

LOCAL ITEMS.

DENTISTRY.—Dr. A. J. Jackson, Surgeon Dentist, now of Johnstown, in this county, but formerly of New York, is in town, and may be found at the "Mansion House" of Maj. Thompson.

Another Line.—Since the construction of the Plank Road, between our town and Jefferson, the travel has been so constantly increasing, that a new line of hacks was placed upon the road on Monday last, by Maj. John Thompson of this place and John Brawley of Jefferson.

This will afford additional accommodations to the public, which, with good horses, new coaches, careful and obliging drivers, and a determination to please cannot fail to reward the enterprising proprietors.

The hacks will leave Ebensburg and Jefferson twice a day, starting from the Mansion House, in this place, and the Cambria House in Jefferson. The hours fixed for leaving Ebensburg are 11 o'clock, A. M., and half past three o'clock, P. M. From Jefferson at 8 o'clock, A. M., and 3 o'clock, P. M. The fare is the same as heretofore charged by Maj. Hamilton's line, viz: FIFTY CENTS.

THE WEATHER.—For the last week the weather has been delightful, the air being clear and balmy, and resembling more the month of May than that of November. Yesterday however it clouded up, then rained, and now promises to snow. Well, winter must come, but such weather in November had, is hardly within the recollection of the "old inhabitant."

GOVERNOR.—John C. O'Neill, Esq., Consul to Belfast, left town on Monday last to enter upon the duties of his office. We understand that he will sail from New York in a few days, and ere long we hope to record his safe arrival in "Old Ireland."

FREIGHT.—For the information of merchants and others, we publish the following explanatory letter of Capt. Ivory, the Agent of the Pennsylvania Rail Road Company, at the Summit, relative to the reception of freight, destined for various points along the Portage Road:

Summit, Nov. 16, 1853. Mr. Spies—Dear Sir:—For the information of persons who have written to me, and all who receive goods by Penna. R. R. between this and Johnstown, I have deemed it necessary to state that all goods manifested to this place for any other point on Portage R. R. (unless pre-paid) I have no directions to forward them. But I have been doing so all summer, forwarding goods to Jefferson to Mr. Craig, and getting Conductors to collect at the other places. The greater part of the time nothing was charged on the goods, but the expenses here, and at this charge persons have made a great complaint.

They certainly do not understand the position of the agent here. Goods are manifested to this place for other points on the Rail Road. I have no orders, nor have I any right to forward these goods until the freight and charges are paid, but to accommodate and as I thought to do a favor, I re-ship and re-manifest the goods from here, the freight being twice the amount of expense charged, for the reason that there has been as many goods received and forwarded for people here as can be attended to on the small side track we have. To save any difficulty in future, all goods manifested here for other points on the road, between this and Johnstown, on the Holidays, re-ship and re-manifest the goods from here, the freight being twice the amount of expense charged, for the reason that there has been as many goods received and forwarded for people here as can be attended to on the small side track we have.

DR. GUYSSOTT'S IMPROVED EXTRACT OF YELLOW DOCK AND SARSAPARILLA IS A SUPERIOR REMEDY FOR Hereditary Taint. Thousands of individuals are cured with grietions complaints, which they inherit from their parents. The use of the Yellow Dock and Sarsaparilla will prevent all this, and save a vast amount of misery, and many valuable lives, for it thoroughly expels from the system the latent taint, which is the seed of disease, and so takes off the curse by which the sins or misfortune of the parents are so often visited upon the innocent offspring.

Parents owe it to their children to guard them against the effects of maladies that may be communicated by descent, and children of parents that have at any time been afflicted with Consumption, Scrophula or Syphilis, owe it to themselves to take precaution against the disease being revived in them. Guyssott's Extract of Yellow Dock and Sarsaparilla is a sure antidote in such cases.
