DEMOCRATIC STATE TICKET FOR GOVERNOR.

WILLIAM F. PACKER. LYCOMING COUNTY. FOR CANAL COMMISSIONER.

NIMROD STRICKLAND CHESTER COUNTY.

Sale of the Main Line. The bill for the giving away of the Main Line of the public improvements of the State, to that mammoth monopoly, the Pennsylvania Rail Road Company, having passed both branches of the Legislature, and been signed by his Excellency Governor Pollock, is now a law. We explained to our readers a few weeks ago, the provisions of this bill. It may be truly termed a stupendous fraud on the tax payers of Pennsylvania for the purpose of building up the prosperity of a soulless corporation, and enabling it to rule the people of the Commonwealth with a rod of iron.

of the bill in both branches of the Legislature, it is gratifying to find that the Democratic members with a few i nacefu exceptions, voted against it. The opposition members, with a few honorable exceptions, were the constant advocates and supporters of the bill from the time of its introduction up to the moment when it became a law. Why, even the Republican members from the adjoining counties of Blair and Indiana, regardless of

District Attorney's Fees and Associate Judges' Salaries.

The bill increasing the compensations of District Altorneys was passed by the House on Thursday, by adopting the report of the Committee of Conference receding from the amendment heretofore adopted by the House. As the bill passed both branches of the Legislature, the fees of District Attorneys are as follows, viz: Drawing indictment and prosecuting case in the Oyer and Terminer, \$10; a bill returned ignoramus in the Oyer and Terminer, \$5; drawing indictment and prosecuting offence in the Quarter Sessions, \$5; bill returned ignoramus in the same, \$3; and every case of surety of the peace, \$3. The bill heretofore negatived by the House to increase the pay of Associate Judges, was reconsidered on the same day, and passed finally. The amount of compensation is graduated ac ording to the number of weeks the On examining the vote on the final passage | Judges occupy the bench. In cases when they sit the smallest number of weeks, the increase will be but \$5 in the year's salary. When they sit thirty weeks or more they are to receive \$400 per annum.

I am charged with the Republican Governor made it a law. The traitors, Mencar, Lebo and Wagonseller, on this occasion were true to their first love .---Throughout, we find them where we would naturally expect, among the minions of the Pennsylvania Rail Road Company.

These are facts which should not be forgotten by the honest taxpayers of the State, and especially by those who belong to the Republican party. They prove conclusively, that however loud the Black Republican leaders may be in their professions of honesty and opposition to fraud and corruption in the administration of the affairs of the State when soliciting the votes of the people, when in power they are the first to contaminate their fingers with base bribes and betray the trust reposed in them by their constituents, when by so doing they can accomplish their selfish schemes for personal aggrandizement.

The Republican members of the Legislature and Gov. Pollock, a Know Nothing and Republican, are responsible for the consummation of this stupen-lous fraud on the rights and interests of the people of Pennsylvania. Verily, they shall have their reward on the black-handled razor, but that one found beside second Tuesday of next October.

SUICIDE .- We have been informed that Mr. William Delany, a highly respectable Honored Judge, they say that I killed Norcitizen of Allegheny township, committed sujeide on Sunday, 10th iget , by cutting his throat. He survived till the next morning. It is not known what induced I im to commit the rash act.
