

Democratic Meeting at Cherry Tree.

A large number of the Democratic citizens of Cherry Tree and vicinity met in the Town Hall on Monday evening the 1st inst.

The meeting was organized by calling R. H. McCormick to the Chair and appointing D. R. Kinport Secretary.

The Chairman briefly stated the object of the meeting to be the formation of a Democratic Association.

A committee of five was appointed to prepare a Constitution and By-Laws for the government of the Association, viz: Dr. R. Kinport, Dr. W. A. Platt, E. D. B. Porter, Edward King and W. H. Gibbons.

The committee retired a few minutes when they returned and through their chairman, D. R. Kinport, reported the following preamble, together with a Constitution and By-Laws, which were unanimously adopted by the association.

Presamble—The objects of this association shall be to promote Democratic principles and secure their ascendancy in the approaching contest, by the election of the candidates of our State and National Convention.

Its members unite to aid in effecting that unity of action and purpose, among our Democratic brethren of this Commonwealth, of the whole United States, which will rally the entire Democracy as one man to preserve our glorious Union, our beloved country, from falling into the hands of Black Republicans who ascendancy would endanger the liberties of our Country, and create disunion and strife that never could be healed. Our motto is, "One Country! One Union! One Constitution! One Destiny!"

On motion of E. D. B. Porter, association proceeded to election of officers, result as follows:

President—D. R. KINPORT. Vice Presidents, Jos. Creery and A. Tibbitts Secretary—E. D. B. Porter

Treasurer—R. H. McCormick. Edward King, Dr. W. A. Platt, Gideon Kinport, John Eason and Michael Forbes.—Committee of Correspondence.

On motion, Resolved that the hours of meeting on the 18th inst., at our Mass meeting, be ten o'clock A. M., and six P. M.

On motion of John King, jr., a committee of three was appointed to prepare a hickory pole to be raised on the morning of the 18th inst., viz:

John King, jr., Benj. Stewart and James Patrick. On motion of P. J. Stiffler, a committee of seven was appointed to make the necessary arrangements for the meeting of the 18th, viz:

P. J. Stiffler, A. Tibbitts, J. H. Rummel, W. H. Gibbons, C. R. King, Jos. Creery and G. W. Oaks.

On motion of E. D. B. Porter, Resolved, That the proceedings of this meeting be published in the "Democratic Messenger" of Indiana, "Clearfield Republican" of Clearfield, and "Democrat and Sentinel" of Ebensburg.

On motion adjourned to meet on Monday evening the 8th inst., at the "Democratic Association rooms," front street.

On leaving the Hall three enthusiastic cheers were given for "Buchanan, Breckinridge, and the Union."

FREMONT'S TWO FACES.

The distinguished male candidate for the Presidency appears, from good testimony, to be very easy in his religious opinions, and not at all scrupulous about turning them to his political advantage. If he were not a candidate for the Presidency and a "fighting man," we should pronounce him a dishonest scoundrel better deserving of a good whipping than the Presidential office. But we will submit the matter to the judgment of his friends—that is, to that portion of them who are not entirely demoralized by grasshopper and Mariposa glitter.

Mr. B. F. Cook, a respectable and well known merchant of New York, called on Fremont to ascertain from himself something reliable in regard to his religion. What took place between them Mr. Cook relates as follows:

Some friends having desired to enlist the speaker, (Mr. Cook) in the cause of so-called Republicanism, he expressed a desire to have a doubt removed on this mooted question; (Col. Fremont's alleged catholicism;) but said nothing short of assurance from Col. Fremont's own lips would satisfy him.

An interview was arranged for. The object of the visit being understood by the Colonel, he avowed himself ready to answer any questions proposed. Mr. Cook proposed the following, and received to each the answer annexed, viz:—"Were you married by a Roman Catholic priest?" "I was, the Colonel's lip quivering as he spoke. "Did you at the time believe in, or profess to believe in the Roman Catholic religion?" "I did not." "Have you before or since, or at any time professed the Catholic religion?" "I have not." Here Mr. Cook bowed, to signify that he had no more questions to ask.

Col. Fremont then volunteered some remarks to the following effect:—that whilst in California he attended no church, and that he occupied his Sundays in reading and writing, and attending to such matters of business as he thought of importance. Mr. Fremont further said—"I am frequently interrogated by all parties on this subject. I presume the delegation now waiting for me up stairs wish to interrogate me on this point. When they do I shall put the most favorable construction on the matter that I can.—I wish to offend none, but to secure the votes of all. Only this very morning I have a letter from Maine, saying that unless I make a personal denial of Romanism, and that I am or have been a Roman Catholic, that I will authorize my friends to sell me a large German and Irish vote. I have to frame my replies so as to secure the votes of all. There is now a deputation waiting for me, whose errand I doubt not is the same. It is best to say as little about this matter as possible, and we must manage the thing as well as we can, so as to get the votes of both sides." Here the interview terminated.

FREMONT'S father-in-law, Col. Benton, and his brother-in-law, W. Carry Jones, are both supporting Buchanan.

PROGRESSING.—The work of organization. Let it be carried on with energy.

BLACK REPUBLICAN SENTIMENTS.

The Ravenna (Ohio) Reformer, a Black Republican print, in a recent issue gives utterance to the following:

"Our readers will remember that, in our last paper, we published a speech from Gerrit Smith in which he takes the ground that arms alone will free the slave. If this be so, what is our duty? Is it to set still and wait for some one in Kansas to begin the war? Let Gerrit write a call for a Revolutionary Convention, put it in circulation, and go through the North lifting up his trumpet voice in calling the people to arms to put down slavery, and he will find a host rallying to his standard. Such a movement will never come from such men as Lane and Robinson. It is not our merely restive and adventurous renegade Democrat who will lead in fighting for the slave. Abolitionists must lead in this holy war, and it is high time that the apostle of this armed crusade for freedom lifted up his voice."

In the same spirit the New York Tribune recommends Governor Chase, of Ohio to convoke the Legislature to raise an army of five thousand men, send it to Kansas to fight the United States troops, and thus commence the most deadly and unfortunate fratricidal struggle the world has ever seen.

The partisans of that faction in Congress sought to strike down the national government by withholding supplies from the army. They have already arrayed one class of States against another, and in the conflict sections are daily weakening the Union sentiments. Their speakers and newspapers are daily promulgating disunion sentiments! they display banners bearing upon them but sixteen stars, instead of thirty-one. Their course certainly tends to civil war, and yet there are thousands blind to the terrible consequences, and deluded into the belief that they are acting with a national and patriotic party.

HOW GOES THE BATTLE.

The Black Republicans are endeavoring to count on the late State elections, with a view to show the popularity of Fremont, but in doing so they forget that elections have been held recently in any States other than Iowa, Vermont and Maine, and begin with these three—whereas, taking all the States that have held elections since the opening of the Presidential campaign, the result points conclusively to the fact that the people have resolved to elect James Buchanan President of the United States. We subjoin the results as indicated by the late elections, with the number of electors to which each State is entitled:

Table with 2 columns: State and Electors. Includes Kentucky (10), North Carolina (12), Missouri (9), Arkansas (4), Alabama (9), Texas (4), Iowa (4), Vermont (5), Maine (8), Total (48 & 13).

We give Iowa to Mr. Fillmore because three of the five State officers elected at the August election are his friends, and were nominated by the same convention which nominated Fillmore electors. Thus, of the nine States which have held elections, the Democrats have carried six, having forty-eight electors to the Black Republicans' thirteen electors and the Fillmore men four.

FREMONT AND DISUNION.

In voting for Fremont, a portion of the North tenders to the South the issue of this Union or unconditional submission. If Fremont be elected he comes in as the professed enemy of the South. No Southerner, without treachery to his section of the Union, can become a member of his cabinet. His administration, if it keeps the promises of the canvass, must deprive the South of all interests in the territories, and harass and injure largely in the States. We do not believe that any portion of the South will submit to his administration. We are sure that large portions will not. Disunion, then, in the event of his election, is inevitable.

Such an event is a very remote contingency, but let the North and South prepare to meet it. Let us, if possible, part peacefully. Let the North determine whether it will have several confederacies or one. Let Pennsylvania, New Jersey, Indiana, and Illinois see whether their interests will not be best promoted by uniting with the Southern confederacy. Let California, too, study well the question, whether she will have a Pacific republic, become tributary to New England or unite with the South. Let us all lock these contingencies fully in the face. It is not too late for treason and Fremont to retreat, nor for the friends of the Union to lash them from the field, if we will but combine.

But let no one indulge the fatal delusion that Fremont may be elected and yet the Union preserved. There is not one single possibility of such a result. It is hard to keep it together even now. Then, it would fall to pieces without even a struggle to preserve it.—Richmond Enquirer.

CONSENSY OF THE NIGERITES.—Our good brother Paxson, of the Doylestown Democrat, one of the best papers, in the Union, very justly remarks that the Black Republican presses prate loudly about the outrage perpetrated by the repeal of the Missouri Compromise. Have they forgotten that it is but a few years since the whole Abolition press of the North denounced that compromise as a "covenant with death and an agreement with Hell!" They also have on nomination for the Vice Presidency, a certain Wm. L. Dayton, of New Jersey, who cast ridicule upon Henry Clay, and called him "the Sarsaparilla Doctor," because he advocated the Missouri Compromise measures of 1820 as bearing "healing on their wings." This same Wm. L. Dayton voted against the abolition of flogging in the Navy of the United States. What a set of vassillating hypocrites these Black Republicans are.

The Pennsylvania has done a new dress—pretty good evidence that its able services in the good cause are not only appreciated but substantially remunerated by the Democrats of the old Keystone.

CIRCUS.—Rivers and Derious' Circus will be in town on the 23d. This company has a good reputation, and we have no doubt will be well attended by the lovers of fun and amusement. See advertisement.

UNION STATE TICKET.

Come up to the chalk line, Fillmore men, and vote the "Union" State ticket. What more could you ask than your Fremont allies have given you? You have on your 'Union' ticket.

THOMAS E. COCHRAN, Black Republican! DARWIN PHELPS, Black Republican! BARTHOLOMEW LAPORTE, Black Republican!

Not a single Fillmore man on your 'Union' State ticket—all are for Fremont and disunion—but still, you helped to make it and you must toe the mark and support it. It is so stipulated in the bond, and, however much it may grieve you there is no escape. Come, gentlemen of the Fillmore party, give your support to the Fremont State ticket!

KEEP IT BEFORE THE PEOPLE.

That the bill of Senator Toombs abrogates all the obnoxious laws of the Kansas Legislature. The Republicans, though anxious to resist them at the point of the bayonet, OPPOSE THEIR REPEAL!

That the bill of Senator Toombs provide for the return of all Free State men who may have been driven away, and gives them the privilege of voting. The Republican oppose it.

That it provides numerous guards against illegal voting, and for the punishment of illegal voters. The Republicans oppose it!

THAT THE REPUBLICANS OPPOSE THE PACIFICATION OF KANSAS!

BUCHANAN'S POPULARITY.

The Delaware Gazette very truly remarks:—"Nothing proves more clearly the popularity of Mr. Buchanan than the fact that members of both the opposite factions assert a preference for his election. It is therefore a very common occurrence to see a Know Nothing and a Republican meet and separate—the one declaring that he would prefer Buchanan to Fillmore, and the other swearing Fremont is an Abolitionist, opposed to the Union, and that he would vote for Buchanan in preference."

The reason of this is in the fact that each of these parties know Mr. Buchanan to be a great and wise man, in whose keeping all the interests of the government will be entirely secure."
