**AYER'S PILLS.**

"Wisdom shall bow down to it, and the great of the earth shall kneel before it."  
Never could this be said with more truth, than it now applies to this remedy for affections of the Throat and Lungs. The exalted in learning and power, acknowledge its supremacy, while both the timid and the great can feel its benefits. The liberal-minded among those skilled to cure are free to own its mastery over distempers which have baffled their art. Those of exalted stations are not ashamed to testify to its virtues, but deem it a duty and a pleasure to thus hold out the lamp of their experience to their suffering fellow-men. Witness the following:—  
(Translation.)  
Vermillionville, La., April, 1856.  
Mons. le Dr. J. C. Ayer.—I have of late, made frequent use of your CHERRY PECTORAL in my practice, and am happy to inform you that in no case yet has it failed me. I have made some signal cures of Laryngitis and Bronchitis with it, and have completely cured one case of Asthma, which had withstood every other medicine I could employ.  
Accept, Sir, the assurances of my distinguished consideration.
