Dancing Formally Denounced and Forbidden The following Resolution has been unanimously adopted by the Presbyterian General Assem-bly, at Buffalo:

Resolved, That the fashionable amusement of promiscuous dancing is entirely unscriptural, and eminently and exclusively that of the "world which liveth in wickedness," and so wholly inconsistent with the spirit of Christ, and with that propriety of christian deportment, and that purity of heart which his followers are bound to maintain, as to render it not only improper and take in it, or qualify their children for it by teaching them the art; but also to call for the faithful and indictors. faithful and judicious exercise of discipline on the part of Church Sessions, when any of the members of their churches have been guilty."

Hastings' Compound Syrup of Naptha

Is now acknowledged by all the ablest physicians of both hemispheres, to be a quick and positive remedy for arresting the formation of tubercles on the lungs; and removing those already formed; and also to be the speediest and most effective of all medicinal agents in the cure of all other deseases of the throat, chest and lungs. Language cannot express the value of Hastings' Naptha Syrup in these diseases. It not only cures them effectually, but it gives immediate evidence of its ability to do so; for in a few minutes after the first dose has been taken, the patient feels that a powerful agent is in the system, strongly working for his good. Its operations are never delayed:—It at once flies to, and attacks the root of the disease with an energy unknown to County! Witness—"What the pague wad I of three insertions; and 25 cents per square the afther knowin' about Allegheny County?— for every subsequent insertion. A liberal reduction influence it has frequently cured a painful cough in a day, which had defied other population influence. Hence it has frequently cured a painful cough in a day, which had defied other population. I know!" Juror—"Tellus what you saw there." All advertisements handed in must have the lar remedies for a month; and has removed difficulty of breathing and pain in the throat and toest, in a few minutes, by the surprising energy of its action in clearing the passages of bile hensive question you're axin me. Tell you what I saw there? why, that 'ud take me the whole charged in accordance with the above terms. by the opinions of the London Launcet, London Medical Times, and most other responsible pubications, devoted to the same interests. Until the appearance of the Naphtha Syrup, the medical faculty had always regarded Consumption as an incurable disease, and the records of medical science exhibited no authenticated case that weighed seriously against that opinion. Since Dr. Witness—"Well, I guess I did. I took many a drink there myself, and bad stuff it as too, by my sowl. Here the prisoner was was too, by my sowl. Here the prisoner was tool he might leave, and, with a bow and a scrape, he made for the door; he was, however, called back by a juror, who contended that the offence complained of was not properly proven, inasmuch as the witness might have used a quart at a single drink! Mr. Flanegen—"The jury of the main causes of the main causes of the periments successfully made of its virtues by the ablest physicians of Europe, clearly prove that the periments successfully made of its virtues by the ablest physicians of Europe, clearly prove that periments successfully made of its virtues by the ablest physicians of Europe, clearly prove that took and a corresponding to bed, they may be sure unable importance. I take it for granted that periments successfully made of its virtues by the ablest physicians of Europe, clearly prove that a consequently resolute the main causes of this property of Naptha is a positive cure for Consumption, even in its worst stages. Three of the main causes of this property of Naptha have been discovered. They are its successfully made of its virtues by the ablest physicians of Europe, clearly prove that took and the worst successfully made of its virtues by the ablest physicians of Europe, clearly prove that a consequently resolute the ablest periments successfully made of its virtues by the ablest physicians of Europe, clearly prove that took and this worst successfully made of its virtues by the ablest physicians of Europe, clearly prove that took and the worst successfully made of its virtues by the ablest physicians of Europe, clearly prove that took and the worst successfully made of its virtues by the ablest physicians of Europe, clearly proved that the ablest periments successfully made of its virtues by the ablest physicians of the main causes of this provided to thousands who ordinary subject, when the periments successfully made of its virtues by the ablest physicians of the periments successfully made of its virtues by the ablest physicians of the periments succes at a single drink ! Mr. Flanegen-"The jury of inions of the most celebrated Physicians, are lodgeing the particles of corruption in the strength of its ascent to the upper regions of the frame want to know how much you generally take at a drink?" Witness—"Faith, an' that's what I ases to which children and adults are liable; if the chest and difficulty in breathing; person thus affected, feeling after taking it, as if it had hardly know.
