VAYER'S CHERRY PECTORAL For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

Many years of a constant use of impeding the public confidence in this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmitigated benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys.

While it is a fraud on the public to pretend that any one medicine will infallibly cure—still there is abundant proof that the Cherry Pectoral does not only as a general thing, but almost invariably cure the maladies for which it is employed. As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log-cabin of the American Peasant, to the palaces of European Kings.

THE Cherry Pectoral is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration.

\$500 CHALLENGE.

WHATEVER concerns the health and happiness of a people is at all times of most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that worms, according to the opinions of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote worms, and you should at once apply the remedy:—

Hobensack's Worm Syrup. An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where Bowel Complaints and Diarrhoea have made them weak and debilitated. The Tonic properties of my Worm Syrup are such that it stands without an equal in the catalogue of medicines in giving tone and strength to the Stomach, which makes it an infallible remedy for those afflicted with Diarrhoea, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM! This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoons, full 3 times a day these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills. No part of the system is more liable to disease than the Liver, it serving as a filter to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roots & Plants furnished by nature to heal the sick; Namely, 1st, An Expectorant, which augments the secretion from the Pulmonary mucous membrane, or promotes the discharge of secreted matter. 2nd, An Alterative, which changes in some ineliminable and insensible manner the certain morbid action of the system. 3rd, A Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A Cathartic, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES. You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of estimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side back, &c.

THE Great British Quarterlies

BLACKWOOD'S MAGAZINE. Important Reduction in the rates of Postage LEONARD SCOTT & CO., NO. 54 GOLD STREET, NEW YORK. Continue to publish the following British Periodicals, viz: THE LONDON QUARTERLY REVIEW (Conservative), THE EDINBURGH REVIEW (Whig), THE NORTH BRITISH REVIEW (Free Church), THE WESTMINSTER REVIEW (Liberal), and BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

These Reprints have now been in successful operation in this country for twenty years, and their circulation is constantly on the increase notwithstanding the competition they encounter from American periodicals of a similar class and from numerous Eclectic and Magazine made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption.

Although these works are distinguished by their political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their literary character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. Blackwood still maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that magazine, and first appearing in its columns both in Great Britain and in the United States. Such works as "The Caxtons" and "My New Novel," (both by Bulwer), "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by these publishers from the pages of Blackwood, after it has been issued by Mess. Scott & Co., that subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.

TERMS. Per annum. For any one of the four Reviews \$3 00 For any two of the four Reviews 5 00 For any three of the four Reviews 7 00 For all four of the Reviews 9 00 For Blackwood's Magazine 3 00 For Blackwood & three Reviews 9 00 For Blackwood & the four Reviews 10 00 Payments to be made in all cases in advance. Money current in the States where issued will be received at par.

CLUBBING. A discount of twenty-five per cent. from the above prices will be allowed to Clubs ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood or of one Review will be sent to one address for \$9; four copies of the four Reviews and Blackwood for \$30; and so on.

REDUCED POSTAGE. The postage on these Periodicals has, by the late law, been reduced, on the average, about forty per cent! The following are the present rates, viz: For Blackwood's Magazine, Any distance not exceeding 500 miles, per copy 9 cents Over 500 and not exceeding 1500 18 " Over 1500 and not exceeding 2500 27 " For a Review, Any distance not exceeding 500 4 cents Over 500 and not exceeding 1500 8 " Over 1500 and not exceeding 2500 12 " At these rates no objection should be made, as heretofore, to receiving the works by mail, and thus ensuring their speedy, safe, and regular delivery.

Remittances and communications should be always addressed, post-paid, to the Publishers, LEONARD SCOTT & CO., 79 FULTON STREET, NEW YORK, Entrance 54 Gold Street. N. B.—L. S. & Co., have recently published, and have now for sale "MELISSA'S GUILD" by Henry Stephens of Edinburgh, and Prof. Morton of Yale college, New Haven, complete in 2 royal quarto octavo, containing 1600 pages, 14 lste, and 600 wood engravings.
