FOR REST. THE Tavern stand and premises in Water Street, lately occupied by Jno Ward. For further information apply to H. B. MYTINGER, Water Street, April 6, '54.

Dr. Guyssot's Extract of YELLOW DOCK & SARSAPARILLA

IS NOW put up in the largest sized Bottles, and is acknowledged to be the best SARSAPARILLA made, as is certified by the Wm. Decker Co. who has performed the original copies of which are in the possession of the proprietor. Remember, this is the only true and original article.

This Medicine, when used according to directions, will cure without fail, Scrofula, or King's Evil, Cancer, Tumors, Eruptions of the skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetter, Scald Head, Rheumatic Pains in the Bones or Joints, old Sores and Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum, Disease of the Kidneys, Loss of appetite, Diseases arising from the use of mercurial Salts in the Sides and Shoulders, General Debility, Dropsy, Lumbago, Jaundice, and Costiveness.

The best female medicine known! The peculiar maladies to which females are subject commonly produce great bodily exhaustion, accompanied by a depressed and often gloomy state of mind. As the system declines in strength there is a loss of nervous power, and this very naturally impairs the energy of the mind and disturbs the equanimity of the temper. Every candid woman who has suffered from female complaints will admit this to be the mournful truth. Now, to obtain relief, it is only necessary to stop the tendency to depletion and debility. This is done by renewing that fountain of health and strength, the blood, and no medicine accomplishes this desirable result so speedily and completely as Dr. Guyssot's Improved Extract of Yellow Dock and Sarsaparilla.

Ladies of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored, by the use of a bottle or two, to bloom and to vigor. Dr. Guyssot's Improved Extract of Yellow Dock and Sarsaparilla is a cure remedy for Hereditary taint. Females, read the following. NEWARK, N. J., Jan. 25. Mr. Bennett—We take pleasure in stating that your Yellow Dock Sarsaparilla gives great satisfaction in every case.

A very respectable gentleman informed me that his daughter was troubled with difficult menstruation and other diseases peculiar to her sex, which had not had her regular menstrual discharge for a long time; but by the use of Dr. Guyssot's Yellow Dock and Sarsaparilla was radically cured. She used Townsend's and others without receiving the slightest benefit. He had large quantities of the same cure. J. B. TAYLOR & CO. The cure performed by Dr. Guyssot's Extract of Yellow Dock and Sarsaparilla are lasting. The patient's general health continues to improve after disease is removed. Cures are not chronicled until time has fully tested that there can be no relapse or return of the disease. NEWARK, Herkimer Co., Feb. 1850. S. F. Bennett & Co.—Gents: I am with great pleasure that I write you about the very happy effect of your Yellow Dock and Sarsaparilla upon my son who has long been suffering under that dreadful, painful disease, Erysipelas, which was first attacked in 1848, and was for several months attended by some of our best physicians, who tried their skill progressively for five months without any beneficial effect whatever. He became reduced to a perfect skeleton. He had ulcers from his feet down to his knee, which were continually discharging offensive matter. Medical and surgical skill was baffled. Physicians said that his case was hopeless—there could be nothing done to arrest the progress of the terrible gangrenous ulcers. Myself thought his dissolution near at hand. One of my neighbors, who had cured a child of scrofula with your invaluable medicine, wished me to make a trial of it, and more from the restless desire to do something while life lasted, than from any hope of getting relief, I procured three bottles of your "Yellow Dock and Sarsaparilla," and commenced using it, as to my astonishment, he commenced to improve before he had used the third bottle, and before he had used a dozen bottles, he could walk out. He used in all twelve bottles during the year '49, and by October last he was perfectly recovered; every vestige of the disease except the scars was removed, and he remains in perfect health up to the present time. His recovery, under the blessings of God, is entirely owing to the use of your Yellow Dock and Sarsaparilla, and I assure you that I feel bound under great obligations to you and it is with great joy that I inform you of what your Sarsaparilla has done for my son. Respectfully, JAMES ROSS. Price \$1 per bottle—six bottles for \$5. Sold by J. D. PARK, Cincinnati, Ohio.

Wister's Balsam of Wild Cherry. For the instant relief and rapid cure of Asthma, Consumption, Coughs, Colds, Hoarseness, Croup, and all disorders of the Lungs and Chest. Wister's Balsam of Wild Cherry is the best ever known to man, for Coughs, Colds, Asthma, Croup, Influenza, Bronchitis, Bleeding of the Lungs, Difficult Breathing, Liver Affections, Pain or Weakness of the Breast or Side, &c., &c., &c. It is a melancholy truth that thousands fall victims to Consumption every year from no other cause than neglected colds; yet we find hundreds and thousands who treat such complaints with the greatest indifference, and let them run on for weeks, and even months without thinking of the danger. Do you have what you consider a slight cough or cold; allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pains in the side or chest, experience large quantities of mucus, perhaps mixed with blood; a difficulty of breathing ensues, and then you find your own foolish neglect has brought on this complaint. If, then, you value your life or health, be warned in time, and don't trifle with your cold, but instead of procuring a bottle or two of that famous remedy, Dr. Wister's Balsam of Wild Cherry, which is well known to be the most speedy cure ever known, as thousands will testify, whose lives have been saved by it. For Influenza it is the very best medicine in the world. Be not deceived, remember that it is "DR. WISTER'S BALSAM OF WILD CHERRY," that performs the most wonderful cures, and it is the remedy that will afford you immediate relief.

Hereditary consumption cured by Wister's Balsam of Wild Cherry. The following cure of Jeremiah Leggett, of consumption (five of his brothers and sisters having died of consumption) is truly wonderful. Ought not this to urge the afflicted to make use of this health-giving remedy, when it is effecting cures like the following: PERRYMAN RIDGE, Hamilton Co., O., Sept. 29, 1850. J. D. Park—Dear Sir: I take the liberty of advising you of the benefits I have derived from the use of Dr. Wister's Balsam of Wild Cherry. I was prostrated by that terrible scourge, consumption, in May last. The attack was truly horrid, to my fortune of our family, (my brothers and sisters) had died of consumption. I was afflicted with nearly all the worst features of the disease; I had a distressing cough, and expectorated a good deal of blood; hectic fever, severe pains in the side and chest, cold chills, alternating with flushes of heat and copious night sweats. I was under the care of a skillful physician, from the time I was taken sick until about six weeks since; being then helpless, and my friends considering my case hopeless, advised the use of Wister's Balsam of Wild Cherry. With this medicine, my father procured it, and commenced administering it to me, and from the day I first commenced using it, I was able to be out and oversee my business, which I still continue to do. I took four bottles, and am now well. I make this statement to induce others that are afflicted as I have been, to make a trial of the medicine which has, under the blessing of Providence, restored my health. JEREMIAH LEGGETT. Price—\$1 per bottle; six bottles for \$5. Sold by JOHN D. PARK, N. E. corner of Second and Third Streets, Cincinnati, Ohio, to whom all orders must be addressed. Agents for the above medicines—Shotmaker & Clark, Ebensburg; Moore & Kepler, Carrolltown; W. W. Ivory & Co., Summit; Johnson & Ebbel, Blairsville; E. P. Hillbrand, Indiana; J. C. Day, Blairsville; Fleming Brothers, Pittsburg. August 19, 1850—1y.
