Debility, Dropsy, Lumbago, Jaundice and Costive. ness. Saline, Mich., Oct. 6, 1851. Mr. John D. Park-Dear Sir: It is with unutterable feelings of gratitude that I am able, thro the divine providence of God, and by the wonderworking agency of that excellent medicine, Guy sott's Yellow Dock and Sarsaparilla, to give you s

few symptoms of my almost hopeless case.

In the winter of 1850, I was attacked with a se vere pain, which was gradually extending through the whole right side and leg; at the same time total prostration of my physical system; also, my leg had shrunk to two thirds of its common size. I procured the attendance of a skillful practitioner who pronounced my disease one of the worst forme of liver complaint. He said my case was one not easily handled but prescribed for me. I remained under his treatment until I was satisfied he could not help me. I then procured of your agent's this palce, A. W. Beers, two battles of Guysot's Yellow Dock and Sarsaparilla, from which I feceived a vast amount of benefit. After having taken four bottles more I was able to pursue my business without any inconvegience, and have been cince that time a well man, while but a short time in the Northern Liberties of Hollidaysburg, and | since I was confined to my bad three-fourths of the time; and I cannot ascribe the return of my health to any other cause than by the agency of that truly valuably medicine, Guysott's Yellow Dock and Sar-

HASSEL VAURIPER. saparilla. The following letter is from a highly respectable physician who enjoys an extensive practice; Navarre, Stalk co., O., Nov. 1851. Dr. John D. Park-Dear Sir: Dr. Guysott's Extract of Sarsaparilla. This medcine has been prescribed by me for the last three years, with good

ffect, in General Debility, Liver Complaint, Jaundice, Dyspepsia, Cronic and nervous diseases. In all female complaints it certainly is unequaled. In the use of this medicine the patient constantly gains strengthand vigor, a fact worthy of great censideration. It is pleasant to the taste and smell, and can be used by persons with most delicate stomachs. I am speaking from experience, and to the afflicted I advise its use.

Wister's Balsam of Wild Cherry. For the instant relief and rapid cure of Asthma, Com-sumption, Coughs, Colds, Hourseness, Croup, and all disorders of the Lungs and Chest.

DR. J. S. LEEPERL

Wister's Balsam of Wild Cherry ! THE BEST REMEDY EVER KNOWN TO MAN. For Coughe, Colds, Asthma, Croup, Influence, Brown chitie, Bleeding of the Lunge, Difficult Brund-ing, Liver Affections, Pain or Weakness of

the Breast or Side, Se., Se., Se.

In short, this Balsam is peculiarly adapted to every disease of the Lungs and Liver, which is produced by our ever-varying climate. Fifty Thousand Persons Die annually in England of Consumption. In Ca New England States, the proportion in one in four r five. In Boston, probably one in four. In the city of New York, sixty-seven died in iwo weeks in December of this disease. It is less prevalent in the more northern latitudes, as Russia, Canada,

and among the Alps of Switzerland, where the winters are long and severe, and there are fewer sudden changes. No theory can be more welcome to the human mind than the one which establishes on good grounds the hope for prolonged existence, if the sl-

legations of those who are at least entitled to ve-racity may be believed, there is a preventice and a remedy. The great Author of Nature has provided us with a remedy for Consumption, and the diseases leading thereto which are so fearfully common in our country. Has He left us to find relief from that fatal scourge by ransacking other lands? No. the best, Nature's own remedy is at our hand. The Wild Cherry and the Pine, furnish us with a cure

where a cure is possible. One of the most important discoveries of the ago. in ameliorating the condition of this large class of suffering humanity is Dr. Wistar's Balsam of Wild. Cherry, which has been before the public some ten years. This valuable medicine was first discovered and introduced in the year 1838, since which time its success has constantly increased the demand, until it has become one of, if not the most popular remedy for Consumption, In its recipiont stage over known.

Another Physician's Testimony. Mr. Fowle-Dear Sir: I could send your dozen certificates, strong and decisive, of the really sasative effects of your valuable Balsam of Wild Cherry, within the past twelve months, under my own supervision and direction. Indeed I know of few persons who have used it, comparatively, but commend it in the strongest terms. A case of Asthma, the severest I ever saw, to which I was called a month ago, evinced the superiority of the Balsam. It lasted him six weeks, and the dyspace and suffering was dreadful; he sat up every night The gentleman told me to give him something to last him home, (21 miles) so that he might see his Dr. R. M. S. Jackson & Dr. James C. wife and child, and die in peace, I gave him one bottle of balsam and four ounces of syrup squills, directing him to take teaspoonful doses of best Bordeaux olive oil, when the difficulty of breathing was greatest. Next day I forced his despondent well, and made him take six bottles of Wistar's Balsam of Wild Cherry home with him as a present, he having alledged that he had used so much expensive medicines to no profit. Last week Mr. A. called and expressed his gratitude to me in the warmest manuer, said the medicine had saved his life, paid his whole bill, and took six bottles more, and left my office for home, rejoicing.

Very respectfully yours,

WM. SAAW, M. D.

Washington, North Carolins, Aug. 12. Cannot be Discredited. We annex a few statements from individuals

well known in this vicinity; the first of which is from Alderman Perkins: Boston, Febuary 3, 1851. Dr. S. W. Fowle: - Dear Sir-Having lately had occasion to try your celebrated remedy for coughs and colds, Wistar's Balsam of Wild Cherry, which I did with success, I cannot in justice to you withhold my testimony in its favor. For several days I had been suffering from the effects of a severe cold, accompanied by a very sore throat and sickheadache, which completely incapacitated me for business. I had taken but a very small portion of a single bottle of this Balsam, when Fexperienced relief. My cough was broken up at once, and my lungs entirely relieved from the pressure which had become so painful. I attribute the relief entirely to the good effects of your Wild Cherry, as I took no other medicine whatever. I cordially re-
