COUNTY MEETING Respecting the new county of "Conemaugh."

A very large and respectable meeting composed of the citizens of every township and borough in the county of Cambria, convened in the Court House on Tuesday evening for the purpose of expressing their views in regard to the proposition now pending to erect the new county of Conemaugh.

Mr. JAMES KANE being called to the chair, the following gentlemen were elected officers of the meeting: James D. Hamilton, Jacob R. Stall, Gordon Sinclair, John Ferguson, William G. Williams, Daniel Litzinger, Francis Beaser, R. J. Proudfoot, F. M. George and Gid-on Marlett, Vice Presidents; Wm. C. Barbour, John Lloyd and J. D. Hoover, Secretaries.

The object of the meeting being stated by Col. C. H. Heyer, On motion of R. L. Johnston, the following committee was appointed by the chair to draft resolutions expressive of the sense of the meeting:

R. L. Johnston, Esq. Abram Jones, Benjamin James, J. H. Douglass, Isaac White, Peter Dougherty, Isaac Evans, Alpheus Tibbitts, and Peter Kaylor.

T. L. Heyer, Esq., of Johnstown, was then called upon to address the meeting. He responded in an able manner, arguing that the interests of the people of Johnstown would be enhanced by the proposed county of Conemaugh.

The committee then reported the following resolutions which were adopted: WHEREAS, The County of Cambria is now one of the smallest in the Commonwealth, both in extent and population; occupying an area nearly square, on the table land of the Allegheny mountain; with a seat of Justice within five miles of her centre, and within two or three hours ride of Johnstown, the proposed new county seat: And

WHEREAS, The integrity of our territory, which has been preserved for nearly fifty years, is now attempted to be destroyed by sundering us into fragmentary divisions and alien communities, for the benefit of a few, to the injury of the great mass of our population: Therefore be it Resolved, That the people of Cambria county, assembled in council, from every precinct, respectfully, but solemnly, protest against the disintegration of the "Mountain County," and earnestly invoke our law makers to pause before they inflict this great wrong upon us.

Resolved, That in thus protesting, the rival interests of Ebensburg and Johnstown are with us matters of secondary importance, to the picture of increased burdens and diminished resources that would follow the dismemberment of Cambria county.

Resolved, That any such dismemberment would in a very great measure render us morally, socially, and politically impotent, and prevent the voice of our county from being heard in the halls of Legislation.

Resolved, That the new county question was not made the test at our State general election, as the election returns conclusively show, Mr. King being very few votes in advance of his ticket.

Resolved, That we regret that a question of veracity has arisen between Mr. King and some of our citizens; yet we cannot, in such an issue, doubt the assertions of Col. Heyer and Maj. Thompson, when only contradicted by Mr. King, whose pledges on other subjects have not been redeemed.

Resolved, That in the language of indignant freemen we deprecate the officious intermeddling of Philadelphia corporations in our domestic relations; and trust the legislature will hearken to the bona fide citizens of Cambria county, in preference to soulless corporations.

Resolved, That while we cherish the right to meet and express our own opinions on this and all other subjects, we accord the same right to those who think differently from us; but we do trust that hereafter our new county friends will not permit their organ to vilify and defame private character.

Resolved, That we have no sliding confidence in our own Senator, Hon. John Cresswell, and will not doubt that the local interests of "Little Cambria" are secure in his hands; and that he is not prepared to parcel out her territory among her despoilers.

John Fenlon, Esq., having been called upon, responded in his usual happy style, using arguments very clearly showing that there is no necessity for the dismemberment of Cambria county.

On motion, E. Hutchinson, Esq., then addressed the meeting in a few words but to the purpose, stating that he was opposed to Conemaugh county, and would be until convinced that there is a necessity for it.

R. L. Johnston, Esq., next addressed the meeting in a speech of some length, showing clearly that in those times of Railroads and Plankroads there is no necessity for lopping off the territory of Cambria.

On motion, Col. C. H. Heyer addressed the meeting, and charged Geo. S. King with falsehood in asserting in Harrisburg that he was elected as the champion of Conemaugh county.

On motion, C. L. Pershing, Esq., addressed the meeting in favor of the division of the county, but stating that if Conemaugh county is not created, that he, and he believed a majority of his fellow-citizens of Johnstown would sooner attend court in Ebensburg than at any proposed county seat.

Mr. A. J. Rhey being called out, addressed the meeting in a neat and very appropriate speech, opposing the division of the county.

Col. M. D. Magehan being loudly called for, took the floor and stated that if Cambria county is divided, it would most likely be many years without a voice in our legislative halls, and deprecating any such movement as unjust and uncalled for.

CAMBRIA TOWNSHIP.

At a meeting held in the Zear School House on Friday night, March 2d, JOHN E. ROBERTS was called upon to act as President. John Fryce and Hugh Tudor, Vice Presidents, and John Jones Secretary.

Resolved, That we, the yeomanry of Cambria county, are opposed to any division of it, knowing that public interest does not require it, and that it would increase our already heavy taxes.

Resolved, That the bill before the Legislature for the erection of Conemaugh county, is without a precedent, in asking us to maintain her prisoners for three years after that county has been erected.

Resolved, That those of us who voted for George S. King, voted for him on party grounds alone, having received what we considered sufficient pledges from him, that he would not favor the dismemberment of Cambria county.

Resolved, That George S. King has betrayed the confidence we placed in him, and the only way he can regain the confidence of his constituents is by withdrawing the bill for the erection of the county of Conemaugh, and resigning his seat in the legislative hall.

On motion the proceedings were signed by the officers, and ordered to be published in the "Alleghenian" and "Democrat & Sentinel."

On motion adjourned. Signed by the Officers: MEETING AT LORETTO.

Agreeably to notice previously given a large number of the citizens of Loretto and Allegheny township assembled at the house of Col. P. Shields, in Loretto, on Friday evening, March 3d, for the purpose of expressing their sentiments with respect to the contemplated formation of Conemaugh county.

The meeting was organized by appointing PETER CHRISTY President, and Philip Hertzog and Matthew Adlesberger Vice Presidents, and John Reilly Secretary.

The object of the meeting was stated in a brief speech by James Kaylor, after which the President appointed Alexander Yinger, Michael Adlesberger and James J. Taylor, a committee to draft resolutions expressive of the sense of the meeting.

After retiring for a short time the committee reported the following resolutions which were unanimously adopted.

WHEREAS, An attempt is now being made by a portion of the citizens of Johnstown and vicinity to procure the passage of an act by the present Legislature to erect a new county to be called Conemaugh, out of parts of Cambria and the adjoining counties; and WHEREAS Cambria being one of the smallest counties in the State, cannot suffer any diminution of her territory without serious injury to a large majority of her citizens.

Resolved, That we most earnestly protest against any project calculated to reduce the present circumscribed limits of this county.

Resolved, That we most respectfully appeal to the Legislature, and hope that honorable body will protect us from the effects of a scheme which, if successful, must inflict a lasting injury upon Cambria county.

Resolved, That in view of the financial condition of Cambria, county with a heavy debt lately contracted for the erection of a poor house, we consider any dismemberment of her territory oppressive, impolitic, and unjust.

Resolved, That we have too much confidence in the wisdom and justice of our Legislature to believe that that body will sanction this design, as it is to injure many for the benefit of a few.

Resolved, That complaints from citizens of Johnstown of inconvenience in reaching Ebensburg come with a bad grace, whilst persons from other portions of the county travel twice as far without a murmur.

Resolved, That the proceedings of this meeting be signed by the officers and published in the county papers.

On motion the meeting adjourned. Signed by the Officers: 95-Letters from Kansas state that there is not a nullifier to be found in the Territory. Here's a chance for some of our young ladies to make their fortunes.

96-Cattle are said to be dying of starvation in some parts of Ohio, in consequence of the drought last summer, which cut off the usual supplies necessary for their sustenance.

97-Although the Russian commerce is by no means extensive, and exposure to the cruisers of the allied fleet during the present war has been particularly avoided, yet the British have captured no less than ninety-two Russian prize vessels.

98-The wine growers in Cincinnati are considering the propriety of petitioning Congress at its next session to pass a bill to encourage the cultivation of the grape, and the manufacture of wine in this country.

99-There are in the State of Illinois, two thousand and four hundred and thirty-six and a half miles of railroads, over which daily arrive and depart one hundred trains, fully loaded, either with passengers or freight.

100-The citizens of Pittsburg are petitioning the Legislature, for the privilege of establishing a chain-gang in that city. They say their jail is constantly crowded with a host of sturdy vagabonds, who ought to be put at work, instead of being fed at the expense of the honest and industrious portion of the community.

101-Western Virginia papers state that cattle in that section are positively dying for want of food. The great drought of last season has cut off hay, grass and other crops, and the country is too much cleared up to afford browse for the stock. The snow has been deep, and remains long on the ground.

102-A grey eagle shot in Jefferson county, Va., measured between the ends of its wings seven feet two inches. While dying from the wound which brought him down he lifted a large dog from the ground with his bill. Hoorah for the American bird!

103-In the counties of Sonora and San Francisco, California, five hundred murders have been committed in the last five years, and only three murderers have been hung under judicial sentences. What an acquisition Mat. Ward would be to that community.

Girls! don't accept the hand of anybody who tells you that he is going to marry and settle.

Make him settle first, and marry him afterwards. 93-New clothes make some people very pious. For a whole month after a certain Miss obtained a new mantilla, she appeared in church three times a Sunday.

94-The merchants of Brownsville, Texas, have, it is said, subscribed \$60,000 towards fitting out a filibustering expedition against Mexico.

95-The Mayor of Albany has proposed an ordinance in the Common Council of that City, prohibiting the use of camphene, under a penalty of \$25 for each violation of the law.

96-It is said that Mr. Prescott has completed, after ten years' labor, his "History of the Reign of Philip the Second." It will be published in three volumes.

97-The Detroit Tribune says that the Canadians are talking of a railroad from Malden to Buffalo, to run along the north shore of the lake. They propose to tunnel Detroit river at Malden, and connect with the Michigan Southern Road. The cost is estimated by the engineer, Mr. Scott, at five millions dollars.

98-The St. Louis Republican learns from a reliable source that Gen. W. S. Harney, U.S. Army, has been selected to command the military expedition against the Sioux Indians, during the ensuing season.

99-The Boston Board of Trade is preparing a medal for Commodore Perry, as an acknowledgment of his services in Japan.

100-It is stated that the English government has sent large orders to the New York butchers for beef to supply the British army.

101-The Chinese are departing from California. Some two thousand left in the course of a few weeks. Three or four gamblers of the race carried off over \$60,000, and the common herd average \$100 to \$200 each.

102-The Masonic Hall, at Altoona, Blair county, was destroyed by fire on Monday morning last. The loss is estimated at \$3,700.

103-Church going has become a very expensive matter in San Francisco. At a sale of pews several sold as high as twelve hundred dollars equivalent to about \$28 per Sunday.

104-Hon. Wm. M. Gwin sailed from New York, on Monday, for California.
