In all cases where the name of the person claiming to vote is found on the list furnished by

the Commissioners and Assessor, his right to vote whether found thereon or not, objected to by any qualified citizen, it shall be the duty of the inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the state for one or more years, his oath shall not be sufficient proof therefor, but shall make proof there by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days next preceding said election, and shall also himself swear that his bona fide residence in pursuance of his lawful calling, is within the district, and that he did not remove into said district for the purpose of voting therein.

"Every person qualified as aforesaid, and who shall make due proof, if required, of his residence and payment of taxes as aforesaid, shall be admitted to vote in the township, ward, or district in which he shall reside.

"If any person shall prevent or attempt to prevent any officer of any election under this act from holding such election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, or shall block up the window, or avenue to any window where the same may be holding, or shall riotously disturb the peace at such election, or shall use or practice any intimidating threats, force or violence, with design to influence unduly or overawe any elector or to prevent him from voting or to restrain the freedom of choice, such person on conviction shall be fined in any sum not exceeding five hundred dollars and be imprisoned for any time not more than one month nor more than twelve months and if it shall be shown to the court, where the trial of such offences shall be had, that the person so offending was not a resident of the city, ward, or district, or township where the said offence was committed, and not entitled to vote therein, then on conviction, he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

Pursuant to the provisions contained in the 57th section of the act first aforesaid, the judges of the aforesaid districts shall respectively take charge of the certificate or return of the election of their respective districts, and produce them at a meeting of one judge from each district, at the Court House in the borough of Ebensburg, on the third day after the day of election, being for the present year on FRIDAY the 5th of NOVEMBER next, and there to do, and perform the duties required by law of said judges. Also, that where a judge by sickness or unavoidable accident, is unable to attend said meeting of judges, then the certificate or return aforesaid shall be taken charge of by the inspectors or the clerks of the election of said district, who shall do and perform the duties required of said judge unable to attend.

AYER'S CHERRY PECTORAL

For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

Many years of trial, instead of impairing the public confidence in this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys.

As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log-cabin of the American Peasant, to the palaces of European Kings. Throughout this entire country, every State, city, and indeed almost every hamlet, it contains, Cherry Pectoral is known as the best remedy extant for diseases of the Throat, Lungs, and in many foreign countries, it is coming to be extensively used by their most intelligent Physicians.

In Great Britain, France and Germany, where the medical sciences have reached their highest perfection, Cherry Pectoral is introduced, and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and domestic practice, as the surest remedy their attending Physician can employ for the more dangerous affections of the lungs. Also in milder cases, and for children it is safe, pleasant and effectual to cure. In fact, some of the most flattering testimonials were received here from parents who have found it efficacious in cases particularly incidental to childhood.

The Cherry Pectoral is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration.

We have endeavored here to furnish the community with a medicine of such intrinsic superiority and worth as should commend itself to their confidence—a remedy at once safe, speedy and effectual, which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with chemical accuracy, of uniform strength to afford Physicians a new agent on which they can rely for the best results, and the afflicted with a remedy that will do for them all that medicine can do.

PREPARED AND SOLD BY JAMES AYER, Practical and Analytical Chemist, Lowell, Mass. Sold in Ebensburg by Fred. Kittell, and by Druggists and Dealers in Medicine every where. August 19, 1852—3m.

IMPORTANT TO FARMERS AND HOUSE KEEPERS!

CULP'S PATENT CIDER MILL. JAMES B. DUNLAP, Ebensburg, Cambria county, Pa.

HAS secured the right to manufacture the above machine for Cambria county, and will take pleasure in showing Farmers, and others, who may call at his Threshing Machine shop, in Ebensburg, the great qualities of this profitable and improved cider mill. Farmers have heretofore labored under great difficulty in making their cider, but with the use of this machine they will save time, labor, and expense, and make more Cider than by any other process. It is not only the best machine of the kind in its existence, but it is the most profitable that a man can have on his farm. The following are some of the advantages of this machine:

First—It makes more Cider than any other press, with a given quantity of apples, in a given time, and with much less labor and expense.

Second—It makes cleaner and sweeter Cider than other machines.

Third—You can make your Cider as you want it, and when you want it—and in quantities from one gallon to six or twenty barrels.

Fourth—With it you can press your Currants, Cherries, Berries, Cheese, Butter, Lard and Tallow.

Fifth—With it you can save ONE FOURTH of your time in making Apple Butter.

Sixth—By its use you can at all times have FRESH and SWEET Cider.

The price of the Cider Mill, with right to use the same on any farm, is \$300. The size of this Machine is about 3 by 3 feet, and weight about 150 pounds. It may readily be taken to the cellar, door-yard, kitchen, barn-floor, or orchard, as may be most convenient. September 30, 1852—50-6t.

\$500 CHALLENGE.

WHATSOEVER concerns the health and happiness of a people is at all times of most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every parent will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that worms, according to the opinions of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote worms, and you should at once apply the remedy.

Hobensack's Worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where Bowel Complaints and Diarrhoea have made them weak and debilitated. The Tonic properties of my Worm Syrup are such that it stands without an equal in the catalogue of medicines in giving tone and strength to the Stomach, which makes it an infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians had failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued. It would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfuls 3 times a day these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills.

No part of the system is more liable to disease than the Liver, it serving as a filterer to purify the blood, or giving the proper secretion to the bile, so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roots & Plants furnished by nature to heal the sick: Namely, 1st, An Emetic, which purges the secretions from the Pulmonary mucus membrane, or promotes the discharge of secreted matter. 2nd, An Alterative, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd, A Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A Cathartic, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are subject.—In obstructions either total or partial, they have been found of estimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side back, &c.

None genuine unless signed J. N. Hobensack, all others being base Imitation. Agents wishing new supplies, and Store Keepers desirous of becoming Agents must address the Proprietor, J. N. Hobensack, Philadelphia, Pa.
