VAYER'S

CHERRY PECTORAL

For the Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

Many years of trial, instead of impairing the public confidence in this medicine, has won for it the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies thrust upon the community, have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never be forgotten.

While it is a fraud on the public to pretend that any one medicine will infallibly cure—still there is abundant proof that the Cherry Pectoral does not only as a general thing, but almost invariably cure the maladies for which it is employed.

As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log-cabin of the American Peasant, to the palaces of European Kings. Through every clime and every clime, in every State, city, and indeed almost every hamlet it contains. Cherry Pectoral is known as the best remedy extant for diseases of the Throat, Lungs, and in many foreign countries, it is coming to be extensively used by their most intelligent Physicians. In Great Britain, France and Germany, where the medical sciences have reached their highest perfection, Cherry Pectoral is introduced, and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and in domestic practice, as the surest remedy their attending Physician can employ for the more dangerous affections of the lungs. Also in milder cases, and for children it is safe, pleasant and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found it efficacious in cases particularly incidental to childhood.

The Cherry Pectoral is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care, and is sold and protected by law from counterfeits, consequently can be relied on as genuine without adulteration.

We have endeavored here to furnish the community with a medicine of such intrinsic superiority and worth as should command itself to their confidence—a remedy at once safe, speedy and effectual, which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with chemical accuracy, of uniformity and accuracy and care, a new agent on which they can rely for the best results, and the afflicted with a remedy that will do for them all that medicine can do.

IMPORTANT TO FARMERS AND HOUSE KEEPERS!

CULP'S PATENT CIDER MILL.

JAMES E. DUNLAP,
Ebensburg, Cambria county, Pa.

HAS secured the right to manufacture the above machine for Cambria county, and will take pleasure in showing Farmers, and others, who may call at his Threshing Machine shop, in Ebensburg, the great qualities of this profitable and improved cider mill. Farmers have heretofore labored under great difficulty in making their Cider, but with the use of this Machine they will save time, labor, and expense, and make more Cider than by any other process. It is not only the best machine of the kind in existence, but it is the most profitable that a man can have on his farm. The following are some of the advantages of this machine:

First—It makes more Cider than any other press, with a given quantity of apples, in a given time, and with much less labor and expense.

Second—It makes cleaner and sweeter Cider than other machines.

Third—You can make your Cider as you want it, and when you want it—and in quantities from one gallon to six or twenty barrels.

Fourth—With it you can press your Currants, Cherries, Berries, Cheese, Butter, Lard and Tallow.

Fifth—With it you can save ONE FOURTH of your time in making Apple Butter.

Sixth—By its use you can at all times have FRESH and SWEET Cider.

The price of the Cider Mill, with right to use the same on any farm, is \$30.

The size of this Machine is about 3 by 3 feet, and weight about 150 pounds. It may readily be taken to the cellar, door-yard, kitchen, barn-floor, or orchard, as may be most convenient.
