We want good mechanics and we will patronize them.

ANOTHER BEAR TAKEN .- Mr. Frederick Yingling of Clearfield Township, whose success in hunting has been bruin for some time past, caught another large bear, in his bear pen, week before last, and after viewing his captive for some time, concluded it was best to shoot him be fore liberating-hard time of capitulation, but the only remedy was to give and bear.

MAP OF OUR TOWN .- Mr. Thomas Doran, who has for some time past been engaged in surveying and engraving beautiful maps of many of the towns in our State, proposes, should be receive subscriptions enough to justify him, to furnish a map of our romantic village for the low price of 85. His gentlemanly agent, Mr. Behen has been in town for some days ; he has with him some specimens of Mr. Dorans' work which are very neat specimens of workmanship, and which we know to be very accurate.

JURY CHAIRS .- We have been requested to call the attention of the board of County Commissioners to the fact, that the present seats in the court house for the Jury are decidedly uncomfortable; it is very fatiguing to sit as a Juryman two or three days listening to a long trial. It has been suggested that roomy arm chairs, with some substantial kind of cushioning be provided: as a matter of public convenience, this should be attended to.

Julien's Monster Orchestra.

HEREVER Julien's name is known, the "Katy Did Polka" has an unrivalled popularity .there have been more copies of this piece sold, for the short time it has been issued, than any other musical composition ever published in America .-Christy's " The Other Side of Jordan," though it has not equaled in numbers the sale of the " Katy Did," yet the demand for it is great, and is driving out of market the many spurious copies purport-ing to be sung by Christy's Minstrel's. Ask for Christy's "The Other Side of Jordan." It has an illustrated title, and portrait of Earle II. Pierce, in costume. All others are spurious. Christy's new Songs, "Old Times Come Again," by Charles Converse, " Sally Primer" and " Julius from Kentucky" are having a glorious run. They are nightly sung to crowded audiences, and are universally sought after.
