Among the numerous discov-eries Science has made in this generation to facilitate the business of life-increase its enjoyment, and even prolong the term mankind, than this contribu-

tion of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Rennedy has at length been found which can be relied on, to cure the most dangerous affections of the sugge. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following :- and refer further enquiry to my American Almanac, which the agent below named, will always be plaased to furnish free, wherein are full particu-

ars, and indisputable proof of the statements. Office of Transportation, Laurens R. R., S. C., Aug. 4, 1858.

DR. J. C. AYER, Dear Sir,- My little son, four years old has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten. and every person that visited him, pronounced him a dead child. Having used your CHEREY PECTOBAL, in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a tea-spoon-ful every three hours, commencing in the morning, and by ten o'clock at night. I found a decided change for the better, and after three days use, he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affec-tions of the Throat and Lungs, I believe it the best medicine extant. A feeling of the deepest gratitude, prompts me in addressing you these lines .- but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect, J. D. POWELL, Supt. Trans., L. R. R. Racky Hill, (Somerset Co.) N. J., July 21, 1852.

Da. J. C. Avza,-Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it is not too much for the  $\pi$  od it has done. I take pleasure in selling it, ause I know that I am giving my customers the worth of their money, and I feel gratified in siging the benefit it confers.

Please send me a further supply, and believe me Yours, with respect, JOHN C. WHITLOCK. P. S. Almost any number of certificates can be sant you if you wish it.

Windsor, C. W., June 26, 1852. DR. J. C. AYER. Sir,-This may certify that have used your CHERRY PECTORAL for upwar of one year; and it is my sincere belief that should have been in my grave ere this time if
