thelowest figure ; Made up Clothing, Coats, Pants, Vests ; he would especially call the attention of an astonished public to his stock of miracalous Hats, containing specimens of the Hong Kong, the Sebastoped, and the half shaved Hats, forming a col loction of novelties never equalled in this, and very few other countries.

His stock of Shoes and Boots, defies competition, the Euroka Slippers, the Parodi cnamelled Shoes Jenny Lind Buskins, will afford unmitigated delight to the fair votaries of the "mazy dances," while his Kossuth Boots, his Schamyl Pumps, and the untiring "O'Rourke brogue," will enable the lords of creation to do the tallest kind of walking.

His Groceries he will sell at cost and carrige, considering the hardness of the times he wishes to make no profit on the provisions which sustain human life, but at the same time he would delicately suggest, that if ever any atticle of sugar was entitled to a premium, that which he offers to the inspection of a discerning public, certainly is

AYER'S PILLS FOR ALL THE PURPOSES OF A AMILYPHYSIC There has long existed a public demand for an

effective purgative Fill which could be relied on . with a view to the wants of this community. His stock embraces Dry Goods such as Calicoes, Delsines, Bareges, Muslius, which he will sell at shown with what success it accomplishes the purpose designed. It is easy to make a physical Pill, but not so easy to make the best of all Pills-one but not so easy to make the best of all *Puls*—one which should have none of the objections, but all the advantages of every other. This has been at-tempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that al-most every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much arguing nois and resultion them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These Pills produce no irritation or pain, unless it arises from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in ths several diseases to which they are applicable are given on the box.
