\$500 CHALLENGE.

WHATEVER concerns the health and happiness of a people is at all times of most vital importance. To take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that worms, according to the opinions of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changing; if from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote worms, and you should at once apply the remedy:—

Hobensack's Worm Syrup. An article founded upon Scientific Principles, compounded with purely vegetable substances, given to the most tender Infant with decided beneficial effect, where Bowel Complaints and Diarrhea have made them weak and debilitated. The Tonic properties of my Worm Syrup are such that it stands without an equal in the catalogue of medicines in giving tone and strength to the Stomach, which makes it an Infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM! This is the most difficult Worm to destroy o all that inhabit the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablets, once full 3 times a day these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills. No part of the system is more liable to disease than the Liver, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roots & Plants furnished by nature to heal the sick: Namely, 1st, An Emetic, which purges the secretion from the Pulmonary mucus membrane, or promotes the discharge of secreted matter. 2nd, An Alterative, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd, A Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A Cathartic, which acts in the perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES. You will find these Pills an invaluable medicine in many complaints to which you are subject.—In obstructions either total or partial, they have been found of estimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually as to dispel all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side back, &c. None genuine unless signed J. N. Hobensack, and others being base imitation. Agents wishing new supplies, and Store Keepers desirous of becoming Agents must address the Proprietor, J. N. Hobensack, Philadelphia, Pa.

VAYER'S CHERRY PECTORAL

For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION. Many years of trial, instead of impairing the public confidence in this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies thrust upon the community, have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never be forgotten, and produced cures too numerous and too remarkable to be forgotten.

While it is a fraud on the public to pretend that any one medicine will infallibly cure—still there is abundant proof that the Cherry Pectoral does not only as a general thing, but almost invariably cure the maladies for which it is employed. As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log-cabin of the American Peasant, to the palaces of European Kings. Throughout this entire country, in every State, city and indeed almost every hamlet it contains, Cherry Pectoral is known as the best remedy extant for diseases of the Throat, Lungs, and in many foreign countries, it is coming to be extensively used by their most intelligent Physicians. In Great Britain, France and Germany, where the medical sciences have reached their highest perfection, Cherry Pectoral is introduced, and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and domestic practice, as the surest remedy their attending Physician can employ for the more dangerous affections of the lungs. Also in milder cases, and for children it is safe, pleasant and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found it efficacious in cases particularly incidental to childhood.

The Cherry Pectoral is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration. We have endeavored here to furnish the community with a medicine of such intrinsic superiority and worth as should commend itself to their confidence—a remedy at once safe, speedy and effectual, which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with chemical accuracy, of uniform strength to afford Physicians a new agent on which they can rely for the best results, and the afflicted with a remedy that will do for them all that medicine can.

PREPARED AND SOLD BY JAMES A. YER, Practical and Analytical Chemist, LOWELL, MASS. Sold in Ebensburg by Fred. Kittell, and by Druggists and Dealers in Medicine every where. August 19, 1852—3m.

ONLY TRUE PORTRAIT OF WASHINGTON.

JUST PUBLISHED, T. B. WELCH'S MAGNIFICENT PORTRAIT OF WASHINGTON. Engraved (by permission) from Stuart's only original portrait, in the Athenaeum, Boston. This superb picture, engraved under the superintendence of Thomas Sully, Esq., the eminent and highly gifted artist, is the only correct likeness of Washington ever published. It has been characterized as the greatest work of art ever produced in this country. As to its fidelity, we refer to the letters of the adopted son of Washington, George Washington Park Custis, who says, "It is a faithful representation of the celebrated original," and to Chief Justice Theobald T. Neely of the Supreme Court of the United States, who says, "As a work of art its excellence and beauty must strike every one who sees it; and it is no less happy in its likeness to the Father of his country. It was my good fortune to have seen him in the days of my boyhood, and his whole appearance is yet strongly impressed on my memory. The portrait you have issued appears to me to be an exact likeness, representing perfectly the expression as well as the form and features of the face." And says Senator Cass in a life-like representation of the great original, President Fillmore says, "The work appears to me to have been admirably executed and eminently worthy of the patronage of the public." Says Marchant the eminent portrait painter, and the pupil of Stuart, "your print to my mind is more remarkable than any other I have seen, for presenting the whole individuality of the original portrait, together with the noble and dignified repose of air and manner, which all who ever saw him considered a marked characteristic of the illustrious man it commemorates."

For the great merits of this picture we would refer every lover of Washington to the portrait original, to be seen at the office of this paper, and to the letters of the following Artists, Statesmen, Jurists and Scholars accompanying it. ARTISTS.—Marchant and Elliott, of New York; Neagle, Rothermel, and Lambdin, of Philadelphia; Chester Harding, of Boston; Charles Fraser, of Charleston, S. C.; and to the adopted son of Washington, Hon. Geo. W. P. Custis, himself an artist. Statesmen.—His Excellency Millard Fillmore, Major Gen. Winfield Scott, Hon. George M. Dallas, Hon. William R. King, Hon. Daniel Webster, Hon. Linn Boyd, Hon. Lewis Cass, Hon. Wm. A. Graham, Hon. John P. Kennedy, Hon. R. C. Winthrop, LL. D. Jurists.—Hon. Roger B. Taney, Hon. John Duer, Hon. John McLean, Hon. Rufus Choate. Scholars.—Charles Folsom, Esq., the well known Librarian of the Boston Athenaeum, who says, "I would rather own it than any painted copy I have ever seen." E. P. Whipple, Richard Hildreth, Hon. Edward Everett, LL. D., Washington Irving, Ralph Emerson, Esq., Prof. T. C. Upham, J. E. Headley, Fitz Green Halleck, H. Longfellow, Wm. Gilmore Simms; and from Europe, Lord Talford, T. B. Macaulay, Sir Archibald Alison, Lord Mayor of London, &c. &c. The Press, throughout the entire Union, have with one voice proclaimed the merits of this superb engraving. To enable all to possess this valuable treasure, it is sold at the price of \$5 per copy.

Great British Quarterlies

AND BLACKWOOD'S MAGAZINE. Important Reduction in the rates of Postage LEONARD SCOTT & CO., No. 54 GOLD STREET, NEW YORK. Continue to publish the following British Periodicals, viz: THE LONDON QUARTERLY REVIEW (Conservative), THE EDINBURGH REVIEW (Wig.), THE NORTH BRITISH REVIEW (Free Church), THE WESTMINSTER REVIEW (Liberal), AND BLACKWOOD'S EDINBURGH MAGAZINE (Tory.)

These Reprints have now been in successful operation in this country for twenty years, and their circulation is constantly on the increase notwithstanding the competition they encounter from American periodicals of a similar class and from numerous Ecclesiastical Magazines made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption.

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their literary character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. Blackwood, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Balcanquhall and other literary notables, written for that magazine, and first appearing in its columns both in Great Britain and in the United States. Such works as "The Caxtons" and "My New Novel," (both by Bulwer), "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, after it has been issued by Mess. Scott & Co., as that subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.

TERMS. Per annum. For any one of the four Reviews \$3 00 For any two of the four Reviews 5 00 For any three of the four Reviews 7 00 For all four of the Reviews 8 00 For Blackwood's Magazine 8 00 For Blackwood & three Reviews 9 00 For Blackwood & the four Reviews 10 00 Payments to be made in all cases in advance.—Money current on the State where issued will be received at par.

CLUBBING. A discount of twenty-five per cent. from the above prices will be allowed to Clubs ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood or of one Review will be sent to one address for \$9; four copies of the four Reviews and Blackwood for \$30; and so on.
