DR. GUYNOT'S IMPROVED EXTRACT OF YELLOW DOCK AND SARS-PARILLA. Thousands of individuals are cured with grievous complaints, which they inherit from their parents. The use of the Yellow Dock and Sarsaparilla will prevent all this, and save a vast amount of misery, and many valuable lives, for it thoroughly expels from the system the latent taint, which is the seed of disease, and so takes of the curse by which the sins or misfortune of the parents are so often visited upon the innocent offspring.

Parents owe it to their children to guard them against the effects of maladies that may be communicated by decent, and children of parents that have at any time been affected with Consumption, Scrofula or Syphilis, owe it to themselves to take precaution against the disease being revived in them Guynot's Extract of Yellow Dock and Sarsaparilla is a sure antidote in such cases.
