KEEP constantly on hand the genuine Timothy Slack's Angers, Wm. Mann's, Beatty's, and Hunt's superior Axes, Conrad & Walton's superior polished Steel Shovels, Darling & Walcott's Grass and Carding-Sheaves, Common and Patent Scythes, Smith's Patent Clothes Pins, &c., &c., which they offer for sale on reasonable terms, to country dealers only. Valuable Property For Sale. THE subscriber offers for sale a farm, situated two miles from Carrolltown, in Carroll Co., Cambria county, adjoining land of Mrs. Haynes, and other lands of the subscriber, containing 100 acres, 25 or 30 acres of which are cleared, with a good log house and barn thereon erected, and land is of good quality, with several never failing springs of water, and conveniently situated for roads, mills, &c. An indisputable title will be given, and terms made easy. FRANCIS GILLASPIE. June 13, 1855.

NEW GOODS. JERRY MEGONIGLE would respectfully announce to the public that he has just received and opened at the stand well known as the "Mike Walsh" House, at the foot of Plane No. 4, a lot of New Goods, which have been carefully selected with a view to the wants of this community.

His stock embraces Dry Goods such as Calicoes, Delaines, Barages, Muslins, which he will sell at the lowest figure; Made up Clothing, Coats, Pants, Vests; he would especially call the attention of an amateur public to his stock of marvellous hats containing specimens of the Hong Kong, the Sebastopol, and the half-shaved Hat, forming a collection of novelties never equalled in this, and every other country.

His stock of Shoes and Boots, defies competition. The Barrels Slippers, the Parodi enamelled Shoes, Jenny Lind Baskets, will attract the attention of all eyes to his fair varieties of the "mazy dances," while his Kosuth Boots, his Schany Pump, and the native "O'Rourke brogue," will enable the lords of creation to do the tallest kind of walking.

His Groceries he will sell at cost and carriage, considering the hardness of the times he wishes to make no profit, and the provisions which sustain human life, but at the same time he would delicately suggest, that if ever any article of sugar was sent to a premium, that which he offers to the inspection of a discerning public, certainly is the one.

"Jerry" wants "all the world and the rest of mankind" to come and see his establishment and get bargains—by all means. JEREMIAH MEGONIGLE. Hemlock, April 25, 1855.
