

Cambria County, ss :

The Commonwealth of Pennsylvania to the Sheriff of Cambria county, Greeting: Whereas Dr. William A. Vickroy, George Vickroy, George Gettys and Mary his wife, formerly Matilda Vickroy, Louisa Vickroy, and William Hancock and Charlotte his wife, formerly Charlotte Slick, late of your county, were summoned to be in our Court of Common Pleas for the county of Cambria, before our Judges at Ebensburg on the first Monday of December, A. D. 1852, to answer to a plea, wherefore whereas they, the said Defendants and the said Plaintiff, together and undivided do hold the following described tenements or premises, with the appurtenances, to wit: One tract of land containing one hundred and seventy acres, known as the "Coleman Farm," being part of a survey in the name of Ephraim Williams, originally containing four hundred and thirty four acres, situate in Jackson Township, Cambria county, adjoining other lands of the parties to this suit, lands of James Williams, Henry Beck and others; one tract containing one hundred and forty-one acres and sixty-three perches known as the "Garber Farm," and being part of the survey in name of Ephraim Williams above mentioned, situate in Jackson Township, Cambria county, adjoining lands above described, lands of James Williams, Henry Beck and others; also one tract of unimproved land containing one hundred and thirty-eight acres and thirty-eight perches, being part of larger tract surveyed in name of Benjamin Williams, originally containing four hundred and forty-one and one fourth acres, situate in Jackson Township, Cambria county, adjoining lands of John Barclay and the residue of said survey, with the appurtenances, of which they deny that partition be made between them, according to the laws and customs of this Commonwealth, and the statutes in such case provided, and unjustly permit not the same to be done, and that it was in such manner proceeded in, in our court, that it was considered that partition should be made between the parties aforesaid, with the appurtenances, as aforesaid.

Therefore we command you, that taking with you twelve honest and lawful men of your bailiwick, by whom the truth of the matter may be better known, in your proper person you go to the tenements aforesaid, with the appurtenances, and that there in the presence of the parties aforesaid, by you to be forward, if they shall be willing to be present, the said tenements, with the appurtenances, by the oaths and affirmations of the said twelve honest and lawful men, respect being had to the true value of the tenements aforesaid, with the appurtenances, into ten equal shares or parts you cause to be parted and divided, so that neither the said Plaintiff nor the said Defendants, respectively may have more of the tenements aforesaid, with the appurtenances, than it pertaineth to them severally to have. If equal partition in value as aforesaid, cannot be made of any share or part, there, by the same inquest, or oaths and affirmations aforesaid, you have power to equalize such partitions or purports, by valuing the purports respectively, and that any such share or shares or purports shall be subject to the payment of such sum of money as shall be equal to the difference in value of any other share or shares, purport or purports, and return the same with said inquest; and you further have power, by the same inquest and oaths or affirmations as aforesaid to divide the said tenements, with the appurtenances, into such number of parts as shall appear to the said inquest most convenient and advantageous, without regard to the number of parties in interest, and to value each purport. But if the said inquest shall be of opinion, that the tenements aforesaid, with the appurtenances, cannot be parted or divided without prejudice to or spoiling the whole, then we command you that you cause the said inquest to make a just valuation and appraisal of the said tenements, with the appurtenances, upon their oaths or affirmations aforesaid, due notice having first been given to the several parties or persons concerned or interested therein to appear, to appear if they shall think fit, at the time and place of holding such inquest, and that the partition or valuation and appraisal, or valuation and appraisal, so by you distinctly and openly made, you have here in our said Court of Common Pleas for the county of Cambria, before our Judges at Ebensburg, on the first Monday of March next, under your hand and seal, and under the hands and seals of those by whose oaths or affirmations you shall have made the same, that such further proceedings may be had as to law or justice shall appertain. And have you then and there the names of those by whose oaths and affirmations you shall have made the same, and this writ.

Witness the Honorable George Taylor, President of our said Court at Ebensburg the thirtieth day of December, in the year of our Lord one thousand eight hundred and fifty-two. R. L. JOHNSTON, Procliy. December 30, 1852—10-dj.

5000 CHALLENGE.

WHATEVER concerns the health and happiness of a people is at all times of most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health on all occasions. I feel it to be my duty to solemnly assure you that worms, according to the opinions of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Tickling at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote worms, and you should at once apply the remedy:—
Hobensack's Worm Syrup.
An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where *Bowel Complaints* and *Diarrhoea* have made them weak and debilitated. The Tonic properties of my Worm Syrup are such that it stands without an equal in the catalogue of medicines in giving tone and strength to the Stomach, which makes it an infallible remedy for those afflicted with *Dyspepsia*, the associated ailments performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM!
This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if they ever get better. It is *Tape Worm* hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoons 3 times a day these directions followed have never been known to fail in curing the most obstinate case of *Tape Worm*.

Hobensack's Liver Pills.
No part of the system is more liable to disease than the *Liver*, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the *Liver* effects the other important parts of the system, and results variously, in *Liver Complaint*, *Jaundice*, *Dyspepsia*, &c. We should, therefore, watch every symptom that might indicate a wrong action of the *Liver*. These Pills being composed of *Roots & Plants* furnished by nature to heal the sick: Namely, 1st, An *Expectorant*, which augments the secretion from the Pulmonary mucus membrane, or promotes the discharge of secreted matter. 2nd, An *Alterative*, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd, A *Tonic*, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A *Cathartic*, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES.
You will find these Pills an invaluable medicine in many complaints to which you are subject.—Obstructions either partial or total, that have been found of estimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side back, &c.

VAYER'S CHERRY PECTORAL

For the Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.
Of all the numerous medicines extant, (and some of them valuable) for the cure of pulmonary complaints, nothing has ever been found which could compare in its effects with this Preparation. Others cure sometimes, but at all diseases of the lungs and throat where medicine can give relief, this will do it. It is pleasant to take, and perfectly safe in accordance with the directions. We do not advertise for the information of those who have tried it but those who have not. Families that have known its value will not be without it, and by its timely use, they are secure from the dangerous consequences of Coughs and Colds which neglected, ripen into fatal consumption.
The Diploma of the Massachusetts Institute was awarded to this preparation by the Board of Judges in September 31-47; also, the Medals of the three great Institutes of Art in this country; also the Diploma of the Ohio Institute at Cincinnati, has been given to the Cherry Pectoral, by their Government in consideration of its extraordinary excellence and usefulness in curing affections of the Lungs and Throat.
Read the following opinion founded on the long experience of the eminent Physician of the Port and City of
ST. JOHN'S, May 8, 1851.
Dr. J. C. Ayer, of your Cherry Pectoral in my practice, has proven what I foresaw from its composition, must be true, that it eradicates and cures the colds and coughs to which we, in this section, are peculiarly liable.
I think its equal has not yet been discovered, nor do I know how a better remedy can be made for the distressers of the Throat and Lungs.
J. J. BURTON, M. D., F. R. S.
See what it does on a wasted constitution, not only in the following cases, but a thousand more:—
September, Jan. 14th, 1851.
Dr. Ayer: In the month of July last I was attacked by a violent diarrhoea in the mines of California. I returned to San Francisco in hope of receiving benefit from a change of climate and diet, but my diarrhoea ceased, but was followed by a severe cough—and much soreness. I finally started for home, but received no benefit from the voyage. My cough continued to grow worse, and when I arrived in New York, I was at once marked by my acquaintances as a victim of consumption. I must confess that I saw no sufficient reason to doubt what my friends all believed. At this time I commenced taking your truly invaluable medicine with little expectation of deriving any benefit from its use. You would not receive these lines did I not regard it my duty to state to the afflicted through you, that my health, in the space of eight months, is fully restored. I attribute it to the use of your Cherry Pectoral. Yours truly,
WILLIAM W. SMITH.
WASHINGTON, Pa., April 12, 1848.

Dear Sir: Feeling that I have been spared from a premature grave, through your instrumentality by the providence of God, I will take the liberty to express to you my gratitude.
A cough and the alarming symptoms of Consumption had reduced me too low to leave me anything like hope, when my physician brought me a bottle of your "Pectoral." It seemed to afford immediate relief, and now in a few weeks time has restored me to sound health. If it will do for others what it has done for me, you are certainly one of the benefactors of mankind. Sincerely wishing you every blessing, I am
Very respectfully yours,
JOHN J. CLARKE,
Resident of St. Peter's Church.

With such assurance and from such good, no stronger proof can be adduced unless it be from its effects upon trial.

STORE'S CHEMICAL HAIR INVIGORATOR.

This delightful and popular article in the best preparation for the hair which long experience and scientific research has produced, either as an article for the toilet, or its beneficial effects in all the diseases to which the human hair is liable. It will impart to the roughest and coarsest hair the most beautiful appearance, entirely cleansing it from all impurities.
But while we assert that it is the best article for the toilet of those who wish to retain the hair in all its youthful
LUXURIANCE AND BEAUTY,
it must not be forgotten that in all diseases of the hair or scalp, such as the falling of the hair, dandruff, pimples, or sores on the scalp, &c., it is, perhaps the article which has given decided satisfaction in every instance where it has been used.
Its operation in case of baldness is peculiarly active, so that, in numerous, where other remedies have been tried in vain, STORE'S CHEMICAL INVIGORATOR has superseded the arguments of art, by reinstating, in full plenitude, the permanent gifts and graces of nature. It is possessed of a character wholly differing from the Oils, Grease, Restoratives, &c., which are now so numerous foisted on the public, under the pretence of being newly discovered for baldness, gray hair, &c.
Store's Invigorator
has now been tested for years, and its efficacy has been proved by thousands. Every year its reputation and sales have increased, until more of it is consumed annually than of any other preparation for the hair ever offered to the American public. It is compounded on strictly scientific principles, and the proprietor will stake his reputation on its efficacy.
Its extraordinary cheapness places it within the reach of the humblest family, and its conceded value insures it a place on the most luxurious toilet.
