

Dr. Guyott's Improved Extract of YELLOW DOCK & SARSAPARILLA

The original and only genuine preparation for the permanent cure of consumption and diseases of the lungs where they are supposed to be affected by the free use of mercury, iron, quinine, &c., &c.

The medicine, when used according to directions, will cure, without fail, Scrofula or Kings Evil, Cancer, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sores, Ringworm, Tetters, Scald Head, Rheumatism, Pains in the Joints, Glands, Ulcers, Swelling of the Glands, Syphilis, case of Kidneys, Loss of Appetite, &c., &c., arising from the use of Mercury, Pain in the Side and Shoulders, General Debility, Dropsy, Lumbago, Jaundice and Constipation.

Residence, Mich., Oct. 6, 1851. Mr. John D. Park—Dear Sir: It is with unalterable feelings of gratitude that I am able, thro' the divine providence of God, and by the wonderful working agency of that excellent medicine, Guyott's Yellow Dock and Sarsaparilla, to give you a few symptoms of my almost hopeless case.

In the winter of 1850, I was attacked with a severe pain, which was gradually extending through the whole right side and leg; at the same time a total prostration of my physical system; also, my leg had shrunk to two thirds of its common size. I drooped the attendance of a skillful practitioner, who pronounced my disease one of the worst forms of liver complaint. He said my case was one not easily handled but prescribed for me. I remained under his treatment until I was satisfied he could not help me. I then procured your agent at this place, A. W. Beers, two bottles of Guyott's Yellow Dock and Sarsaparilla, which I received a vast amount of benefit. After having taken four bottles more I was able to pursue my business without any inconvenience, and have been since that time a well man, while but a short time since I was confined to my bed three-fourths of the time; and I cannot ascribe the return of my health to any other cause than by the agency of that truly valuable medicine, Guyott's Yellow Dock and Sarsaparilla. HASSEL YAUPEB.

The following letter is from a highly respectable physician who enjoys an extensive practice:

Navarre, Stark Co., O., Nov. 1851.

Dr. John D. Park—Dear Sir: Dr. Guyott's Extract of Sarsaparilla, I have used for three years, with good effect, in General Debility, Liver Complaint, Jaundice, Dyspepsia, Chronic and nervous diseases, in all female complaints it certainly is unequalled.

In the use of this medicine the patient constantly gains strength and vigor, a fact worthy of great consideration. It is pleasant to the taste and smell, and can be used by persons with most delicate stomachs. I am speaking from experience, and to the afflicted I advise its use.

DR. J. S. LEEPER.

Wister's Balsam of Wild Cherry.

For the instant relief and rapid cure of Asthma, Consumption, Coughs, Colic, Whooping Cough, and all disorders of the Lungs and Chest.

Wister's Balsam of Wild Cherry!

THE BEST REMEDY EVER KNOWN TO MANKIND.

For Coughs, Colic, Asthma, Croup, Influenza, Bronchitis, Hoarseness, Whooping Cough, Sore Throat, and all disorders of the Breast or Side, &c., &c.

In short, this Balsam is peculiarly adapted to every disease of the Lungs and Liver, which is produced by our ever-varying climate.

Fifty Thousand Persons

Die annually in England of Consumption. In the New England States, the proportion is one in four or five. In Boston, probably one in four. In the city of New York, sixty-seven die in two weeks in December of this disease. It is less prevalent in the more northern latitudes, as Russia, Canada, and among the Alps of Switzerland, where the winters are long and severe, and there are fewer sudden changes of temperature.

No theory can be more welcome to the human mind than the one which establishes on good grounds the hope for prolonged existence, if the ailments of those who are at least entitled to veracity may be believed, there is a preventive and a remedy.

The great Author of Nature has provided us with a remedy for Consumption, and the diseases leading thereto, which are so fearfully common in our country. Has He left us to find relief from that fatal scourge by ransacking other lands? No, the best Nature's own remedy is at our hand. The Wild Cherry and the Pine, furnish us with a cure where cure is possible.

One of the most important discoveries of the age, in ameliorating the condition of this large class of suffering humanity is Dr. Wister's Balsam of Wild Cherry, which has been before the public some ten years. This valuable medicine was first discovered and introduced in the year 1838, since which time its success has constantly increased the demand, until it has become one of, if not the most popular remedy for Consumption, in its recipient stage ever known.

Another Physician's Testimony.

Mr. Fowler—Dear Sir: I could send you a dozen certificates, strong and decisive, of the really sanative effects of your valuable Balsam of Wild Cherry, within the past twelve months, under my own supervision and direction. Indeed I know of few persons who have used it, comparatively, but commend it in the strongest terms. A case of Asthma, the severest I ever saw, to which I was called a month ago, evinced the superiority of the Balsam. It lasted him six weeks, and the dyspnoea and suffering was dreadful; he sat up every night. The gentleman told me to give him something to last him home, (21 miles) so that he might see his wife and child, and die in peace. I gave him one bottle of balsam and four ounces of syrup, directing him to take teaspoonful doses of best Bordeaux olive oil, when the difficulty of breathing was greatest. Next day I forced his despondent will, and made him take six bottles of Wister's Balsam of Wild Cherry, some with him as a present, and some he had directed to be sent to him. He had been obliged to no profit. Last week Mr. A. called and expressed his gratitude to me in the warmest manner, said the medicine had saved his life, paid his whole bill, and had used six bottles more, and left my office for home, rejoicing.

Very respectfully yours, W. M. SAAW, M. D.

We annex a few statements from individuals well known in this vicinity; the first of which is from Alderman Perkins:

Boston, February 3, 1851. Dr. S. W. Fowler—Dear Sir—Having lately had occasion to try your celebrated remedy for coughs and colds, Wister's Balsam of Wild Cherry, which I did with success, I cannot in justice to you withhold my testimony in its favor. For several days I had been suffering from the pressure of a severe cold, accompanied by a very sore throat and sick headache, which completely incapacitated me for business. I had taken but a very small portion of a single bottle of this Balsam, when I experienced relief. My cough was broken up at once, and my lungs entirely relieved from the pressure which had become so painful. I attribute the relief entirely to the good effects of your Wild Cherry, as I took no other medicine whatever. I cordially recommend it to all my friends. Respectfully yours, SAMUEL B. PERKINS.
