

# DEMOCRAT AND SENTINEL.

## LOCAL ITEMS.

**COAL.**—This valuable combustible now so generally used for fuel and other purposes, is distributed in different varieties, and in rich veins throughout every square mile of our County. And citizens beyond our county will be astonished that the inhabitants of sublime Ebensburg, living, breathing, and walking upon a soil pregnant with minerals of many kinds, should pay as high ten cents per bushel for coal.

This state of things is owing to the distance of the mines from the market. The nearest coal bank to us, is that of Mr. John O. Given, who with becoming energy supplies us with large quantities, at seven cents per bushel. Other qualities, have to be hauled as far as six and seven miles, over bad roads, and all sold readily at ten cents. It is said that coal will be soon brought from near Carrolltown, on the plank road for about seven or eight cents per bushel. The Carrolltown coal is represented as of splendid quality.

A few days ago we saw a load of Anthracite coal brought into town from Lykensvalley via Jefferson. It looks like a very pure article, and is said to be as cheap when delivered here, as our own bituminous kind. Why don't some of our capitalists dig a hole somewhere near town and supply the demand? We don't like to acknowledge a competition in coal with a country hundreds of miles away.

**MARKET HOUSE.**—We have a great deal of talk among both country and town folks, concerning the erection of a market house in this place. This is a most praiseworthy movement, and we earnestly hope it will be developed in actual results. Our present system of marketing at the stores, or watching every wagon and basket that passes along, with prod and provender, is troublesome and unprofitable. A good market place is something in which all are more or less intimately concerned, and we hope our people of both borough and neighborhood will push it on.

**UNION HOUSE.**—This house has been materially improved. Mr. John A. Blair, the gentlemanly proprietor has gone to considerable expense in making it a desirable stopping place for the weary traveler. We take pleasure in recommending the Union House to the travelling public.

**CHURCH DEDICATION.**—We are informed that the new Methodist Episcopal Church, at Johnstown, will be dedicated on Sunday next. Drs. Cook and Baird, of Pittsburgh, will be in attendance.

We have received Harpers' Magazine for this month. We can't say too much in praise of Harper. His works speak for themselves.

## Foreign News.

### Arrival of the Asia.

**THREE DAYS LATER FROM EUROPE.** New York, Dec. 15.—The steamer Asia arrived here this evening, about 6 o'clock, from Liverpool, with dates to the 31st inst., and 72 passengers—among them, G. B. English, Esq., bearer of despatches.

The Asia passed the steamer America on the 14th inst., at 3 P. M.

### RUSSIA AND TURKEY.

Late despatches from Vienna state that the war makes but little progress, but still it favors the Turks.

A new project of arrangement for the Eastern difficulties has been proposed by Austria. The news is interesting, though containing no movement of magnitude along the Danube. Skirmishes are continued between small parties, with sometimes severe losses on both sides. At Mokrisin island opposite Gurgurova and at Hersono, the conflicts were accompanied with sharp fighting.

In Asia the Turkish successes continue to be very brilliant. The important fortress of Soukhan Kale and fort Usurghette have both been captured by the Turks.

Hostilities have commenced in the Black Sea. The Russian frigate Waldenier has been captured by a Turkish steamer.

On the other hand, a Russian ship has taken an Egyptian steamer of ten guns, after a desperate resistance.

The combined English and French fleets remain at their anchorage.

It is reported that the Turkish fleet intend to bombard Sebastopol.

It is understood that the new conference proposed by Austria is to be held at either Vienna, London or Paris. The combined powers are said to be favorable. Russia and Turkey are invited to send delegates, and a new manifesto is expected from the Czar.

The Turks, after the 20th of November, were to seize on the Russian shipping remaining in Turkish ports, and the Russians, after the 22d, were to seize the Turkish vessels in Russian ports.

The Sultan has declined to receive further supplies for the treasury from Uloans, as he does not wish the present hostilities to be regarded as a holy war.

Apartments are preparing at Adrianople for the Sultan, who is shortly expected there.

Affairs in Serbia are causing uneasiness to the Porte. The Serbian government demands from the Porte that an exequatur be given to the Russian Consul at Belgrade.

The Porte thinks that Serbia is listening to Russian intrigues, though a letter from the Prince of Serbia to the Sultan, states that Serbia would preserve a strict neutrality.

The whole of the Polish division of the Russian army had marched to the Principalities.

The Turkish forces had, for several nights, bombarded the Russian position at Gurgurova, but were finally dislodged by the artillery under General Termosoff.

The latest advices assert that six English and six French steamers were about to enter the Black Sea.

formed an entrenched camp between Kalafat and Krawia.

The Russian reserve corps are moving from Bess Arabia to Wallachia.

On the 24th November Schumylaud and Ismail Pacha were to make a simultaneous attack on the Russian lines, but the result is not yet known.

Omer Pacha had intercepted a letter from Menschikoff to Gortschikoff, advising him to keep quiet in the Principalities.

Fifty pieces of artillery had been sent to Adrianople, and the palace there was preparing for the Sultan, who designs making that his headquarters.

Russia is said to have required from England the recall of Admiral Lane and Capt. Brothie, now in command of the Turkish fleets, both of whom hold commissions in the British Navy.

It is reported in Vienna that an alliance has been formed between Serbia and Montenegro.

There is no English news of importance.

The anniversary of the Polish Revolution, was held in London on the 29th.

**IRELAND.**  
The Cholera has broken out in the city of Cork.

**FRANCE.**  
Rumor has been current of an assassination of the Emperor Napoleon, but there has been no foundation for them.

It is reported that an alliance offensive and defensive, has been entered into between England, France, Spain and Sardinia.

Ledru Rollin has been addressing public meetings.

The Duchess of Orleans declares that she does not recognize the late faction of the Bourbons, but maintains her own and her sire's claims to the French throne inviolate.

The Emperor of Russia has sold out his shares in the French funds.

The Cholera was making progress in Paris.

**PORTUGAL.**  
A report prevails of an attempted revolution in Portugal, in favor of Don Miguel. No confirmation of the affair has been received, and the report will, probably, prove to be an exaggeration.

**The Latest by Telegraph—Turkish Affairs.**

LONDON, Saturday Morning, Dec. 3.—Despatches received from Vienna, dated the 28th ult., state that the Austrian Cabinet lends its most strenuous support to the Serbian declaration of neutrality. The Porte, however, does not sanction neutrality on the part of Serbia, and has informed that government, that, if necessary the Sultan would make use of his power as Suzerain, and march his troops through the Serbian territory.

The Turkish Government has issued a strict prohibition against the granting of letters of marque.

Letters from Bucharest state that the Russian army was expected soon to be in a condition to take the defensive.

Contradictory accounts have been given of the result of the engagement between the Russian and the Egyptian steam frigates, but the capture of the latter appears to be correct.

A British steamer had arrived at Yarna, to take off the British Consul to Constantinople.

The Sultan will arrive at Adrianople toward the end of February.

**TRY BARRELS INDIAN LINEMENT.**—It is clear and pleasant to use. Warranted all it is recommended or money paid back. Prepared by H. G. G. Cary, Druggist and Chemist, Cleveland Ohio, to whom all orders should be addressed. Sold by an authorized Agent in every town in the State. For sale by Fred Kittel, Ebensburg Pa., and by Hughes & Wherry, Jefferson Pa.

**DR. GUYSSOT'S IMPROVED EXTRACT OF YELLOW DOCK AND SARSAPARILLA** IS A SURE REMEDY FOR HEREDITARY TUBERCULOSIS.

Thousands of individuals are cured with grievous complaints, which they inherit from their parents. The use of the *Yellow Dock and Sarsaparilla* will prevent all this, and save a vast amount of misery, and many valuable lives, for it thoroughly expels from the system the latent taint, which is the seed of disease, and so takes off the curse by which the sins or misfortune of the parents are so often visited upon the innocent offspring.

Parents owe it to their children to guard them against the effects of maladies that may be communicated by descent, and children of parents that have at any time been affected with Consumption, Scrofula or Syphilis, owe it to themselves to take precaution against the disease being revived in them. Guyssot's Extract of Yellow Dock and Sarsaparilla is a sure antidote in such cases.

**Julien's Monster Orchestra.**  
WHEREVER Julien's name is known, the "Katy Did Polka" has an unrivalled popularity. They have been more copies of this piece sold, for the short time it has been issued, than any other musical composition ever published in America. Christy's "The Other Side of Jordan" though it has not equaled in numbers the sale of the "Katy Did," yet the demand for it is great, and is driving out of market the many spurious copies purporting to be sung by Christy's Minstrel's. Ask for Christy's "The Other Side of Jordan." It has an illustrated title, and portrait of Earle H. Pierce, in costume. All others are spurious. Christy's new songs, "Old Times Come Again," by Charles Converse, "Sally Prince" and "Julius from Kentucky" are having a glorious run. They are nightly sung to crowded audiences, and are universally sought after.
