favor of 'Dr. Guysott's Extract of Yellow Dock and Sarsaparilla," to that of the numerous and highly respectable persons who have been benefited by the medicine. My wife has been suffering for the space of nearfive years with Scrofula and Cancer, which, I think, found its origin in the derangements of the system peculiar to her sex, while in the mean time

gives me great satisfaction to add my testimony in

she was under the care of the most eminent Physicians in this section of country, without deriving any material aid from their prescriptions. Upon the recommendation of Dr. Cockes, one o our Physicians, who had seen the medicine used with happy effect, I obtained of your Agents here, "Messrs. Rice & M'Farland," one bottle of "Dr. Guysott's Extract of Yellow Dock and Sarsaparilla, and as my wife found relief from that bottle, bought some six bottles, which she has taken with the most astonishing benefit, for I am pleased to say it has entirely cured her, for she has entirely recovered from her illness, and the Scrofuls and

Cancer are cured sound and well. Respectfully Accept my gratitude. MICHAEL GOLDMAN

JOHN PARK, DEAR SIR :- I wish to state, that your excellent medicine, Dr. Guysott's Extract of Yellow Dock and Sarsaparilla has completely cured my son, aged seven years, of an aggravated case of sore eyes. From May till September, four months he was confined to a dark room under the care of a skillful physician who consulted able counsel. He continued worse for two months when he became entirely blind. His eyes were so highly inflamed, and so very sensitive that when covered with seven folds of dark silk, he would scream from the pain caused by the light of a candle. He had no appotite; had taken so much powerful and offensive medicine, that I could neither coax nor force him to take more. He was reduced to a mere skeleton and I despaired of ever restoring his sight of

health. About that time I saw your invaluable medicine advertised as a remedy for sore eyes, caused by Scrofula, and your agent in this place, John Scott, Esq., recommended it to me highly. I purchased a bottle and gave it to my son. I could see but little alteration in him for two or three

weeks. He then began to improve rapidly, and before he had taken another bottle his eyes were cempletely cured. Signed, I do hereby certify that I am acquainted with Wm. C. Campbell, and have seen his son when he was in the condition represented by him, and have seen him since and know that he is now in good
