I write to inform you of the truly remarkable effect of your Cherry Pectoral three. in this place, and in my own family. One of my daughters was completely cured in three days of a dreadful Whooping Cough, by taking Dr. Means, one of our very best physicians freely states that he considers it the best remody we have for pulmonary diseases, and that he has other medicine he ever administered.

Our clergyman of the Baptist Church says son, he has seen cures from your medicine he could searcely have believed without seeing. Yours respectfully, J. D. SINCLAIR,

Deputy Postmaster. From the distinguished Professor of Chemistry and Materia Medica Bowdoin College.

I have found the Cherry Pectoral, as its inpredients show, a powerful remedy for colds, and coughs, and pulmonary diseases. PARKER CLEVELAND, M. D.

Brunswick, Me., Feb. 5, 1847. DR. VALINTINE MOTT.

"It gives me pleasure to certify the value and efficacy of 'Aver's Cherry Pectoral,' which I consider peculiarly adapted to cure diseases of the Throat and Lunge."

Cures of severe diseases upon the Lungs have been effected by Cherry Pectoral in such extreme cases as warrant the belief that a remedy has at length been found that cou be depended on to cure the Cougl's, Colds and Consumption which carry from our midst thousands every year. It is indeed a medicine to which the afflic ted can look with confidence for relief, and if ey should not fail to avail themselves of it.
