**A Human Life Saved.**  
DOWAGIAC, Mich., March 11, 1856.  
J. A. RHODES, Esq.: Dear Sir—As I took your medicine to sell on commission, "no cure no pay." I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of all I have received:  
W. S. CONKLIN told me—"I had taken nine bottles of Christie's Ague Balm, and continually run down while using it until my lungs and liver were congested to that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another child. The doctors did all they could for me, but thought I must die. Nothing did me any good until I got Rhodes' Fever and Ague Cure which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced a permanent cure in a short time."  
H. M. CONKLIN says: "I had been taken with the medicine of a good doctor as we have in our county, and taken any quantity of quinine and specifics without any good result, from 25th August to 17th December. But seeing how nicely it operated on my brother, I got a bottle of RHODES' FEVER AND AGUE CURE, which effected a permanent cure by using two thirds of a bottle."  
S. M. CONKLIN was not here, but both the brother and sister say his case was the same as H. M.'s. I sold the medicine to both the same day, and the cure was as speedy from the same small quantity and I might so specify, Yours with respect,  
A. HUNTINGTON.

The above speaks for itself. Good proof as it is, it is of no better tenor than the vast number of like certificates I have already published, and still greater amount that is continually pouring in to me.  
One thing more. Last year I had occasion to caution the Public in these words:—"I notice one firm who have taken one of my general circulars, substituted the name of their medicine for my medicine, and then with brazen impudence and their own explanation, 'Let the proprietor of any other medicine say us much if he dares.'"  
Now I take pleasure in saying that the Caution referred to the same "Dr. Christie's Ague Balm" that is mentioned in the above certificate.  
There are several other industrious people who are applying to their poisonous trash all that I publish about my fever and Ague Cure, or Anti-dote to Malaria, except the Certificates of Cures, and the Certificate of the celebrated Chemist Dr. James R. Chilton of N. Y., in favor of its perfectly HARMLESS CHARACTER, which is attached to every bottle. These will always serve to distinguish my medicine from imitations.  
JAS. A. RHODES, Proprietor.

**IMPORTANT TO EVERYBODY.**  
FOR the last two or three years, I have been engaged in a business known only to myself, and, comparatively a few others, whom I have instructed for the sum of \$200 each, which has averaged me at the rate of from \$5,000 to \$5000 per annum; and having made arrangements to go to Europe in the month of August next, to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canada, who will permit me the sum of \$1. I am induced from the success I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from \$5 to \$15 per day at it, to every person an opportunity to engage in this business, which is easy, pleasant, and very profitable, at a small cost. There is positively NO HUSK in the matter. References of Ebensburg, will be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they are making from \$5 to \$15 per day at the same. It is a business in which either LADIES or GENTLEMEN can engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania, and Maryland, whom I have instructed, are now making from \$3 to \$5 per day at it. It is a GENTLE BUSINESS, and but a FEW SHILLINGS are required to start it. Upon receipt of \$1, I will immediately send to the applicant a printed circular containing full instructions in the art, which can be perfectly understood at once.

He would also, inform the citizens that the business of HORSE SHOEING will be superintended by himself personally. Owners of valuable horses will not be under the necessity of sending their stock to a neighboring village, as his experience in this line is widely known.
