A Human Life Saved. DOWAGIAC, Mich., March 11, 1856. J. A. RHODES, Esq.: Dear Sir—As I took your medicine to, all on consumption, "no cure no pay," I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of all I have received:

W. S. CONKIN told me—"I had taken nine bottles of Christie's Ague Balsam, and continually run down while using it until my lungs and liver were congested to that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill. The doctors to did all they could for me, but thought I must die. Nothing did me any good until I got Rhodes' Fever and Ague Cure which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced a permanent cure in a short time."

H. M. CONKIN says:—"I had been taking medicine of a good doctor as we have in our county, and taken any quantity of quinine and specifics without any good result, from 25th August to 17th December. But seeing how nicely it operated on my brother, I got a bottle of RHODES' FEVER AND AGUE CURE, which effected a permanent cure by using two thirds of a bottle."

S. M. CONKIN was not here, but both the other brothers say his case was the same as H. M. I sold the medicine to both the same day, and the cure was as speedy from the same small quantity and I might specify, Yours with respect, A. HUNTINGTON.

The above speaks for itself. Good proof as it is, it is of no better tenor than vast number of like certificates I have already published, and the still greater amount that is continually pouring in on me.

One thing more. Last year I had occasion to Caution the Public in these words:—"Notice one firm who have taken one of my general circulars, substituted the name of their nostrum for my medicine, and then with brazen impudence end their pamphlet with the exclamation, 'See the propriety of any other medicine easy as taking mine.'"

Now I take pleasure in saying that the Caution referred to the same "Dr. Christie's Ague Balsam" that is mentioned in the above certificate.

There are several other industrious people who are applying to their poisonous trash all that I publish about my fever and Ague Cure, or Anti-dote to Malaria, except the Certificate of Cures, and the Certificate of the celebrated Chemist Dr. James R. Chilton of N. Y., in favor of its perfectly HARMLESS CHARACTER, which is attached to every bottle. These will always serve to distinguish my medicine from imitations.

JAS. A. RHODES, Proprietor. April 29, 1856. 3m. Providence, R. I. For sale by Druggists generally.
