Saline, Mich., Oct. 6, 1851.

Mr. John D. Park-Dear Sir: It is with unut terable feelings of gratitude that I am able, thro' the divine providence of God, and by the wonderworking agency of that excellent medicine, 6ur sott's Yellow Dock and Sarsaparilla, to give you a few symptoms of my almost hopeless case. In the winter of 1850, I was attacked with a se vere pain, which was gradually extending through riers, TOOLS, at the lowest prices and upon the the whole right side and leg; at the same time a total prostration of my physical system; also, my leg had shrunk to two thirds of its common size. I procured the attendance of a skillful practitioner, who pronounced my disease one of the worst forms of liver complaint. He said my case was one not easily handled but prescribed for me. I remained under his treatment until I was satisfied he could not help me. I then procured of your agent a this palce, A. W. Beers, two battles of Guysott's Yellow Dock and Sarsaparilla, from which I received a vast amount of benefit. After having inken four bottles more I was able to pursue my business without any inconvegience, and have been cince that time a well man, while but a short time

Navarre, Stalk co., O., Nov. 1851. Dr. John D. Park-Dear Sir: Dr. Guysott's Extract of Sarsaparilla. This medcine has been prescribed by me for the last three years, with good effect, in General Debility, Liver Complaint, Janudice, Dyspepsia, Cronic and nervous diseases. In all female complaints it certainly is unequaled.

In the use of this medicine the patient constantly gains strengthand vigor, a fact worthy of great consideration. It is pleasant to the taste and smell, and can be used by persons with most delicate stomachs. I am speaking from experience, and to the afflicted I advise its use. DR. J. S. LEEPER.

grounds the hope for prolonged existence, if the allegations of those who are at least entitled to veracity may be believed, there is a preventive and a remedy. The great Author of Nature has provided us with a remedy for Consumption, and the diseases leading thereto which are so fearfully common in our country. Has He left us to find relief from that fatal scourge by ransacking other lands? No. the best, Nature's own remedy is at our hand. The

Wild Caerry and the Pine, furnish us with a cure where a cure is possible. One of the most important discoveries of the age. in ameliorating the condition of this large class of suffering humanity is Dr. Wistar's Balsam of Wild Cherry, which has been before the public some ten years. This valuable medicine was first discovered and introduced in the year 1838, since which time its success has constantly increased the demand, until it has become one of, if not the most popular remedy for Consumption, in its recipient

stage ever known.

Another Physician's Testimony. Mr. Fowle-Dear Sir: I could send your dozen ertificates, strong and decisive, of the really san ative effects of your valuable Balsam of Cherry, within the past twelve months, under my own supervision and direction. Indeed I know of few persons who have used it, comparatively, but commend it in the strongest terms. A case of Asthma, the severest I ever saw, to which I was called a month ago, evinced the superiority of the Balsam. It lasted him six weeks, and the dyspen and suffering was dreadful; he sat up every night. The gentleman told me to give him something to last him home, (21 miles) so that he might see his wife and child, and die in peace. I gave him one bottle of balsam and four ounces of syrup squills, directing him to take teaspoonful doses of best Bordeaux clive oil, when the difficulty of breathing was greatest. Next day I forced his despondent well, and made him take six bottles of Wistar's Balsam of Wild Cherry home with him as a present, he having alledged that he had used so much expensive medicines to no profit. Last week Mr. A. called and expressed his gratitude to me in the warmest manner, said the medicine had saved his life, paid his whole bill, and took six bottles more, and left my office for home, rejoicing.

Very respectfully yours, WM. SAAW, M. D. Washington, North Carolina, Aug. 12. Cannot be Discredited.

Fowle: - Dear Sir-Having lately had occasion to try your celebrated remedy for coughs and colds, Wistar's Balsam of Wild Cherry, which I did with success, I cannot in justice to you with hold my testimony in its favor. For several days I had been suffering from the effects of a severe cold, accompanied by a very sore throat and sickheadache, which completely incapacitated me for business. I had taken but a very small portion of a single bottle of this Balsam, when I experienced
