OUR SENATORIAL DISTRICT.

We clip the following notices in relation to the Senatorial question, in the "fighting fifteenth," from the Blair county Whig, the Fremont organ in Blair county. ...

Sale of the Public Works.

MAJ. RAYMOND :- The question of the sale of the Public Improvements will no doubt be brought before the next Legislature. I am and have been a Whig, as you know for years and have always opposed their sale, and still believe that it would be folly to let them go into the hands of a corporation. Our late Senator, Col CRESSWELL, proved himself the notive opponent of the sale, and I believe that, in justice to him, he is entitled to the votes of every man who thinks as I do on this question. He has proven himself faithful to the interests of his constituents, and when a public servant fulfils a duty, he should not be stricken down for it. I throw out these suggestions, having learned that his opponent, A.C. MULLIN, is pledged to the interests of the Pa. Rail Road Company. As a Whig of long standing, I will vote for CRESSWELL on this question AN OLD LINE WHIG.

HOLLIDAYSBURG, Sept. 19, 1856.

The last Register charges us with aiding in bringing out Col. WHARTON in opposition to MULLIN. This charge is not true, but if the editor is not desirous to have his political hide laid open, he had better indulge in more respectful language towards men who feel like letting the election of Senator alone. -- Hol Whig.

Three weeks ago, the Democrats challenged the Abolitionists. and this challenge was accepted by the latter It was a challenge to discuss the great issues involved in the present canvass; and the interest occasione i thereby was great. The Abolitionists named Thappeus Stevens and BURLINGAME as their champions; the Demoerats, W. A. STOKES and H. D. FOSTER, of Westmoreland, and the indomitable ELLIS B. SCHNABEL, as theirs. Stevens had accepted the responsibility, and doubtless Burlingamo too. The day arrived. Hundreds flocked to the scene. "SLAVERY AGGRESSION."

Fools talk about slavery as though it was making constant aggressions. But all sensible men know that precisely the reverse is the partant that t ere should be a good turn out from case. Seventy years ago every State in the Union but one were slave States. Now sixteen are free States, and but fifteen slave States. In less than five years seven Territories will be admitted as free States; to wit Minnesota, Nebraska, Washington, Oregon, Utah, New Mexico and Kansas. Then there will be twenty-three free States and fifteen slave States. Then the Senate will stand-Then the House of Representatives will stand almost two to one from free States.
