general thing, but almost invariably cure the maladies for which it is employed.

As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log-cabin of the American Peasant, to the palaces of European Kings. Throughout this entire country, in every State, city, and indeed almost every hamlet it contains, Cherry Pectoral is known as the best remedy extant for diseases of the Throat, Lungs, and in many foreign countries, it is coming to be extensively used by their most intelligent Physicians. In Great Britain, France and Germany, where the medical sciences have attained their highest perfection, Cherry Pectoral is introduced, and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and domestic practice, as the surest remedy their attending Physician can employ for the more dangerous affections of the lungs. Also in milder cases, and for children it is safe, pleasant and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found it efficacious in cases particularly incidental to childhood.

The Cherry Pectoral is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration.

We have endeavored here to furnish the community with a medicine of such intrinsic superiority and worth as should commend itself to their confidence. It is a safe, specific, and effectual, which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with chemical accuracy, of uniform strength to afford Physicians a new agent on which they can rely for the best results, and the afflicted with a remedy that will do for them all that medicine can do.

WHATEVER concerns the health and happiness of a people is at all times of most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health on all sacrifices. I feel it to be my duty to sell, and to assure you that my WORM SYRUP, is the primary cause of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular, remember that all these denote worms, and you should at once apply the remedy—

Hobensack's Worm Syrup. An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where Bowel Complaints and Diarrhoea have made them weak and debilitated. The Tonic properties of my Worm Syrup are such that it stands without an equal in the catalogue of medicines in giving tone and strength to the Stomach, which makes it an infallible remedy for those afflicted with Dyspepsia, the asthenic tonifying cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM! This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm haunting them to an early grave. The only mode to destroy this Worm, is very energetic treatment must be pursued, it will therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may set direct upon the Worm, which must be taken in doses of 2 Tablespoonfuls 3 times a day these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills. No part of the system is more liable to disease than the Liver, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roots & Plants furnished by nature to heal the sick; Namely, 1st, An Elixopteron, which augments the secretion from the Pulmonary mucous membrane, or promotes the discharge of secreted matter. 2nd, An Alterative, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd, A Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A Cathartic, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES. You will find these Pills an invaluable medicine in many complaints to which you are subject.—In obstructions either total or partial, they have been found of estimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side back, &c. None genuine unless signed J. N. Hobensack, all others being base imitation. Agents wishing new supplies, and Store Keepers desirous of becoming Agents must address the Proprietor, J. N. Great British Quarterlies AND BLACKWOOD'S MAGAZINE. Important Reduction in the rates of Postage LEONARD SCOTT & CO., No. 54 GOLD STREET, NEW YORK. Continue to publish the following British Periodicals, viz: THE LONDON QUARTERLY REVIEW (Conservative), THE EDINBURGH REVIEW (Whig), THE NORTH BRITISH REVIEW (Free Church), THE WESTMINSTER REVIEW (Liberal), AND BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

These Reprints have now been in successful operation in this country for twenty years, and their circulation is constantly on the increase notwithstanding the competition they encounter from American periodicals of a similar class and from numerous Editions and Magazines made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption.

Although these works are distinguished by their political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their literary character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. Blackwood, still under the masterly guidance of Christopher North, maintains its ascendant celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that magazine, and first appearing in its columns both in Great Britain and in the United States. Such works as 'The Caxtons' and 'My New Novel' (both by Bulwer), 'My Peninsular Medal,' 'The Green Hand,' and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, after it has been issued by Mess. Scott & Co., so that subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.

TERMS. Per annum. For any one of the four Reviews \$4 00 For any two of the four Reviews 5 00 For any three of the four Reviews 7 00 For all four of the Reviews 8 00 For Blackwood's Magazine 2 00 For Blackwood & three Reviews 6 00 For Blackwood & the four Reviews 10 00 Payments to be made in all cases in advance.— Money current in the State where issued will be received at par.

CLIPPING. A discount of twenty-five per cent. from the above prices will be allowed to Clubs ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood or of one Review will be sent to one address for \$9; four copies of the four Reviews and Blackwood for \$30; and so on.

REDUCED POSTAGE. The postage on these Periodicals has, by the late law, been reduced, on the average, about Forty per cent! The following are the present rates, viz: For Blackwood's Magazine, MILES.
