

The Supreme Court. The Supreme Court of the United States is constituted as follows: Roger B. Taney, of Maryland. John McLean, of Ohio. James W. Wayne, of Georgia. John Catron, of Tennessee. Peter V. Daniel, of Virginia. Samuel Nelson, of New York. Robert C. Grier, of Pennsylvania. Benjamin Robbins Curtis, of Massachusetts. John A. Campbell, of Alabama. Of the foregoing, Messrs. McLean and Taney were appointed by General Jackson; Messrs. Catron and Daniel by Mr. Van Buren; Mr. Nelson by Mr. Tyler; Mr. Curtis by Mr. Fillmore, and Mr. Campbell by General Pierce. It will be seen that of the nine Judges, five are from the Slave States, and four are from the Free.

LEGAL TENDER.—The law regulating the payment of debts with coin, provides the following coin to be the legal tender: 1. All gold coin at their respective values, for debts of any amount. 2. The half dollar, quarter dollar, dime and half dime, at their respective values for debts of amounts under five dollars. 3. Three cent pieces for debts of amounts under thirty cents; and 4. By the law just passed, we may add one cent pieces for all debts of amounts under ten cents.

By the law of Congress, passed some four or five years ago, gold, instead of silver was made the legal tender for large amounts.—Those who, to get rid of large quantities of cents and small coin, sometimes pay bills with it, to the annoyance of the creditor, will perceive that there is a stoppage put to that article by law.
