

Thompson's Clock.
There is a clock in our place
That regulates the town,
With tiny hands and pretty face,
Though it looks old and brown,
The rarest clock that ever I saw,
It beats all clocks, I know,
I went and stood in Noah's ark
Four thousand years ago.

There is a clock in our place—
At THOMPSON'S store 'tis found;
'Tis called the REGULATOR here,
And rarest clock in town.
Just call at Thompson's Hatter's Store,
And see this old clock go,
And buy a hat in place of one
Bought twenty years ago.

This Thompson keeps on Clinton street,
The clock is in his store,
And has been running, without fail,
Four thousand years and more.
Now, if you don't believe me, Tom,
Just call in as you go,
And buy a Cap in place of one
Bought twenty years ago.

'Twas put up by George Bolinger,
An ARTIST of our town,
The wheels are made of wood and brass,
And all seem pretty sound.
And now my last advice, dear Tom,
Is, stop in as you go,
And buy some Boots in place of those
Bought twenty years ago.
Johnstown, May 6, 1856.

THE most skeptical people can be convinced by trial that all the family medicines are not humbug and that among the thousands of butterfly life there are a few of great merit and undoubted worth. Of these Dr. Sanford's Invigorator, or Liver Remedy stands first and foremost among the remedies of the day that can be relied on as a medicine that is all it is recommended by its proprietors. It advertises itself on every trial, for there are none who use it but tell their friends to do so, and so it goes from mouth to mouth till all the people of the Union have learned the good of this truly valuable medicine. It is recommended with testimonials to prove its virtue for the cure of liver complaints of every kind, from the worst Dyspepsia to Jaundice, Deranged Stomach, Bowel Complaints and Diarrhoea.

One or two doses are said to cure a cold with scarce a failure. It is worth a trial for this alone. It is particularly adapted to the use of ladies, particularly those of sedentary habits. Some ladies of the highest standing in society have given their certificates of its efficiency, and we say to all who are ailing, try one bottle, and you will never be without it. For Sale here by all Druggists.

PROFESSOR G. J. WOOD'S HAIR RESTORATIVE.
FOR PRODUCING HAIR ON BALD HEADS, AND RESTORING GREY HAIR TO ITS NATURAL COLOR.

THIS ASTONISHING AND UNEQUALLED preparation has never failed to produce a growth on Bald Heads, when used according to the direction, and turn hair back to its original color, after having become grey and reinstated it in all its original health, lustre, softness and beauty. Removes at once all scurf, dandruff and unsightly itching, scalding, eruptions and forestall frost from the scalp. It also prevents the hair from becoming unhealthy and falling off, and hence acts as a perfect HAIR INVIGORATOR AND TONIC.

A gentleman of Boston writes to his friend, in New Bedford thus:
"To your inquiries, I would reply, that when I commenced using Professor Wood's Hair Restorative, my hair was almost white, and had been so for the last ten years and it was very thin on the top of my head, and very loose, and pulled out freely, but I found that before I had used all the second bottle, (which was eight weeks) my hair was entirely changed to its original color, light brown, and is free from dandruff and quite moist. I have had my hair cut five or six times since the change, and have never seen any thing like white hair starting from the roots; and it is now as thick as it ever was, and does not come out at all. It has proved in my case all that I could wish to ask."
Yours, etc.—

SOMETHING WORTH KNOWING.—By using Professor Wood's Hair Restorative, grey hair can be permanently restored to its original color. The subscriber certifies from Johnston & Stone, Gardner, Maine, is but one of the many instances that are daily coming to our knowledge, of its wonderful effects. It is no longer problematical, but a self-evident truth, as hundreds in our community can testify.

DEAR SIR: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was a man of seventy. My hair has now attained its original color. You can recommend it to the aged without the least fear, as my case was one of the worst kind.
Yours respectfully,
DANIEL N. MURPHY.

BROOKFIELD, MASS., January 12, 1856.
DEAR SIR:—Having made a trial of your Hair Restorative, it gives me pleasure to say that its effect has been excellent in removing inflammation, dandruff, and a constant itching tendency with which I have been troubled from childhood; and has also restored my hair, which was turning gray, to its original color. I have used no other article with anything like the pleasure and profit.
Yours Truly,
J. K. BRAGG.
Pastor of the Orthodox Church, Brookfield, Prof. O. J. Wood.

WOOD'S HAIR DYE.—This admirable article is rapidly improving the hair of the aged, and of a similar kind, now before the public, enjoys a better reputation as a restorative and invigorating hair tonic. Its peculiar chemical qualities have a beneficial effect upon the growth and character of the hair, giving a silky and glossy texture to that which was formerly of a coarse and dry nature. It has, also, we understand, a tendency to preserve this youthful appearance of the hair, and destroying or counteracting the effects of age. With such recommendations in its favor, we hardly perceive how any lady or gentleman should be without so valuable an adjunct to their toilet.
