

which, has caused the most intense anxiety in the public mind. The unfortunate Jewell has yielded up his life, as a forfeiture of the claim imposed upon him by the stern mandate of the law. He has thus yielded up the dearest boon within the gift of his God, as a ransom for the highest crime; and it is sincerely to be hoped that every thing in relation to this sad affair may be suffered to pass into oblivion; and all the circumstances and stories connected with the fate of this unfortunate man, be forever put to rest.—Pittsburg Daily Union.

FURTHER FOREIGN NEWS. MANIFESTO OF THE CZAR.

The foreign papers to the 8th inst., from Liverpool, by the steamer Pacific, came to hand last night, and we find in them highly interesting details of the news of which we gave a telegraphic sketch yesterday. We extract as follows:

War in the East—Battle in the Dnieper.

On the 17th February, a conflict took place by mistake between two columns of the Russian army. The Turkish positions are extended in an easterly direction as far as the village of Cuiperkins, which is a mile distant from Kalafat. For several days a Turkish corps, 4,000 strong, under the command of Col. Miralai, had been posted in front of this village and in the direction of the Russian outpost. On this corps the Russians determined to make an onslaught during the night of the 16th. For this purpose two Russian columns were brought up each from 4,000 to 5,000 strong, one by the road which leads to Kalafat, from about the village of Scribezi, and the other from the left side of it, from about Poisna, (Prince Miloch's property), to advance unexpectedly upon the Turks, to surprise and enclose them, and cut them to pieces.

The Russian columns commenced their march at three o'clock in the morning, and by four o'clock reached a position from whence they were only half an hour's march from the Turkish pickets. The second column seems either to have missed the direction by mistaking the road, or had come up long after its time. Be this as it may, the latter column in the obscurity of a foggy night, concluded the former one to be a body of hostile Turks, and instantly opened upon them a terrific cannonade, which the others, who labored under the same mistake, returned with yet more deadly effect. Pressing towards each other they came ere long to a close fire of small arms.—This ill-omened combat lasted for an hour and a half, until, when day dawned, the combatants saw with horror the error they had committed.

The loss in killed and wounded in the course of this night's encounter is reckoned by the Russians themselves, at several hundreds. The Turks were naturally alarmed at every point—and at Widin, which is but a league and a half distant, Omar Pacha on hearing the cannonade, took all requisite measures for defence. The Turkish corps stationed at Cuiperkins stood to arms, in readiness for action at any moment, but did not advance, as it was at a loss to imagine or comprehend what the Russians were about, murdering one another in that style. It was not till between 7 and 8 A. M., that the Russian columns withdrew to their respective positions, carrying their wounded along with them.

Manifesto of the Czar Nicholas.

"We, Nicholas, I, &c. We have already informed our beloved and faithful subjects of the progress of our disagreements with the Ottoman Porte. Since then, although hostilities have commenced, we have not ceased sincerely to wish as we still wish, the cessation of bloodshed. We even entertained the hope that reflection and time would convince the Turkish Government of its misconceptions, engendered by treacherous instigators, in which our just demands, founded on treaties, have been represented as attempts at its independence, and veiling intentions of aggression. Vain, however, have been our expectations, so far.

"The English and French Governments have sided with Turkey, and the appearance of the combined fleets at Constantinople, served as a further incentive to its obstinacy; and now both the Western Powers, without previously declaring war, have sent their fleets into the Black Sea, proclaiming their intention to protect the Turks, and to impede the free navigation of our vessels of war for the defence of our coasts.

After so unheard of a course among civilized nations, we recalled our embassies from England and France, and have broken off all political intercourse with those Powers.

"Thus England and France have sided with the enemies of Christianity against Russia, who is combating for the orthodox faith.

"But Russia will not betray her holy calling; and if enemies infringe our frontiers, we are ready to meet them with the firmness bequeathed to us by our forefathers. Are we not the same Russian nation of whose exploits the memorable events of 1812 bear witness?

"May the Almighty assist us to prove this by deeds. With this hope, combating for our persecuted brethren, followers of the faith of Christ, with one accord let all Russia exclaim, 'O Lord, our Redeemer! whom shall we fear? May God be glorified and his enemies be scattered!'"

"St. Petersburg, 16th (21st) February, 1854."

Dr. Guyssot's Improved Extract of YELLOW DOCK & SARSAPARILLA.

IS NOW put up in the largest sized Bottles, and is acknowledged to be the best Sarsaparilla made, as is certified by the Wonder Cures it has performed, the original copies of which are in the possession of the proprietor. Remember, this is the only true and original article.

This Medicine, when used according to directions, will cure without fail, Scrofula, or King's Evil, Cancer, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetter, Scald Head, Rheumatic Pains in the Joints or Syphilis, Old Sores and Ulcers, Swelling of the Glands, Dropsy, Dyspepsia, Salt Rheum, Disease of the Kidneys, Loss of appetite, Diseases arising from the use of Mercury, Pains in the Shoulder, Shoulder, General Debility, Dropsy, Lumbago, Jaundice, and Costiveness.

The best female medicine known! The peculiar maladies to which females are subject commonly produce great bodily exhaustion, accompanied by a depressed and often gloomy state of mind. As the system declines in strength there is a loss of nervous power, and this very naturally impairs the energy of the mind and disturbs the equality of the temper. Every candid woman who has suffered from female complaints will admit this to be the mournful truth. Now, to obtain relief, it is only necessary to stop the tendency to depletion and debility. This is done by renewing that fountain of health and strength, the blood, and no medicine accomplishes this result so speedily and completely as "Dr. Guyssot's Improved Extract of Yellow Dock and Sarsaparilla."

Ladies of pale complexion and consumptive habits, and such as are debilitated by "one or two" obstructions, which females are liable to, are rest, &c., by the use of 12 bottles of this, to bloom and to be healthy. Dr. Guyssot's Improved Extract of Yellow Dock and Sarsaparilla is a sure remedy for Hereditary taint.

Females, read the following. New York, N. J., Jan. 25. Mr. Bennett—We take pleasure in stating that your Yellow Dock Sarsaparilla gives great satisfaction in every case.

A very respectable gentleman informed me that his daughter was troubled with difficult menstruation and other diseases peculiar to her sex. She had not had her regular monthly discharges for long time; but by the use of Dr. Guyssot's Yellow Dock and Sarsaparilla was radically cured.—She used Townsend's and others without receiving the slightest benefit. He had one daughter died from the same cause. J. B. TAYLOR & Co.

The cures performed by Dr. Guyssot's Extract of Yellow Dock and Sarsaparilla are lasting. The patient's general health continues to improve after disease is removed. Cures are not chronicized until time has fully testified that there can be no relapse or return. NORWAX, Herkimer Co., Feb. 1850.

S. F. Bennett & Co.—Gents: It is with great pleasure that I write you of the very happy effect of your Yellow Dock & Sarsaparilla upon my son who has long been suffering under that dreadful, loathsome disease, Erysipelas, with which he was attacked in 1848, several months ago. He has been cured by some of our best physicians, who tried their skill perseveringly for five months without any beneficial effect whatever. He became reduced to a perfect skeleton. He had ulcers from his hip down to his knee, which were constantly discharging offensive matter. Medical and surgical skill was baffled. Physicians said that his case was hopeless—there could be nothing done to arrest those terrible gangrenous ulcers. My neighbors and myself had despaired of his recovery. One of my neighbors who had cured a child of scrofula to make a trial of it, and more from the restless desire to do something while life lasted, than from any hope of cure, procured for me a bottle of your "Yellow Dock and Sarsaparilla," and commenced using it, to my astonishment, he commenced to improve before he had used the third bottle, and before he had used a half a dozen bottles, he was able to walk out. He used two bottles during the year '49, and by October last he was perfectly recovered; every vestige of the disease except the scars was removed, and he remains in perfect health up to the present time. His recovery, under the blessing of your medicine, is a matter of which you and I feel myself under great obligations to you and it is with great joy that I inform you of what your Sarsaparilla has done for my son. Respectfully, J. D. PARK, Cincinnati, Ohio. Price \$1 per bottle—six bottles \$5. Sold by J. D. PARK, Cincinnati, Ohio.

Wistar's Balsam of Wild Cherry.

For the instant relief and rapid cure of Asthma, Consumption, Coughs, Colds, Hoarseness, Croup, and all Disorders of the Lungs and Chest. Wistar's Balsam of Wild Cherry is the best ever known to man, for Coughs, Colds, Asthma, Croup, Influenza, Bronchitis, Bleeding of the Lungs, Difficult Breathing, Liver Affections, Pain or Weakness of the Breast or Side, &c., &c.

It is a most wonderful medicine, and is a melancholy truth that thousands fall victims to Consumption every year from no other cause than neglected colds; yet we find hundreds and thousands who treat such complaints with the greatest indifference, and let the disease run on for weeks, and even months without thinking of the danger. At first you have what you consider a slight cough or cold; allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pains in the side or chest, expectorate large quantities of matter, perhaps mixed with blood; a difficulty of breathing ensues, and then you find your own foolish neglect has brought on this complaint. If, then you value your life or health, be warned in time, and don't triffl with your cold, but immediately procure a bottle or two of that famous remedy, Dr. Wistar's Balsam of Wild Cherry, which is well known to be the most speedy cure ever known, as thousands will testify, whose lives have been saved by it. For Influenza it is the very best remedy in the world. Be doubly warned, remember that it is "DR. WISTAR'S BALSAM OF WILD CHERRY," that performs the most wonderful cures, and it is the remedy that will afford you immediate relief.

Hereditary consumption cured by Wistar's Balsam of Wild Cherry.

The following cure of Jeremiah Isgrigg, of consumption (five of his brothers and sisters having died of consumption) is truly wonderful. Ought not this to urge the afflicted to make use of this health-giving remedy, when it is effecting cures like the following:

PLEASANT RIDGE, Hamilton Co., O., Sept. 29, 1850. J. D. Park—Dear Sir: I take the liberty of advising you of the benefits I have derived from the use of Dr. Wistar's Balsam of Wild Cherry. I was prostrated by that terrible scourge, consumption, in May last. The attack was truly horrid to me, for five of our family, (my brothers and sisters) had died of consumption. I was afflicted with nearly all the worst features of the disease; I had a distressing cough, and expectorated a good deal of blood; hectic fever, severe pains in the chest, cold chills, alternating with flushes of heat and copious night sweats.

I was under the care of a skillful physician, from the time I was taken sick until about six weeks since: being then helpless, and my friends considering my case hopeless, advised the use of Wistar's Balsam of Wild Cherry. Without my knowledge, my father procured it, and commenced administering it to me, and from the day I first commenced using it, I was able to be out and oversee my business, which I still continue to do. I took four bottles, and am now well. I make it a statement to you, that I am not afflicted as I have been, to make a trial of the medicine which has, under the blessing of Providence, restored my health.
