A Human Life Saved.
Dowagiac, Mich., March 11, 1856. J. A. RHODES, Esq.: Dear Sir-As I took your medicine to sell on consignment, "no cure pay," I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of

all I have received: W. S. CONKLIN told me-"I had taken nine bottles of Christie's Ague Balsam, and continually run down while using it until my lungs and liver were Congested to that degree that blood any good until I got Rhodes' Fever and Ague Cure which at once relieved me of the distress

short time." H. M. CONKLIN says : "I had been been taking medicine of as good a doctor as we have in our county, and taken any quantity of quinine and specifics without any good result, from 25th August to 17th December. But seeing how nicely it operated on my brother, I got a bottle of RHODES' FEVER AND AGUE CURE, which effected a permanent cure by using two thirds of

S. M. CONKLIN was not here, but both the other brothers say his case was the same as H. M's. I sold the medicine to both the same day, and the cure was as speedy from the same small quantity

and I might so specify, Yours with respect,

A. HUNTINGTON.

The above speaks for itself. Good proof as it is, it is of no better tenor than the vast number of like certificates I have already published, and JAMES CARROLL, Executors of like certificates I have already published, and the still greater amount that is continually pouring in to me.

> One thing more. Last year I had occasion to Caution the Public in these words :-" I notice one firm who have taken one general circulars, substituted the name of their nostrum for my medicine, and then with brazen

> impudence end their pamphlet with the exclamation,

"Let the proprietor of any other medicine say as much if he dares." &c. Now I take pleasure in saying that the Caution referred to the same "Dr. Christie's Ague Balsam" that is mentioned in the above cer-

There are several other industrious people who are applying to their poisonous trash all that I publish about my fever and Ague Cure, or Antidote to Malaria, except the Certificates of Cures, and the Certificate of the celebrated Chemist Dr. James R. Chilton of N. Y., in favor of its perfeetly HARMLESS CHARACTER, which is attached to every bottle. These will always serve to distinguish my medicine from imitations.

JAS. A. RHODES, Proprietor. April 23, 1856. 8m. Providence, B. I. For sale by Druggists generally.

IMPORTANT TO EVERYBODY. NOR the last two or three years, I have been engaged in a business known only to myself, and, comparatively, a few others, whom I have instructed for the sum of \$200 each, which has averaged me at the rate of from \$3,000 to \$5000 per annum; and having made arrangements to go to Europe in the month of August next, to engage in the same business, I am willing to give full instructtions in the art to any person in the United States or Canadas, who will remit me the sum of \$1. I am induced, from the success I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from \$5 to \$15 per day at it, to every person an opportunity to engage in this business, which is easy, pleasant, and very profitable, at a small cost. There is positively No Humbug in the matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they are making from \$5 to \$15 per day at the same. It is a business in which either LADIES or GENTLEMEN can engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania, and Maryland, whom I have instructed, are now making from \$3 to \$6 per day at it. It is a GENTEEL BUSINESS, and but a FEW SHILLINGS are required to start it. Upon receipt of \$1, I will immediately send to the applicant a printed circular containing full instructions in the art, which can be perfectly understood at
